

Social Work With Children

Liying Dong

Social Work With Children:

Social Work in Schools Linda Openshaw, 2008-01-01 This accessible and authoritative text gives social workers the tools they need for effective and ethical practice in school settings Readers learn practical skills for observation assessment intervention and research that will enable them to respond to the needs of diverse students from preschool through the secondary grades The book presents strategies for dealing with particular problems such as violence trauma parental absence substance abuse bereavement and mental health concerns Also reviewed are developmental issues that can interfere with school success Specific guidelines for implementing interventions including group work are provided Student friendly features include many concrete examples study and discussion questions and reproducible letters forms and checklists

Child Welfare Kathryn Krase, Tobi Delong-Hamilton, 2020-11-23 Child Welfare Preparing Social Workers for Practice in the Field is a comprehensive text for child welfare courses taught from a social work perspective This textbook provides a single source for all material necessary for a contextual child welfare course As well as combining history theory and practice the authors integrate different practice perspectives to teach social workers how to engage children and families at the micro mezzo and macro levels Covering both broad issues such as child welfare child maltreatment and responses to child maltreatment and current issues in social care including mandated reporting and evidence based policy prevention and preservation the material is designed to meet the needs of social work students entering the child welfare workforce Child Welfare provides students in social work courses at both the undergraduate and graduate levels with a single source for all material necessary to successfully navigate their studies and careers

School Social Work JoAnn Jarolmen, 2013-03-28 Offering a unique focus on evidence based interventions critical thinking and diversity School Social Work A Direct Practice Guide covers the foundations of working with children and adolescents in the schools Each chapter reviews a basic concept and then provides two in depth activities that allow readers to apply the concepts to real life practice situations Practical hands on experiences best practice approaches and case examples throughout the book demonstrate assessments and techniques in action with vulnerable populations and help readers to understand the nuances and complexities of working in a school environment The book begins with an overview of theory important to social work in the school setting then covers a wide array of topics including a typical day in the life of a school social worker skills and techniques special education crisis intervention collaboration and school consultation current issues in education ethical dilemmas policy program development and evaluation and global issues in school social work

Social Control and the Use of Power in Social Work with Children and Families Toyin Okitikpi, 2011 The role of a social worker has always been about balancing the necessity for care and control yet practitioners are generally more comfortable with the care element of their profession rather than the control element In this book ten contributors explore the complex nature of power and its important function both in social work in general and the childcare field in particular The book examines the extent of social work powers in working with

children and families explores the changing role of social workers and childcare social work in particular discusses the crisis of confidence about the role duties and responsibilities of working within the children and families sector examines the increasing policy shift towards social control looks at the tensions and contradictions inherent in the helping process considers the role of social workers in the school environment where exercising power and control is readily accepted by parents but how that is done is crucial discusses whether social workers are not only aware of their powers but also know how they utilize their powers when working with at risk cases asks how the rule of optimism can be redefined and still safeguard vulnerable children and young people examines the ethics of exercising power in practice , *Social Work Practice with Individuals and Families* Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families *Social Work Practice with Individuals and Families* covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter s contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful *Social Work Practice with Individuals and Families* is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges **Active Social Work with Children with Disabilities** Julie Adams, Diana Leshone, 2016 A comprehensive social worker s guide to working with children with disabilities **Social Work and Child Services** Sharon Duca Palmer, 2016-04-19 This title includes a number of Open Access chapters Bringing together the results of studies of child services from diverse countries and cultures this book covers a broad array of topical issues and social work interventions It examines adolescent emotional health children of substance abusers childhood depression and teenage suicide childre **Social Work Practice with Children, Third Edition** Nancy Boyd Webb, 2011-11-15 This book has been replaced by *Social Work Practice with Children* Fourth Edition ISBN 978 1 4625 3755 6 **Social Work and Child Abuse** D.M. Cooper, David Ball, 1987-11-03 Well publicised cases of child abuse have brought heavy media criticism of the social work role in prevention and child protection This book attempts to bring a sense of perspective to allay the anxieties and fears felt by many social workers The authors resist the idea that child abuse is a special disease and develop a broad based strategy encompassing both individual therapy and environmental approaches Cooper and Ball s short introduction to child abuse in the *Practical Social Work Series* is a remarkable achievement in that it provides local authority social workers and general social work students with a concise overview of issues related to working in child abuse *Issues in Social Work*

Education
