Social Justice And The Christian Church:

Social Justice Goes To Church: The New Left in Modern American Evangelicalism Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas

Social justice and the Christian Church Ronald H. Nash, 1984 *Social Justice and the Christian Church* Nash Ronald H., 1986-12-01 *Jesus for Revolutionaries: An Introduction to Race, Social Justice, and Christianity* Robert Chao Romero, 2013 Are you a revolutionary Are you curious about exploring issues of race and social justice from a Christian perspective This book by UCLA Professor and Pastor Robert Chao Romero is for you Topics covered include a biblical framework for understanding poverty race and gender undocumented immigration politics affirmative action mixed race issues Christian social justice pioneers and an introduction to the Christian world of social justice and community development

Social Justice and the Churches John D'Arcy May, 2014-12-31 Social justice is not just a matter of applying well known first principles shared by all Christian traditions As these papers by representatives of seven Australian Churches show Christian approaches to social justice are startlingly distinctive both in their starting points and in the positions arrived at on urgent matters of human rights sexual ethics and economic justice Led off by the well known Jesuit human rights

advocate Professor Frank Brennan the book includes contributions by Fr Max Vodola Roman Catholic Revd Gerard Rose Churches of Christ Revd Geoff Pound Baptist Revd Raymond Cleary Anglican Mark Zirnsak Uniting Church Major Jenny Begent Salvation Army and Fr Shenouda Boutros Coptic Orthodox Church with concluding reflections by Margaret Coffey ABC Radio National This book is the work of the Yarra Institute for Religion and Social Policy an independent ecumenical organisation promoting scholarship and research on Christian social traditions as they bear on current concerns Launched in 2009 by Professor Brian Howe the Yarra Institute is committed to engaging with our broader culture collaboratively to promote human wellbeing The authors of these chapters come from seven of the Christian traditions which have theological Colleges comprising the University of Divinity in Melbourne

Christian Faith and Social Justice: Five Views Vic McCracken, 2014-06-19 The Judeo Christian tradition testifies to a God that cries out demanding that justice roll down like waters righteousness like an ever flowing stream Amos 5:24 Christians agree that being advocates for justice is critical to the Christian witness And yet one need not look widely to see that Christians disagree about what social justice entails What does justice have to do with healthcare reform illegal immigration and same sex marriage Should Christians support tax policies that effectively require wealthy individuals to fund programs that benefit the poor Does justice require that we acknowledge and address the inequalities borne out of histories of gender and ethnic exclusivity Is the Christian vision distinct from non Christian visions of social justice Christians disagree over the proper answer to these questions In short Christians agree that justice is important but disagree about what a commitment to justice means Christian Faith and Social Justice makes sense of the disagreements among Christians over the meaning of justice by bringing together five highly regarded Christian philosophers to introduce and defend rival perspectives on social justice in the Christian tradition The positions advocated and critiqued are libertarianism political liberalism liberation theology feminism and virtue ethics While it aspires to offer a lucid introduction to these theories the purpose of this book is more than informative It is purposefully dialogical and is structured so that contributors are able to model for the reader reasoned exchange among philosophers who disagree about the meaning of social justice The hope is that the reader is left with a better understanding of range of perspectives in the Christian tradition about social justice

Connecting Jesus to Social Justice Thomas Hughson, 2013-10-10 Many Christians see the societal dimension of their faith as a matter of biblical and social ethics Returning to classical Christology *Connecting Jesus to Social Justice* explores messianic potential in the Council of Chalcedon on the divine identity of Christ Who Jesus is makes all the difference to Christian entrance into the public sphere on behalf of a just society The Messiah's divinity bears on social mission directed toward a just social order Theological appropriation of Chalcedon overcomes a gap between the professing the Creed and interpreting social existence in light of a just social order *Connecting Jesus to Social Justice* argues a doctrinally traditional orthodox basis for Christian participation in the public sphere on behalf of social justice The book addresses a situation internal to churches in the U S from a Catholic perspective yet not without analogies in other churches

and Christian movements Applying traditional Christology to contemporary social mission solidifies an answer to adversarial queries on the appropriateness of a social agenda Implications in the classical Christology also confirm churches and discipleship in commitment to social justice promoted through a subaltern counter public and then by word and deed in the public sphere

Confronting Injustice without Compromising Truth

Study Guide Thaddeus J. Williams, 2022-06-28 Enacting social justice is essential to the Christian faith But the Bible's call to seek justice is not a call to superficial activism True justice requires biblical wisdom and communal discernment Maybe you're frustrated with a version of Christianity that doesn't seem to take justice seriously Perhaps you've witnessed the rise of ideologies that brand themselves as social justice but you have a sense that something is off about them Maybe you have a hunch that God offers a better way to do justice than what's offered by the snarky memes on our news feeds In this 14 session video based study guide teacher and lecturer Thaddeus Williams furthers the case he made in his book taking study groups and individuals deeper into complex question of how to pursue a path of justice without compromising the truth of the gospel Participants will watch video segments DVD streaming video sold separately hear from a diverse range of experts interact in group discussions and answer personal reflection questions to discover what the Bible and the example of Jesus have to teach us about justice Williams confronts religious and political tribalism and challenges participants to discover a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions and a way forward Sessions Include What is Social Justice The God Question The Imago Question The Idolatry Question The Collective Question The Splintering Question The Fruit Question The Disparity Question The Color Question The Gospel Question The Tunnel Vision Question The Suffering Question The Standpoint Question Conclusion

Confronting Injustice without Compromising Truth Thaddeus J. Williams, 2020-12-22 God does not suggest he commands that we do justice Social justice is not optional for the Christian All injustice affects others so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles But the Bible's call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar

Monique Duseon Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In Confronting Injustice without Compromising Truth Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions
