Health Care in the Soviet Union and Eastern Europe Michael Kaser, 2024-11-26 Health Care in the Soviet Union and Eastern Europe 1976 examines the systems of health care in the Communist countries of the Eastern Bloc Many enjoyed comprehensive free health care established with the Communist takeovers and transition to planned economies as they moved from an agrarian to an industrialised system This book traces their beginnings and development and offers comparisons between each of them as well as with the West *Health and Economic Development in South-eastern Europe* Council of Europe Development Bank, 2006 The economic benefits to be gained from investment in public health are increasingly being recognised as well as its importance for social cohesion and these objectives play a central role in the European Union s Lisbon agenda This study seeks to demonstrate the economic importance of the health sector for the countries of south eastern Europe by examining trends and patterns of disease burden and socioeconomic inequalities in health the development of health systems and health policies as well as options for policy development in order to meet future health challenges in the region *The Oxford Handbook of the History of Medicine* Mark Jackson, 2011-08-25 The Oxford Handbook of the History of Medicine celebrates the richness and variety of medical history around the world In recent decades the history of medicine has emerged as a rich and mature sub discipline within history but the strength of the field has not precluded vigorous debates about methods themes and sources Bringing together over thirty international scholars this handbook provides a constructive overview of the current state of these debates and offers new directions for future scholarship There are three sections the first explores the methodological challenges and historiographical debates generated by working in particular historical ages the second explores the history of medicine in specific regions of the world and their medical traditions and includes discussion of the global history of medicine the final section analyses from broad chronological and geographical perspectives both established and emerging historical themes and methodological debates in the history of medicine Gender in Twentieth-Century Eastern Europe and the USSR Catherine Baker, 2016-09-29 A concise and accessible introduction to the gender histories of eastern Europe and the Soviet Union in the 20th century These essays juxtapose established topics in gender history such as motherhood masculinities work and activism with newer areas such as the history of imprisonment and the transnational history of sexuality By collecting these essays in a single volume Catherine Baker encourages historians to look at gender history across borders and time periods emphasising that evidence and debates from Eastern Europe can inform broader approaches to contemporary gender history **Health Reforms in**

Post-Communist Eastern Europe Tamara Popic,2023-01-01 This book provides the first in depth study of healthcare reforms in post communist Eastern Europe Combining insights from comparative politics and public policy analysis it examines health reforms in Slovenia the Czech Republic and Poland between 1989 and 2019 The book argues that the post communist transformation of healthcare policy has entailed a process of policy learning and that the countries reform pathways were shaped by a series of initiatives aimed at applying market oriented policy ideas in healthcare The success of these initiatives has been influenced by three factors policy legacies political competition and institutional configurations The book offers a novel comparison of health reform in the region and policy changes more generally It will appeal to scholars and students of public policy health policy and European politics

A Global History of Medicine Mark Jackson,2018 A volume exploring the history of medicine across continents and countries from ancient to modern times examining the changing systems of medicine in Eastern and Western traditions comparing alternative medical practices and introducing readers to how historians have captured the multiple approaches to healing adopted by different cultures

The Post-Communist World in the Twenty-First Century Barbara Ann Chotiner,Linda J. Cook,2022-06-28 The Post Communist World in the Twenty First Century presents studies by senior scholars and practitioners that are highly relevant to contemporary political challenges The democratic vision that accompanied the collapse of communist regimes in the Soviet Union and East Central Europe has been replaced by a range of authoritarian semi authoritarian and democratic regimes and growing division between Western and Russian influence Russia s invasion of Ukraine has led to renewed tensions and international crisis China which presents major challenges to the US Europe and the global order has emerged as a critical actor in the international conflict The need to understand the internal dynamics and international behavior of communist and authoritarian regimes is more urgent at this time The expertise provided by the volume s contributors is especially timely offering new insights into the past and contemporary politics of these states the agendas driving their behavior regimes domestic strengths and weaknesses and the role of leaders differing perceptions in exacerbating international conflict Practitioners demonstrate how such knowledge can inform effective policy and ameliorative efforts

Health Reforms in South-East Europe W. Bartlett,J. Bozikov,B. Rechel,2012-09-24 Over the last two decades the countries of South East Europe have engaged in far reaching reforms of their health systems However overviews of reform efforts in this part of Europe have been sorely lacking This book addresses this shortage through the analysis of key aspects of health reforms and health workforce mobility in South East Europe
