Social Policy And The Commonwealth Prospects For Social Inclusion

Catherine Jones Finer, Paul Smyth

Social Policy And The Commonwealth Prospects For Social Inclusion:

Colonialism and Welfare James Midgley, David Piachaud, 2011-01-01 The British Empire is part covered three centuries five continents and one quarter of the world's population Its legacy continues shaping the societies and welfare policies of much of the modern world In this book for the first time this legacy is explored and analysed Colonialism and Welfare reveals that social welfare policies often discriminatory and challenging to those colonised were introduced and imposed by the mother country It highlights that there was great diversity in rationales and impacts across the empire but past developments had a major impact on the development of much of the world's population Contributions from every continent explore both the diversity and the common themes in the imperial experience They examine the legacy of colonial welfare a subject largely neglected by both historians of empire and social policy analysts This original book shows that social welfare today cannot be understood without understanding the legacy of the British Empire Academics specialised students with an interest in comparative social policy history of social policy imperial history colonialism and contemporary third world social policy will find this book invaluable to their studies

Social Policy and the Commonwealth Catherine Jones Finer, Paul Smyth, 2004-09-04 This book offers unprecedented insights into both the workings of the Commonwealth and into the contrasting experiences of member states within it with regard to social exclusion Chapters on British social policy tradition and on concepts of social inclusion exclusion preface a series of case studies illustrative of different member states experiences to date The book concludes by re-examining the Commonwealth per se with reference to its own problems of development and its social policy development potential for the future

Book Review: Social Policy and the Commonwealth: Prospects for Social Inclusion Ann Lavan, 2005 The SAGE Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work

Inclusive Growth, Development and Welfare Policy Reza Hasmath, 2015-02-20 The recent global financial crisis has increased the scope of poverty and inequality The gap between the richest and poorest nations has become wider National income inequality has also been on the rise The prospect of a shift in designing and implementing development and welfare policies is strong in this new environment The neoliberal policies of the Washington Consensus are giving way to development models which look to a more active government role in both economic and social policies Meanwhile in the parallel universe of welfare policy a fundamental realignment is already taking place Faced with the

current economic and social challenges policy communities have turned to a variety of instruments to ensure that growth and social inclusion go together This book offers a systematic analysis of the growing convergence on these matters in the development and welfare state literatures utilizing the experiences of a myriad of jurisdictions around the world Drawing upon the expertise of leading international policymakers practitioners and academics in the field this book critiques the theoretical underpinning of growth and development examine welfare state perspectives on inclusive growth and social economic development and presents lessons learned and best worst practices from the experiences of developing and developed nations

The SAGE Handbook of Research in International Education Mary Hayden, Jack Levy, Jeff Thompson, 2015-10-13 The landscape of international education has changed significantly in the last ten years and our understanding of concepts such as international global and multicultural are being re evaluated Fully updated and revised and now including new contributions from research in South East Asia the Middle East China Japan Australasia and North America the new edition of this handbook analyses the origins interpretations and contributions of international education and explores key contemporary developments including internationalism in the context of teaching and learning leadership standards and quality in institutions and systems of education the promotion of internationalism in national systems This important collection of research is an essential resource for anyone involved in the practice and academic study of international education including researchers and teachers in universities governmental and private curriculum development agencies examination authorities administrators and teachers in schools

Social Development James Midgley, 2013-11-13 Walking through social development s key theoretical principles and practice strategies this book shows how it promotes peoples wellbeing not only in the Global South where it first emerged but in the Western countries as well It covers Definitions and an historical evolution of social development Key theoretical debates around social well being human rights and social justice Social development practice such as human capital interventions community development and cooperatives asset building employment creation policies and programmes microenterprises and social planning among others Future challenges global poverty international aid and trade and global inequality conflict and injustice Complete with international examples drawn from around the world Social Development Theory and Practice demonstrates how social development theory translates into practical application This book is essential reading for students in development studies social policy public administration and social work and for policymakers and development practitioners everywhere James Midgley is the Harry and Riva Specht Professor of Public Social Services at the School of Social Welfare University of California Berkeley

Indigenous Social Work around the World John Coates, 2016-05-23 How can mainstream Western social work learn from and in turn help advance indigenous practice This volume brings together prominent international scholars involved in both Western and indigenous social work across the globe including James Midgley Linda Briskman Alean Al Krenawi and John R Graham to discuss some of the most significant global trends and issues relating to indigenous and cross cultural social work

The contributors identify ways in which indigenization is shaping professional social work practice and education and examine how social work can better address diversity in international exchanges and cross cultural issues within and between countries Key theoretical methodological and service issues and challenges in the indigenization of social work are reviewed including the way in which adaptation can lead to more effective practices within indigenous communities and emerging economies and how adaptation can provide greater insight into cross cultural understanding and practice

Social Investment Jonathan Boston, Derek Gill, 2017-12-04 The idea of social investment has obvious intuitive appeal But is it robust Is it built on sound philosophical principles and secure analytical foundations Will it deliver better outcomes For almost a decade the idea of social investment has been a major focus of New Zealand policy making and policy debate The broad aim has been to address serious social problems and improve long term fiscal outcomes by drawing on big data and deploying various analytical techniques to enable more evidence informed policy interventions But recent approaches to social investment have been controversial In late 2017 the new Labour New Zealand First government announced a review of the previous government's policies As ideas about social investment evolve this book brings together leading academics commentators and policy analysts from the public and private sectors to answer three big questions How should social investment be defined and conceptualized How should it be put into practice In what policy domains can it be most productively applied As governments in New Zealand and abroad continue to explore how best to tackle major social problems this book is essential for people seeking to understand social policy in the twenty first century Contributors Peter Alsop Ben Apter Jonathan Boston Holly Briffa Simon Chapple Alex Collie Isabelle Collins Steffan Crausaz Jo Cribb Sir Michael Cullen Killian Destremau Elizabeth Eppel Diane Garrett Derek Gill David Hanna Gary Hawke Sarah Hogan Tim Hughes Girol Karacaoglu Gail Kelly Michael Mintrom Graham Scott Verna Smith Simon Wakeman Peter Wilson Amanda Wolf John Yeabsley and Warren Young

Religion in Secular Education Cathy Byrne, 2014-01-09 Cathy Byrne presents the secular principle as a guiding compass for religion in government schools in plural democracies Using in depth case studies historical and contextual research from Australia and comparisons with other developed nations Religion in Secular Education provides a comprehensive at times confronting analysis of the ideologies policies pedagogies and practices for state school religion In the context of rising demands for students to develop intercultural competence and interreligious literacy and alongside increasing Christian evangelism in the public arena this book highlights risks and implications as education develops religious identity in individual children and in nation states Byrne proposes a best practice framework for nations attempting to navigate towards socially inclusive outcomes and critical thinking in religions education policy
