Socialism And Bureaucracy:

Socialism and Bureaucracy András Hegedüs,1976 Bureaucracy Ludwig Von Mises,1969 Disorganizing China Eddy U,2022 This book offers a new interpretation of socialism and its failure in the last century and takes on the conventional view that socialist China and other Soviet type societies represented the domination of bureaucracy Using a wealth of original archival sources interview data and comparative material Eddy U argues that these societies were not bureaucratic enough The ruling regimes established a form of workplace administration that is the antithesis of modern bureaucratic organization Because the workplace lacked rational rules and practices Soviet type societies were marred by technical inefficiency political resentment and social friction But U does not merely expose workplace disorganization in Soviet type societies his theoretically and empirically grounded research raises questions about the contention that socialism has been proven unworkable He concludes that strengthening the rational capacity of the state may still be the key to improving social and economic justice **The Bureaucratization of Socialism** Donald Clark Hodges,1981 We are currently updating our website and have not yet posted complete information for this title Many of our books are in the Google preview program which allows readers to view up to 20% of the book If this title is active in the program you will find the Google Preview button in the sidebar below **Max Weber : critical assessments. 2,3** Peter Hamilton,1998

Socialism and Bureaucracy Wyndraeth Humphreys Morris-Jones,1971 **Social Cohesion and Legal Coercion** Leon Shaskolsky Sheleff,1997 The book is a critical analysis of the work of Max Weber Emile Durkheim and Karl Marx It focuses on their separate analyses of the role of law in society pointing out their faults and errors and the resultant impact on modern social science The author takes issue with Weber s work on rationality with Durkheim s work on repressive and restitutive law and with Marx s work on social justice and law as part of the super structure In each section of the book he shows the implications that flow from a re assessment and re interpretation of their work for an understanding of society The book is multi disciplinary making ample reference to law sociology anthropology history religion ecology criminology philosophy and economics Its various chapters discuss a wide range of themes including rationality tradition science political authority conflict resolution community justice and altruism *Bureaucracy Against Democracy and Socialism* Ronald Glassman,William H. Swatos Jr.,Paul Rosen,1987-09-18 This collection of essays represents a comprehensive socio political analysis of public and private bureaucracy emphasizing its dangerous ramifications for democracy and individualism The contributors analyze a variety of bureaucratic systems providing a combination of theory case studies and proposed solutions in an effort to enable the reader to confront the real problems of bureaucracy Emphasis is on programs and principles directed to the maintenance of democracy and freedom within the limits and conditions of modernity *Bureaucracy Against Democracy and Socialism* offers valuable implications for anyone interested in organizational theory and behavior
