Student Engagement in Higher Education Stephen John

Quaye, Shaun R. Harper, Sumun L. Pendakur, 2019-11-27 In the updated edition of this important volume the editors and chapter contributors explore how diverse populations of students experience college differently and encounter group specific barriers to success Informed by relevant theories each chapter focuses on engaging a different student population including low income students Students of Color international students students with disabilities religious minority students student athletes part time students adult learners military connected students graduate students and others New in this third edition is the inclusion of chapters on Indigenous students student activists transracial Asian American adoptee students justice involved students student parents first generation students and undocumented students The forward thinking practical anti deficit oriented strategies offered throughout the book are based on research and the collected professional wisdom of experienced educators and scholars at a range of postsecondary institutions Current and future faculty members higher education administrators and student affairs educators will undoubtedly find this book complete with fresh ideas to reverse troubling engagement trends among various college student populations Becoming Socialized in Student Affairs

Administration Ashley Tull, Joan B. Hirt, Sue Saunders, 2023-07-03 Effective socialization of new student affairs professionals is essential both for the individual success of these practitioners and for the work of a college or university that promotes student learning It enables new professionals to manage the important personal and professional transitions they experience throughout their careers engage in continuous professional development and achieve high levels of productivity It also counteracts the high attrition rate among new hires with all the attendant costs to the institution in terms of resources spent on recruiting hiring training supervising and developing staff talent The socialization process for new professionals includes formal and informal elements that influence both success and quality of work life This process is far more complex than a single orientation program organized by a unit or division Rather it is a comprehensive process where both the new professional and organization learn about and from each other in ways that influence working relationships and individual and organizational outcomes Part I of this book defines the concept explains its value and offers a model of socialization Part II examines the institutional context in which the socialization of new professionals occurs and describes how different institutional types influence the socialization process It considers the changing characteristics of college students and how these impact the work of student affairs In addressing the extra institutional and professional contexts Part III considers the role that graduate education plays in preparing new professionals for work in student affairs and offers guidance to faculty and practitioners involved in graduate education about what they can do to introduce graduate students to professional life It addresses the importance of professional orientation activities the roles of supervision and mentorship as well as the impact of peers and institutions on the socialization process It concludes with a discussion of the role and importance of professional associations This book is intended for graduate program faculty for senior student affairs officers concerned about developing and retaining the new staff and for administrators and leaders in student affairs shaping the future of the

profession For new professionals themselves it offers insights on the path to professionalization *Improvising With and In Higher Education* Luke Perone, 2025-10-03 How and why does improvisational theater improv serve the learning and development of adults in higher education What new approaches to higher education are possible with and because of improv activities This edited collection considers these questions while illustrating the power of improv activities with and in higher education to co create revolutionary opportunities for holistic human development learning community building social change and research Moreover this collection emphasizes the presence and significance of life span imaginative play in the form of improv both as a topic of scholarship and as a means of teaching learning research and administration in higher education It provides illustrations of the imaginative playful activities of the authors and offers reflections of theoretical groundings for and current sociopolitical contexts of these activities
