Seminar Papers*, 1983 *Seminar papers / Society of Biblical Literature : annual meeting. 1983* Society of Biblical Literature, 1983 The Trial Narratives Matthew L. Skinner, 2010-01-01 In this careful analysis Matthew Skinner explores the trial narratives of Jesus Paul Stephen and others in the Gospels and Acts who found themselves brought before powerful individuals and groups often with deadly consequences His close study of these texts is essential for those interested in the early church's relationship to the sociopolitical structures in which Christian belief emerged He shows how the narratives helped shape early Christian identity as these communities sought to understand both the political implications of the emerging Christian gospel as well as the dangers and opportunities their sociopolitical context presented He also reflects on the theological resources and paradigms these texts offer to Christians today **Society of Biblical Literature 1983**

Seminar Papers, 1983 **Seconding Sinai** Hindy Najman, 2003 This work criticizes the terms Pseudepigraphy and Rewritten Bible which presuppose conceptions of textual fidelity foreign to ancient Judaism It develops the concept of a discourse whose creativity and authority depend on repeated returns to the exemplary figure of a founder **Mark 8:27-16:20, Volume 34B** Craig A. Evans, 2018-01-09 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the

text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary Jesus: A New Vision Marcus J. Borg, 2009-10-13 In this exciting and thought provoking work top Bible expert Marcus J Borg portrays Jesus as a charismatic healer sage and prophet who is still an inspiring figure today Returning to the topic of his first book Jesus A New Vision Borg introduces us to a Jesus we have never met before a revolutionary figure who possesses a more exciting moral vision than that of traditional Christianity According to Jesus a movement in the church today is catching up with where scholarship has brought us in understanding Christian origins Borg argues that once the church discards the archaic doctrines it currently embraces Christians will be able to appreciate Jesus in a whole new way Jesus is another remarkable work of scholarship from Marcus Borg Marcus J Borg author of the bestseller Heart of Christianity is Hundere Distinguished Professor of Religion and Culture at Oregon State University and author of the bestselling Meeting Jesus Again for the First Time Reading the Bible Again for the First Time and The God We Never Knew and coauthor of Jesus A New Vision with N T Wright He was an active member of the Jesus Seminar when it focused on the historical Jesus and he has been chair of the Historical Jesus section of the Society of Biblical Literature In every generation there is a handful of writers of whom it can be said Read everything they write Marcus Borg is one of these today Walter Wink author of The Human Being **Other Followers of Jesus** Joel Williams, 1994-06-01 The Gospel of Mark includes a series of similar episodes in which he presents minor characters and their response to Jesus These individuals are neither disciples nor opponents of Jesus but rather people who are drawn in a broad sense from the crowd Mark presents these characters either as suppliants or as those who exemplify a proper response to Jesus and his way The purpose of this narrative study is to explore the effect of Mark s presentation of minor characters on the reader It traces Mark s treatment of these individuals through the narrative and shows how Mark s presentation of minor characters moves the reader toward an acceptance of the demands of following Jesus **Divine Visitations and Hospitality to Strangers in Luke-Acts** Joshua W. Jipp, 2013-09-12 This study presents a coherent interpretation of the Malta episode by arguing that Acts 28 1 10 narrates a theoxeny that is an account of unknowing hospitality to a god which results in the establishment of a fictive kinship relationship between the Maltese barbarians and Paul and his God In light of the connection between hospitality and piety to the gods in the ancient Mediterranean Luke ends his second volume in this manner to portray Gentile hospitality as the appropriate response to Paul s message of God s salvation a response that portrays them as hospitable exemplars within the Lukan narrative and contrasts them with the Roman Jews who reject Paul and his message
