Sociological Explanation As Translation:

Sociological Explanation As Translation Stephen P. Turner, 1980-06-30 First published in 1980 this book examines the nature of sociological explanation The tactics of interpretive sociology have often remained obscure because of confusion over the nature of the evidence for interpretation and the nature of decisions among alternative interpretations In providing an account of the problem of interpretive sociological claims the author argues that there is rationality to interpretation He also presents a fresh view of the relationship between qualitative and statistical claims and shows their complementary character Dr Turner s lucid and comprehensive analysis breaks new ground in its fundamental re examination of the conceptual basis for explaining social behaviour By its call for more rigorous conceptual sophistication in attempted explanations of social behaviour this book will stimulate controversy and lively discussion among sociologists

The Routledge Handbook of Translation and Sociology Sergey Tyulenev, Wenyan Luo, 2024-11-13 The Routledge Handbook of Translation and Sociology is the first encyclopaedic presentation of the research into social aspects of translation and interpreting It consists of thirty five chapters contributed by forty experts in their respective fields of the sociology of translation The Handbook traces the evolution of research into social aspects of translation and interpreting explains the basics of the sociology of translation offers an insight into studies of translation within sociology shows the place translation and interpreting occupies among social functional systems and its interactions with social forces and practices With global coverage spanning all inhabited continents the Handbook examines translational practices across diverse cultures and historical periods from ancient origins to modern professional practices Suitable for both undergraduate and postgraduate students of translation and interpreting as well as researchers in the sociology of translation the Handbook furnishes readers with a comprehensive understanding of the field It offers a thorough exploration of the current state of the sociology of translation and suggests avenues for further research

Cosmopolitanism and Translation Esperanca Bielsa, 2016-05-20 The first book to systematically demonstrate via case studies the importance of translation to the study of cosmopolitanism and social thought and vice versa Provides a wide range of theoretical and methodological insights on the relationship between cosmopolitanism and translation

Stephen Turner and the Philosophy of the Social Christopher Adair-Totef, 2021-02-08 In this volume the philosophical writings of Stephen Turner on social science and the social are examined critically in essays by major scholars in philosophy and sociology from all over Europe and the United States The topics covered include his intellectual trajectory and issues over the concepts of practices the belief desire model of action explanation normativity and collectivities These issues form the core of the philosophy of social science and are central to the history of the social sciences In addition there are substantive discussions of the relation of cognitive science to economics and Weber of ethnography and of the legacy of Talcott Parsons The volume includes Turner s response to these essays which also presents a synthesis and retrospective overview With contributions by Christopher Adair Totef Alban Bouvier David Henderson John

Holmwood Terence Horgan Peter Olen Mark Risjord Paul Roth Theodore R Schatzki Karsten Stueber Sam Whimster Rafa Wierzchos awski and Julie Zahle as well as Stephen Turner himself **Sociologies of Poetry Translation** Jacob Blakesley,2018-11-29 While the sociology of literary translation is well established and even flourishing the same cannot be said for the sociology of poetry translation Sociologies of Poetry Translation features scholars who address poetry translation from sociological perspectives in order to catalyze new methods of investigating poetry translation This book makes the case for a move from the singular sociology of poetry translation to the pluralist sociologies in order to account for the rich variety of approaches that are currently emerging to deal with poetry translation It also aims to bridge the gap between the cultural turn and the sociological turn in Translation Studies with the range of contributions showcasing the rich diversity of approaches to analysing poetry translation from socio cultural socio historical socio political and micro social perspectives Contributors draw on theorists including Pierre Bourdieu and Niklas Luhmann and assess poetry translation from and or into Catalan Czech English French German Italian Russian Slovakian Spanish Swahili and Swedish A wide range of topics are featured in the book including trends in poetry translation in the modern global book market the commissioning and publishing of poetry translations in the United States of America modern English language translations of Dante women poet translators in mid 19th century Ireland translations of Russian poetry anthologies into modern English the translation of Shakespeare s plays and sonnets in post colonial Tanzania and socialist Czechoslovakia translations and translators of Italian poetry into 20th and 21st century Sweden modern European poet translators and collaborative writing between prominent English and Spanish poet translators *Translation and Interpreting as Social Interaction* Claire Y. Shih,Caiwen Wang,2024-01-11 Adopting the tripartite theory of social psychology as its theoretical framework this book advocates that the three components of social interaction affect behaviour and cognition underpin the daily activities of translators and interpreters In particular it argues that the affect or emotion of translators and interpreters should not be overlooked or treated as a separate entity but as a crucial link between their mental process cognition and physical process behaviour This central theme of the intertwining nature of the affect behaviour and cognition of translators and interpreters is examined theoretically empirically and methodologically with contributions from around the world featuring literary translation translator training and interpreters practice It is a timely contribution to the field of Translation Process Research where affect is increasingly recognised as playing a key role in translation and interpreting phenomena Translation and Big Details Jeroen Vandaele,2023-12-11 In the age of big data evidence keeps suggesting that small elusive and infrequent details make all the difference in our appreciation of humanistic texts film fiction and philosophy This book argues from a cross disciplinary perspective that expertise in humanistic translation is precisely the capacity to capture those details that are bigger than they seem In humanistic translation the expert handling of big details usually serves audiences and the original but mala fide translation also works the details for subtle manipulation and audience deception A focus on textual

detail is therefore characteristic of humanistic translators but also compatible with central claims of the cultural turn in translation studies This book written by a scholar and teacher of literary essayistic and audiovisual translation endeavors to articulate a seemingly dual interest on textual detail and cultural analysis as a single one It theorizes connections between micro and macro analysis between translation as detail and translation as culture thus hoping to build bridges between humanistic translators and translation scholars It acknowledges tensions between practice and theory and proposes a way forward practitioners and scholars share ways of thinking varieties of part whole thinking that machines can never acquire

Meaning and Method in the Social Sciences Paul A. Roth, 2019-05-15 Paul A Roth's book examines an important controversy in the philosophy of the social sciences that has developed since the demise of logical positivism and its conception of rationality Roth contends that this controversy a dispute over the canons of rationality is the product of the mistaken belief in methodological exclusivism Drawing on work in contemporary epistemology by W V O Quine Richard Rorty and Paul Feyerabend he argues that no single theory of human behavior has methodological priority indeed the existence of a plethora of theories for the study of human behavior he believes is an inevitable consequence of our epistemic situation

Routledge Encyclopedia of Translation Studies Mona Baker, Gabriela Saldanha, 2019-09-20 The Routledge Encyclopedia of Translation Studies remains the most authoritative reference work for students and scholars interested in engaging with the phenomenon of translation in all its modes and in relation to a wide range of theoretical and methodological traditions This new edition provides a considerably expanded and updated revision of what appeared as Part I in the first and second editions Featuring 132 as opposed to the 75 entries in Part I of the second edition it offers authoritative critical overviews of additional topics such as authorship canonization conquest cosmopolitanism crowdsourced translation dubbing fan audiovisual translation genetic criticism healthcare interpreting hybridity intersectionality legal interpreting media interpreting memory multimodality nonprofessional interpreting note taking orientalism paratexts thick translation war and world literature Each entry ends with a set of annotated references for further reading Entries no longer appearing in this edition including historical overviews that previously appeared as Part II are now available online via the Routledge Translation Studies Portal Designed to support critical reflection teaching and research within as well as beyond the field of translation studies this is an invaluable resource for students and scholars of translation interpreting literary theory and social theory among other disciplines *Conceptions of Social Inquiry* J. J. Snyman, 1993

The Top Books of the Year Sociological Explanation As Translation The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Sociological Explanation As Translation : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Sociological Explanation As Translation : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sociological Explanation As Translation : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
