The Garden Tutorwith Gardening Kit:

Anna's Shtetl Lawrence A. Coben,2011-01-25 A rare view of a childhood in a European ghetto Anna Spector was born in 1905 in Korsun a Ukrainian town on the Ros River eighty miles south of Kiev Held by Poland until 1768 and annexed by the Tsar in 1793 Korsun and its fluid ethnic population were characteristic of the Pale of Settlement in Eastern Europe comprised of Ukrainians Cossacks Jews and other groups living uneasily together in relationships punctuated by violence Anna s father left Korsun in 1912 to immigrate to America and Anna left in 1919 having lived through the Great War the Bolshevik Revolution and part of the ensuing civil war as well as several episodes of more or less organized pogroms deadly anti Jewish riots begun by various invading military detachments during the Russian Civil War and joined by some of Korsun s peasants In the early 1990s Anna met Lawrence A Coben a medical doctor seeking information about the shtetls to recapture a sense of his own heritage Anna had near perfect recall of her daily life as a girl and young woman in the last days in one of those historic but doomed communities Her rare account the product of some 300 interviews is valuable because most personal memoirs of ghetto life are written by men Also very often Christian neighbors appear in ghetto accounts as a stolid peasant mass assembled on market days as destructive mobs or as an arrogant and distant collection of government officials and nobility Anna s story is exceptionally rich in a sense of the Korsun Christians as friends neighbors and individuals Although the Jewish communities in Eastern Europe are now virtually gone less than 100 years ago they counted a population of millions The firsthand records we have from that lost world are therefore important and this view from the underrecorded lives of women and the young is particularly welcome *The Gardeners' Chronicle* ,1904 *Gardeners' Chronicle* ,1904 **The Wind's Story** Anne B. Udy,2015-11-30 This is a story she told herself over many months It just grew and grew until it had to be written down A king rejects his son s choice of a wife A princess lives in a slum unaware of her father s identity A prince works as a gardener to make ends meet Royalty are not always royal but everyone has to find ways to surmount obstacles Coastal Britain: England and Wales Stuart Fisher,2019-04-18 When all her islands are taken into consideration the British coastline spans almost 8 000 miles which is longer than both Brazil s and Mexico s From the clear blue waters of serene Cornish bays to the tempestuous seas around rugged Pembrokeshire headlands this new book journeys around the varied shorelines of England and Wales to complete the most comprehensive survey ever taken Stuart Fisher bestselling author of the similarly comprehensive Canals of Britain visits all the places of interest along the entire coastline of England and Wales from remote countryside to modern cities exploring history and heritage striking architecture and dramatic engineering wildlife wonderful flora and fauna art and literature His journey takes him from industrial hubs to small villages and fishing communities providing a keen insight into what makes each stretch of Britain s shoreline unique and special Evocative and often dramatic colour photographs help capture the great variety of the coast and maps book covers stamps and local artefacts help convey the character of each area This comprehensive and absorbing survey is a
