The Gathering Of Zion:

The Gathering of Zion Wallace Earle Stegner, 1964-01-01 Pulitzer Prize winning author Wallace Stegner tells about a thousand mile migration marked by hardship and sudden death but unique in American history for its purpose discipline and solidarity Other Bison Books by Wallace Stegner include *Mormon Country* *Recapitulation* *Second Growth* and *Women on the Wall* **The Gathering of Zion** Wallace Stegner, 1966 *Library Notes* Lida L. Greene, *Villages on Wheels* Stanley Buchholz Kimball, 2011 Mormon travels often made at great sacrifice began in a first move in 1831 from New York and Pennsylvania and on to Ohio Missouri and Illinois Then came the the great wagon and handcart exodus from Nauvoo Illinois to the Great Salt Lake starting in 1846 When the railroad reached Promontory Summit in northern Utah in 1869 emigrants could then come by railroad nearly all the way This social history shows what the Mormons lived in and believed in through these early years **Villages on Wheels** Violet T. Kimball, Stanley B. Kimball, 2011-12-15 The enduring saga of Mormonism is its great trek across the plains and understanding that trek was the life work of Stanley B Kimball master of Mormon trails This final work a collaboration he began and which was completed after his death in 2003 by his photographer writer wife Violet explores that movement westward as a social history with the Mormons moving as villages on wheels Set in the broader context of transcontinental migration to Oregon and California the Mormon trek spanned twenty two years moved approximately 54 700 individuals many of them in family groups and left about 7 000 graves at the trailside Like a true social history this fascinating account in fourteen chapters explores both the routines of the trail cooking cleaning laundry dealing with bodily functions and the dramatic moments encountering Indians and stampeding buffalo giving birth losing loved ones to death dealing with rage and injustice but also offering succor kindness and faith Religious observances were simultaneously an important part of creating and maintaining group cohesiveness but working them into the fabric of the grueling day to day routine resulted in adaptation including a sliding Sabbath The role played by children and teens receives careful scrutiny not only did children grow up quickly on the trail but the gender boundaries guarding their separate spheres blurred under the erosion of concentrating on tasks that had to be done regardless of the age or sex of those available to do them Unexpected attention is given to African Americans who were part of this westering experience and Violet also gives due credit to the four legged heroes who hauled the wagons westward **Saints Herald**, 1877 *A Chosen People, a Promised Land* Hokulani K. Aikau, 2012 How Native Hawaiians experience of Mormonism intersects with their cultural and ethnic identities and traditions **The Latter-Day Saints' Millennial Star**, 1871 *The Columbia Sourcebook of Mormons in the United States* Terryl L. Givens, Reid L. Neilson, 2014-08-12 This anthology provides rare access to key original documents illuminating Mormon history theology and culture in the United States from the nineteenth century to today Brief introductions describe the theological significance of each text and its reflection of the practices issues and challenges that have defined and continue to define the Mormon community These documents balance mainstream and

peripheral thought and religious experience institutional and personal perspective and theoretical and practical interpretation representing pivotal moments in LDS history and correcting decades of misinformation and stereotype The authors of these documents male and female not only celebrate but speak critically and question mainline LDS teachings on sexuality politics gender race polygamy and other issues Selections largely focus on the Salt Lake based LDS tradition with a section on the post Joseph Smith splintering and its creation of a variety of similar yet different Mormon groups The documents are arranged chronologically within specific categories to capture both the historical and doctrinal development of Mormonism in the United States

Zion's Watch Tower and Herald of Christ's Presence, 1929 **The Gathering** Maurine Jensen Proctor, Scot Facer Proctor, 1996 *God, Heaven, and Har Magedon* Meredith G. Kline, 2006-03-15 From the Author's Preface It could be this octogenarian's last book and there were several things I wanted to do One was to provide a primer in covenant theology Another was to make more accessible the gist of some of my previous biblio theological studies and to do so in a form serviceable to a wider readership than most of my publications The major move in this democratic direction was to enliven the analysis of the covenants by introducing the series of covenant administrations within the intriguing story line of Har Magedon the mountain of God Extending as it does from creation to consummation the tale of Har Magedon readily accommodates the total history of the covenants Moreover quite apart from such considerations the current state of secularized and dispensational versions of Armageddon fantastic fiction all makes a review of the biblical Har Magedon motif timely Though the covenants remain the theological foundation and heart of the matter by its adoption as our narrative framework Har Magedon becomes the dominant surface theme As we track this theme through the Scriptures we discover a recurring pattern an eschatological megastructure that appears in each of the typological world ages culminating respectively at mounts Ararat and Sinai Zion and then once again climactically in the antitypical New Covenant age This Har Magedon paradigm which shapes our telling of the covenantal tale consists in the following complex of elements establishment of a kingdom covenant by the Lord of Har Magedon a meritorious accomplishment by the covenant grantee triumphant in the Har Magedon conflict a common grace interim before the coming of the covenanted kingdom an antichrist crisis consummation of the Glory Kingdom through a last judgement victory of the covenant Lord in a final battle of Har Magedon If only in condensed digest fashion the present work is thus a comprehensive biblio theological survey of the kingdom of God from Eden to the New Jerusalem

Eternity in the Ether Gavin Feller, 2023-01-10 Mass media and the Church of Jesus Christ of Latter day Saints evolved alongside each other and communications technology became a fundamental part of the Church's institutions and communities Gavin Feller investigates the impact of radio television and the internet on Mormonism and what it tells us about new media's integration into American life The Church wrestled with the promise of new media to help implement its vision of Zion But it also had to contend with threat that media posed to the family and other important facets of the Latter day Saint faith Inevitably media technologies forced the leadership and lay

alike to reconsider organizational values and ethical commitments As Feller shows the conflicts they faced illuminate the fundamental forces of control and compromise that enmesh an emerging medium in American social and cultural life Intriguing and original Eternity in the Ether blends communications history with a religious perspective to examine the crossroads where mass media met Mormonism in the twentieth century **Improvement Era** ,1903 Jesus on the Mountain: A Study in Matthew Terence Donaldson,1987-03-01 Donaldson s book on Jesus on the Mountain assesses the use of the mountain motif in the Gospel of Matthew and argues for its significance in a myriad of ways both as a literary device and a theological symbol He argues that the order of the book may even have been subverted in order that the literary device of the book ending of the mount of temptation and commission may be prominent and bear impact Donaldson s argument is a fascinating and insightful comment on the narrative of Matthew and the use of literary device to complement theological symbol by the author **Zion's Works** John Ward,1901 **Eschatology and the Use of Psalms in Hebrews** Seth Whitaker,2025-06-12 Seth Whitaker argues that the Psalm texts function as the structural and theological backbone of Hebrews from start to finish and that few scholars have examined the use of Psalms outside of quotations or connected the author of Hebrews use of Psalms with his broader eschatological outlook Whitaker suggests that the author s eschatology is his dominating exegetical assumption allowing numerous psalms to be read with multiple meanings Whitaker further suggests that Psalms for the author of Hebrews not only provide messianic material for his exegetical commentary but also speak to a deeper interpretive tradition that is detectable through scriptural allusions shared motifs and narrative structures Whitaker examines three passages of Hebrews 1 5 13 12 18 28 and 13 15 which correspond to three perceived gaps in scholarship the relationship between quoted texts the author s cultural encyclopedia and the function of scriptural allusions By focusing on Psalms and the eschatological nature of the author of Hebrews exegesis Whitaker concludes that readers will be better suited to situate Hebrews in relation to other Second Temple and early Jewish interpretive traditions
