The Gay Face Of God:

The Gay Face of God Bruce Simpson, Bruce J. Simpson, 2004-04 The Gay community has triggered the greatest social debate in American history since the Civil Rights movement of the 1960 s Not only has gay marriage seized the total attention of the American conservative movement but also the medieval and border line hysterical consciousness of the Roman Catholic Church as well as other churches worldwide This is the story of a man born of an act of violence who grew up as a gay man to become an Archbishop in the Old Catholic Church in America Archbishop Bruce J Simpson s theology and beliefs on the subject of the GLBT community and its place in the world and in particular in the Church flies in the face of most traditions and governmental positions These positions and beliefs have been formed out of his unique experiences growing up in the military police departments brief connection with the Saudi Royal family federal Government and the Roman Catholic Church His story both saddens one at the trials faced in his youth to joy at his many successes as an adult gay man in America *The Gay Face of God* Archbishop Bruce J. Simpson, 2009-03-16 This is the story of a gay man who grew up in New Jersey went on to join the Air Force during Vietnam and became a Police Officer upon leaving This man then became a Magistrate Bodyguard to Royalty Federal Agent and senior Federal Government employee Along the way he left the Roman Catholic church as a seminarian and joined the Old Catholic church where he eventually became an Archbishop of the Benedictine Order of St John the Beloved

The 2 Faces of a Preacher's Wife Toni J. Spearman, 2013-03-27 She cringed Her feet felt like they were engulfed in cement and she couldn t move Please God don t let my husband call me up there she begged but of course he did He was the guest preacher and he always called on his wife to help him during altar call As she walked down the aisle she repented feverishly Why Because she was an undercover lesbian married to a preacher living a double life most miserable Dear God help me please she begged I m trying to fight these feelings I have struggled with this all my life I don t want to pray for these young people I m so unworthy Tears began to slide down her cheeks It was as if her prayers were void of meaning When will I ever get free Lord When will my struggle end she asked as she laid her hands on a young lady in the prayer line who had come down to get saved *Called Out with* Sylvia Thorson-Smith, Norm Pott, 1997-01-01 This is an edited work of stories from Westminster John Knox Press written by heterosexuals in support of lesbian gay bisexual and transgendered persons who desire opportunities for leadership within the Presbyterian Church U S A

The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation Msgr. A. Robert Nusca, 2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca s *The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation* proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading

of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John's God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness *The Pageant of America, a Pictorial History of the United States*, 1927 *The Fall of Man and Other Sermons* Frederic William Farrar, 1878 Two Faces, Fire and Love

Antonio Restituyo, 2022-05-02 This book is the real life of many Christians around the world This book talks about the two faces of love and fire that today are in many Christian people and they cause the many people who see them to not want to go to church or be near Christian people Many times the fault of having these two faces in the churches comes from the same church from its priests pastors and leaders oftentimes because of the bad image of Christianity created by the Christians themselves An incorrect image an image different from the one that Christ wants He wants an image of love that begins with you and flows toward others not from others toward you It is only this love your neighbor as yourself An image with only one face based on what Christ wants is what you will read in this book Him sacrificing Himself and the value of His blood shed for our salvation is what I look forward to you seeing in this book **Out of the Crucible (Treasure Quest Book #2)** Marian Wells, 1988-09-01 Set against the rigors of frontier life in the West Colorado Gold was the dramatic first book in the new Treasure Quest historical fiction series Bestselling author Marian Wells introduced her readers to Amy Randolph and Daniel Gerrett whose marriage started on shaky ground nearly fell apart and finally was restored Out of the Crucible continues their story As much as Amy loves Daniel being the wife of an elder in the Methodist Episcopal Church during the circuit riding days is difficult Saying goodbye every Monday without knowing if he'll be back for the weekend wondering if he's met up with Indians traveling between mining communities the dreaded monotony and ruggedness of the mining town her promise of love had been easy but her commitment was being tested Then into their lives breaks the Civil War Since late 1861 the Texas Rangers have been pushing their way into New Mexico Territory and a voluntary army from Colorado Territory is formed to defend their gold and their land This finally takes place at the battle of Glorieta Pass with Amy and Daniel in the middle of it all A powerful story of promises and commitments that challenge readers with a strong spiritual message

Heaven by Surprise Robert M. Mitchell, 2004 This book draws the reader into the heart and soul of a pastor Having shepherded New England churches for thirty five years he speaks his mind openly and offers opinions without apology but with compassion befitting a minister of the Gospel The writings are a compilation of stories from his personal diary that will touch the heart and tickle the funny bone There is the risk as you read however of shedding a tear or two and the probability of laughing out loud as he affectionately introduces us to the wide variety of people he served Just when you think you've

heard it all he offers up another tale to arouse your interest It s not a read at one sitting kind of book but may be picked up and delved into for as little as a few minutes at a time But for those who want to curl up with a good book for an hour of pleasure on a rainy afternoon this will fill the bill Mitchell feels obligated at this time in his life to share stories that ought to be told lest they be forgotten They re worth recording and are too good not to remember

Callin' out the Gays Larkin Ellzey, 2021-04-12 For thirty eight years author Larkin Ellzey lived the quintessential Southern and American life in nearly every respect Every respect but one he is the last person on earth who wants to be gay but he is and there is nothing he can do to change it As such he wants to change the stigma that encompasses the natural occurrence of same sex attraction In *Callin Out the Gays* he highlights the backward reality of homosexuality and demonstrates how everyone gay straight and in between has handled the concept in a devastatingly wrong way Focusing on the societal and political issues facing homosexual people he proposes a swift shift in strategy and a plan for rebranding Employing thought provoking rationale Ellzey presents a plea to utilize all resources in putting forward a campaign to improve the public s misguided perception of homosexuality On the other side of the spectrum he questions the motives of straight people actively opposed to gay people breaks down the flawed religious argument and encourages gay people who are faking straight to help homosexuals out with their numbers issue With a little bit of humor a dose of sarcasm tons of pop culture and political references and an age of the internet style *Callin Out the Gays* offers Ellzey s unique personal story in the form of a proposal to society for a refresher and a revived outlook one focused on reasonability as well as accountability
