

The Geffrye Almshouses

George Topham Forrest

The Geffrye Almshouses:

The Geffrye Almshouses Neil Burton, 1979 **Almshouses in Early Modern England** Angela Nicholls, 2017 This book is an examination of early modern English almshouses in the mixed economy of welfare Drawing on archival evidence from three contrasting counties Durham Warwickshire and Kent between 1550 and 1725 the book assesses the contribution almshouses made within the developing welfare systems of the time and the reasons for the enduring popularity of this particular form of charity Post Reformation almshouses are usually considered to have been places of privilege for the respectable deserving poor operating outside the structure of parish poor relief to which ordinary poor people were subjected and making little contribution to the genuinely poor and needy This book challenges these assumptions through an exploration of the nature and extent of almshouse provision it examines why almshouses were founded in the late sixteenth and seventeenth centuries who the occupants were what benefits they received and how residents were expected to live their lives The book reveals a surprising variation in the socio economic status of almspeople and their experience of almshouse life A History of the Geffrye Almshouses Kathy Haslam, Geffrye Museum (London, England), 2005* The Parish of St. Leonard, Shoreditch George Topham Forrest, 1922 Survey of London Joint Publishing Committee Representing the London County Council and the London Survey Committee, 1922 Survey of London: St. Leonard, Shoreditch, 1922

The Single Homemaker and Material Culture in the Long Eighteenth Century David Hussey, Margaret Ponsonby, 2016-03-03 The Single Homemaker and Material Culture in the Long Eighteenth Century represents a new synthesis of gender history and material culture studies It seeks to analyse the lives and cultural expression of single men and women from 1650 to 1850 within the main focus of domestic activity the home Whilst there is much scholarly interest in singleness and a raft of literature on the construction and apprehension of the home no other book has sought to bring these discrete studies together Similarly scholarly work has been limited in evaluating gendered consumption practices during the long eighteenth century because of an emphasis on the homes of families Analysing the practices of single people emphasises the differences but also amplifies the similarities in their strategies of domestic life **Histories of Everyday Life** Laura Carter, 2021 This book is a social history of popular history in Britain between the end of the First World War and the 1970s It considers how ordinary people were taught history through books in school and museums and on BBC radio

Almshouses Brian J. Bailey, 1988 **The Almshouses of London**, 1987 **Houses and Cottages of Britain** R. W. Brunskill, 2000-01-01 The sequel to Traditional Buildings of Britain traces the origins and development of traditional buildings by going inside the houses and revealing from their plans how they evolved from basic accommodation to homes giving comfort and privacy The book shows how local traditional materials earth timber stone brick were used in the construction of the buildings **London** Bridget Cherry, Nikolaus Pevsner, 2002-01-01 This volume on London architecture covers the boroughs of Barnet Camden Enfield Hackney Haringey and Islington It gives a view of London's expansion northward from

formal Georgian squares to the hill towns of Hampstead and Highgate Interpreting Anniversaries and Milestones at Museums and Historic Sites Kimberly A. Kenney, 2016-11-09 Interpreting Anniversaries and Milestones at Museums and Historic Sites is an invaluable resource for a wide range of cultural organizations that are attempting to plan an historical anniversary celebration or commemoration including museums churches cities libraries colleges arts organizations science centers historical societies and historic house museums As you plan a milestone anniversary for your institution learn from what others have already accomplished in their own communities What worked What didn't work And why The book begins with an examination of why people are drawn to celebrating and commemorating anniversaries in their own lives and in their communities as well as the institutional benefits of planning this type of programming The rest of the book features case studies of specific institutions that have planned and executed an anniversary celebration or commemoration In depth interviews with key staff members involved in the planning process at each organization provide the reader with ideas that can be adapted to their own celebrations as well as pitfalls to avoid funding opportunities marketing plans and visitor response Chapters are organized by the type of anniversary activity Signature Events Programs and Tours Fundraising Campaigns Exhibitions Books and Documentaries Audience Outreach and Community Involvement Preservation Partnerships Commemorative Products and Souvenirs A wide range of sizes and types of organizations are represented from across the country and around the world including the Smithsonian National Museum of American History The Andy Warhol Museum The Imperial War Museum Mackinac State Historic Parks Woodrow Wilson House the National Corvette Museum Stan Hywet Cincinnati Preservation Society the Fort Wayne Children's Zoo the City of South Bend and much more Plans can be scaled up or down depending on your institution's resources **Pocket Rough Guide London** Rob Humphreys, 2011-01-20 The Pocket Rough Guide London is your essential guide to the British capital covering all the key sights hotels restaurants shops and bars you need to know about The easy to use Pocket Rough Guide London includes brand new itineraries and a Best of London section picking out the highlights you won't want to miss plus detailed listings to guide you from the mind boggling treasure trove of the British Museum to the gargantuan exhibition spaces of the Tate Modern or the latest champions of London's culinary revolution Whether you have a few days or a week to fill The Pocket Rough Guide London will help you make the most of your trip **Fodor's See It London, 5th Edition** Fodor's, Fodor's Travel Publications, Inc. The Rough Guide to London Rob Humphreys, Samantha Cook, 2014-02-03. The Rough Guide to London is the ultimate travel guide to one of the world's most exciting cities. In full color throughout and with dozens of photos to illustrate London's great buildings, iconic landmarks and distinctive neighborhoods, this updated guidebook will show you the best the city has to offer, from Olympic Park to markets and museums, gourmet restaurants and hidden pubs. London has something for everyone: art galleries and shopping arcades, spacious parks and grand palaces. And The Rough Guide to London uncovers it all. Detailed color maps for each neighborhood, plus a tube map and practical information on all the essentials, make getting around easy. With chapters dedicated to the best hotels, restaurants and cafés, pubs and bars, live music and clubs, shops, theater, kids' activities and more, you'll be sure to make the most of your time in the city with The Rough Guide to London. Now available in ePub format.

London's East End Jonathan Oates, 2018-05-30. The East End is one of the most famous parts of London and it has had its own distinctive identity since the district was first settled in medieval times. It is best known for extremes of poverty and deprivation, for strong political and social movements and for the extraordinary mix of immigrants who have shaped its history. Jonathan Oates's handbook is the ideal guide to its complex, rich and varied story and it is an essential source for anyone who wants to find out about an East End ancestor or carry out their own research into the area. He outlines in vivid detail the development of the neighbourhoods that constitute the East End. In a series of information-filled chapters, he explores East End industries and employment, the docks, warehouses, factories, markets and shops. He looks at its historic poverty and describes how it gained a reputation for criminality, partly because of notorious criminals like Jack the Ripper and the Krays. This dark side to the history contrasts with the liveliness of the East End entertainments and the strong social bonds of the immigrants who made their home there: Huguenots, Jews, Bangladeshis and many others. Throughout the book, details are given of the records that researchers can consult in order to delve into the history for themselves: online sites, archives, libraries, books and museums.
