**Occasional Papers in Economic and Social History**, 1984      **The General Strike in the North East** Anthony Walter Mason, 1970      **Strikes and Solidarity** Roy A. Church, Quentin Outram, 2002-05-09 In this important contribution to the study of industrial relations Roy Church and Quentin Outram present research into the strike activity of British coalminers from the late nineteenth century to the mid 1960s The authors consider not only the major national strikes and lock outs which made the industry a byword for industrial militancy but also the multitude of small scale strikes which formed a routine part of British colliery lives *Strikes and Solidarity* first published in 1998 is multi disciplinary in approach and views coalfield conflict from the perspectives offered by sociologists industrial relations specialists and economists as well as social and economic historians Church and Outram have successfully blended quantitative and qualitative investigations to explain the long standing issues presented by industrial relations in the coalfields      *Nonviolent Action* Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject      **The Durham Miners, 1919-1960** W.R. Garside, 2024-10-21 *The Durham Miners* 1971 examines the Durham miners movement and of its organization its economic social financial and political development It looks at the miners demands for nationalization and for improved working and living conditions and the outcomes of trade union negotiation and of industrial dispute      Unemployment and the state in Britain Stephanie Ward, 2016-05-16 *Unemployment and the state in Britain* offers an important and original contribution to understandings of the 1930s Through a comparative case study of south Wales and the north east of England the book explores the impact of the highly controversial means test the relationship between the unemployed and the government and the nature of some of the largest protests of the interwar period This study will appeal to students and scholars of the depression social movements studies of the unemployed social policy and interwar British society      Radical Cultures and Local Identities Krista Cowman, Ian Packer, 2020-05-22 This edited interdisciplinary collection draws together recent original work on the connections between radicalism and localism in a variety of international locations over the last two hundred years The areas covered include the United Kingdom North America South Africa the Caribbean Germany Italy and Spain The book questions whether certain

political issues have more impact at a local level and whether common radical responses can be discerned across space and time The contributors essays also consider to what extent the local offers a space in which new political possibilities can be explored and especially the extent to which radical participation from groups who are under represented in many national campaigns appears more easily available at the local level Finally the essays in the collection examine the distinctiveness of local political radicalism This involves looking at the activities of communal organizations and political parties that defined themselves against nationally situated sites of power but also at how the many cultural manifestations of radicalism such as music theatre and art were shaped distinctively at local level and how radical ideas were spread across wider areas from local bases *Bulletin - Durham County Local History Society* Durham County Local History Society,1979 **Dictionary of Labour Biography** Joyce M. Bellamy,David E. Martin,John Saville,1993-01-15 Includes radicals of the Chartist and earlier periods trade unionists and other radicals after 1850 The book is especially concerned with 20th century activists and intellectuals notably those whose formative years or main political life was spent during the period between the two World Wars **Strikes in France 1830-1968** Edward Shorter,Charles Tilly,1974-08-15 Monograph tracing the historical evolution of strike and unofficial strike activities in France from 1830 to 1968 covers trade unionization the impact of industrialization and urbanization etc Bibliography pp 401 to 412 graphs maps references and statistical tables *A Bibliography of British Industrial Relations 1971-1979* George Sayers Bain,J.
