The Generation Of Caliban:

The Generation of Caliban Jonathan Goldberg, 2001 In his University of British Columbia Sedgewick lecture for 2001 Professor Jonathan Goldberg explores the ways in which contemporary writers and critics have identified with Shakespeare's figure of Caliban in his play *The Tempest* as a means of exploring the relationship of the colonized to the colonizer Examining the work of the great Barbadian novelist and critic George Lamming and others Goldberg details the various ways in which contemporary writers have reinterpreted Caliban and the language imposed on him In its simplest articulation language is seen merely as a means of exploiting the colonial Caliban being able to use language only for cursing but in its more sophisticated usage language can be used by the colonized as a means of understanding their condition and as an opening to futurity Nor is this futurity in terms of social relations only since as Goldberg points out Lamming imagines generation as outside the normal heterosexual roles The readings of *The Tempest* offered by Lamming and others including Sylvia Wynter and Michelle Cliff Goldberg suggests invite us to return to Shakespeare's play and to see in it new possibilities Included also in the pamphlet are a number of black and white illustrations of Caliban dating from a 1736 Hogarth to present day stage representations and a portrait of George Lamming

Caliban's Reason Paget Henry, 2002-05-03 Paget introduces the general reader to Afro Caribbean philosophy in this ground breaking work Since Afro Caribbean thought is inherently hybrid in nature he traces the roots of this discourse in traditional African thought and in the Christian and Enlightenment traditions of Western Europe

The Oxford Handbook of Shakespeare and Embodiment Valerie Traub, 2016-09-08 The Oxford Handbook of Shakespeare and Embodiment brings together 40 of the most important scholars and intellectuals writing on the subject today Extending the purview of feminist criticism it offers an intersectional paradigm for considering representations of gender in the context of race ethnicity sexuality disability and religion In addition to sophisticated textual analysis drawing on the methods of historicism psychoanalysis queer theory and posthumanism a team of international experts discuss Shakespeare's life contemporary editing practices and performance of his plays on stage on screen and in the classroom This theoretically sophisticated yet elegantly written Handbook includes an editor's Introduction that provides a comprehensive overview of current debates

Caliban's Curse Supriya Nair, 1996 Views the tumultuous history and political struggles of the peoples of the Caribbean through the works of novelist George Lamming

Caliban's Shore: The Wreck of the Grosvenor and the Strange Fate of Her Survivors Stephen Taylor, 2005-07-17 This incredible true story reads like the wildest fiction Booklist In the summer of 1783 the grandees of the East India Company were horrified to learn that one of their finest ships the 741 ton Grosvenor had been lost on the wild and unexplored coast of southeast Africa Astonishingly most of those on board reached the shore safely 91 members of the crew and 34 wealthy high born passengers including women and children They were hundreds of miles from the nearest European outpost and they were not alone They surveyed one another with mutual incomprehension on the one hand the dishevelled castaways on the other black warriors with high

conical hairstyles daubed with red mud Drawing upon unpublished material and new research Stephen Taylor pieces together the strands of this compelling saga sifting the myths from a reality that is no less gripping Full of unexpected twists Caliban's Shore takes the reader to the heart of what is now South Africa to analyze the misunderstandings that led to tragedy to tell the story of those who returned and to unravel the mystery of those who stayed **Caliban's War** James S. A. Corey, 2012-06-26 With over 10 million copies sold The Expanse has become one of the biggest science fiction phenomenons of the decade The second book in the NYT bestselling Expanse series Caliban's War shows a solar system on the brink of war and the only hope of peace rests on James Holden and the crew of the Rocinante's shoulders Now a Prime Original series HUGO AWARD WINNER FOR BEST SERIES We are not alone On Ganymede breadbasket of the outer planets a Martian marine watches as her platoon is slaughtered by a monstrous supersoldier On Earth a high level politician struggles to prevent interplanetary war from reigniting And on Venus an alien protomolecule has overrun the planet wreaking massive mysterious changes and threatening to spread out into the solar system In the vast wilderness of space James Holden and the crew of the Rocinante have been keeping the peace for the Outer Planets Alliance When they agree to help a scientist search war torn Ganymede for a missing child the future of humanity rests on whether a single ship can prevent an alien invasion that may have already begun The Expanse Leviathan Wakes Caliban's War Abaddon's Gate Cibola Burn Nemesis Games Babylon's Ashes Persepolis Rising Tiamat's Wrath Leviathan Falls Memory's Legion The Expanse Short Fiction Drive The Butcher of Anderson Station Gods of Risk The Churn The Vital Abyss Strange Dogs Auberon The Sins of Our Fathers

Caliban's Freedom Anthony Bogues, 1997-02-20 An important analysis of CLR James early political thought on Marxism and the black radical tradition **Storm Warning: An AFK Book (gen:Lock)** Melissa Scott, 2020-10-06 The first ever audiobook for gen LOCK the hit animated sci fi series starring Michael B Jordan Dakota Fanning David Tennant and Maisie Williams The last few months have been a whirlwind for Cammie MacCloud Ever since she agreed to join the gen LOCK program to help fight the Union an authoritarian force threatening the world she's been struggling to find her place in the group As a 17 year old genius hacker she doesn't really fit in among the other four recruits She can't shoot she isn't the most graceful in the field and her brash style doesn't exactly jibe with Command But Cammie notices things the others don't and she has the skills to investigate when something feels off like their latest mission which currently finds them stranded at the center of a deadly storm with a Union spy in their midst Don't miss this epic original novel from multiple award winning author Melissa Scott and the gen LOCK team *Shakespeare / Skin* Ruben Espinosa, 2024-07-11 This volume offers a comprehensive array of readings of skin in Shakespeare's works a term that embraces the human and animal noun and verb Shakespeare Skin departs from previous studies as it deliberately and often explicitly engages with issues of social and racial justice Each of the chapters interrogates and centres skin in relation to areas of expertise that include performance studies aesthetics animal studies religious studies queer theory Indigenous studies history food studies border studies postcolonial

studies Black feminism disease studies and pedagogy By considering contemporary understandings of skin this volume examines how the literature of the early modern past creates paths to constructing racial hierarchies With contributors from the USA UK South Africa India Sri Lanka Singapore and Australia chapters are informed by an array of histories shedding light on how skin was understood in Shakespeare s time and at key moments during the past 400 years in different media and cultures Chapters include considerations of plays such as Titus Andronicus The Tempest and A Midsummer Night s Dream and work by Borderlands Theater Los Colochos and Satyajit Ray among many others For researchers and instructors this book will help to shape teaching and inform research through its modelling of antiracist critical practice Collectively the chapters in this collection allow us to consider how sustained attention to skin via cross historical and innovative approaches can reveal to us the various uses of Shakespeare that shed light on the fraught nature of our interrelatedness They set a path for readers to consider how much skin they have in the game when it comes to challenging structures of racism

Citizen-Saints Julia Reinhard Lupton,2005-06-01 Turning to the potent idea of political theology to recover the strange mix of political and religious thinking during the Renaissance this bracing study reveals in the works of Shakespeare and his sources the figure of the citizen saint who represents at once divine messenger and civil servant both norm and exception Embodied by such diverse personages as Antigone Paul Barabbas Shylock Othello Caliban Isabella and Samson the citizen saint is a sacrificial figure a model of moral and aesthetic extremity who inspires new regimes of citizenship with his or her death and martyrdom Among the many questions Julia Reinhard Lupton attempts to answer under the rubric of the citizen saint are how did states of emergency acts of sovereign exception and Messianic anticipations lead to new forms of religious and political law What styles of universality were implied by the abject state of the pure creature at sea in a creation abandoned by its creator And how did circumcision operate as both a marker of ethnicity and a means of conversion and civic naturalization Written with clarity and grace Citizen Saints will be of enormous interest to students of English literature religion and early modern culture

Writing Metamorphosis in the English Renaissance Susan Wiseman,2014-04-24 Susan Wiseman analyses mythical and natural creatures in English Renaissance writing including Shakespeare s A Midsummer Night s Dream and The Tempest

Tempest in the Caribbean Jonathan Goldberg,2004 Shakespeare s The Tempest has long been claimed by colonials and postcolonial thinkers alike as the dramatic work that most enables them to confront their entangled history recognized as early modernity s most extensive engagement with the vexing issues of colonialism race dispossession language European displacement and occupation disregard for native culture Tempest in the Caribbean reads some of the classic anticolonial texts by Aime Cesaire Roberto Fernandez Retamar George

Lamming and Frantz Fanon for instance through the lens of feminist and queer analysis exemplified by the theoretical essays of Sylvia Wynter and the work of Michelle Cliff Extending the Tempest plot Goldberg considers recent works by Caribbean authors and social theorists among them Patricia Powell Jamaica Kincaid and Hilton Als These rewritings he suggests and the lived conditions to which they testify present alternatives to the masculinist and heterosexual bias of the legacy that has been derived from The Tempest By placing gender and sexuality at the center of the debate about the uses of Shakespeare for anticolonial purposes Goldberg's work points to new possibilities that might be articulated through the nexus of race and sexuality Place sexuality at the center of Caribbean responses to Shakespeare's play *Nieuwe West-Indische Gids*, 2006

The Athenaeum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1905

The Playgoer, 1903 The Open Court Paul Carus, 1891 The Genius Within David Adam, 2018-02-06 In *The Genius Within* David Adam explores the groundbreaking neuroscience of cognitive enhancement that is changing the way the brain and the mind works to make it better sharper more focused and yes more intelligent He considers how we measure and judge intelligence taking us on a fascinating tour of the history of brain science and medicine from gentlemen scientist brain autopsy clubs to case studies of mental health patients with extraordinary savant abilities In addition to reporting on the latest research and fascinating case studies David also goes on his own personal journey to investigate the possibilities of neuroenhancement using himself as a guinea pig for smart pills and electrical brain stimulation in order to improve his IQ scores and cheat his way into MENSA Getting to the heart of how we think about intelligence and mental ability *The Genius Within* plunges into deep ethical neuroscientific and historical pools of enquiry about the science of brain function untapping potential and what it means for all of us Going to the heart of how we consider measure and judge mental ability *The Genius Within* asks difficult questions about the science that could rank and define us and inevitably shape our future
