**Fighting Prosaic Messages** Henry C Amoroso Jr, 2018-04-11 Part historical fiction part memoir part philosophy of education this book begins with a story about a woman's immigration into the U S and how three of her generations struggled in the U S school system The book ends with an analysis of why many students fail in school and what we can do about it Through story and analysis this book offers a critique of the U S education system in 3 parts Part one imagines what the immigration experience was like in the past and reads like historical fiction Part two looks at the ensuing three generations in the present and reads like a memoir Part three gleans lessons from the story as a whole for what we can do better in the future In the historical fiction part a Sicilian woman named Rose emigrates to the U S at the turn of the twentieth century Knowing no English and illiterate but armed with a moral intelligence she struggles in this strange world of the free rubs shoulders with some of the great thinkers of her day and discusses the nature of education with them She's one of the many prosaic heroes history books and schools sometimes forget In the memoir part Rose's son Henry the author's father drops out of school in the eighth grade to help his single mom by selling newspapers he never thought he was smart enough for school anyway His son Henry Jr goes all the way in school to obtain a PhD but struggles to find a voice along the way Henry Jr's son Justin was seemingly born with an expressive voice but in his shuffle to conform to the school system almost lost it In these 3 cases we see 3 types of students who often fail in school in general In the final analysis part the book reflects on these prosaic cases to understand why so many U S students fail The theme that emerges parallels the traditions of Rousseau Dewey and Montessori students at heart are good and educators are most effective when they treat them as such students learn best by doing and this includes moral doing and students become intrinsically motivated to learn if allowed to think critically creatively and to find their voices If democracy depends on an informed citizenry the questions this book raises about school failure are critical to the future of our nation J A     **Words Matter** Susan Mandel Glazer, 2013-12-05 Words Matter Teacher Language and Student Learning enables teachers to observe their actions and ask Do I know how children perceive my behaviors It also helps them to understand reasons for children's responses to their words and actions Teachers behaviors are categorized in vignettes and readers determine where they fit and what changes ought to be made for their teaching practices to be more effective     *In a Class of Your Own* Rhoda M. *Hearts and Minds Without Fear* Barbara A. Clark, James Joss French, 2014-06-01 Hearts and Minds Without Fear Unmasking the Sacred in Teacher Preparation is the first book of its kind that focuses on the critical urgency of integrating creativity mindfulness and compassion in which social and ecological justice are forefronted in teacher preparation This is especially significant at a time of cultural turmoil educational reform and inequities in public education The book serves as a vehicle to unmask fear within current educational ethical deficiencies and revitalize hope for community members teacher educators pre service in service teachers and families in school communities The recipients of these strategies are explicitly presented in order to build understanding of a compassionate paradigm shift in schools that envisions possibility and social imagination on behalf of our children in schools and our communities The authors unabashedly place the arts and aesthetics at the core of the educational paradigm solution The book lives its own message Within each seed chapter the authors practice authentically what they preach offering a refreshing perspective to bring our schools back to life and instill hope in children s and educators hearts and minds

Democratic Schools for Our Democracy Mary Beauchamp Lane, Quentin Baker, 2001 I m 90 years old I want to leave behind a legacy of hope I want to bring radical change in the curriculum and in the way schools are

organized I want to revitalize teacher education to elevate the profession's status and to bring greater financial rewards for teachers Finally I believe it is essential to promote democracy within the schools and within the classroom **For the Love of Language** Nancy Lee Cecil, 1994 Alberta authorized teaching resource for English Language Arts grades K 1 2 3 4 5 6 1998 **Telling Stories in Book Clubs** Mary Kooy, 2006-08-15 Mary Kooy's *Telling Stories in Book Clubs* gives us a compelling provocative and insightful picture of teachers reading talking and learning together By weaving together the responses of the novice teachers book club the experienced teachers book club and her own thoughtful analyses Kooy has documented what teacher learning looks like from the inside This book is a must read for all those interested in professional development across the lifespan Marilyn Cochran Smith Boston College Kooy's narrative about book clubs as learning communities makes a significant contribution to both research and practice Tying together reading teaching and learning the book gives us a superb example of how to nurture the intellectual and relational needs for continuous teacher growth and development The book is a must for teachers researchers and policymakers Ann Lieberman emeritus professor from Teachers College Columbia University and Senior Scholar at the Carnegie Foundation for the Advancement of Teaching Mary Kooy is a gifted writer and teacher She takes the obvious truth that we read books with other people and turns it into a compelling work of professional development We see the communities emerge and coalesce We see the self reflective questioning that is at the heart of all good teaching take shape through interaction and nurturing From the Foreword by Jo Anne Pagano Colgate University Crossover Picturebooks Sandra L. Beckett, 2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children's genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries *Crossover Picturebooks* is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole *Teaching Children to Learn* Robert Fisher, 1995 Practical guide to teaching strategies that have
