# THE GERMAN ARMY 1933-45

CHRIS ELLIS

# The German Army 1933 45

**David Westwood**

## **The German Army 1933 45:**

**The German Army, 1933-45** Albert Seaton, 1982 Beskrivelse af den tyske hær 1933 1945 herunder gennemgang af hærens udvikling fra en hær på ca 100 000 mand Reichswehr til den flere millioner mand store Wehrmacht under 2 Verdenskrig samt gennemgang af udrustning taktik beskrivelse af væsentlige operationer og endelig den tyske værnemagts endeligt i 1945 Bogen findes også i en anden udgave udgivet i USA Meridian Book New American Library New York se ISBN nr 0452007399

**Soldiers, Commissars, and Chaplains** Dale Roy Herspring, 2001 This innovative study offers the first ever comparison of the military roles played by commissars political officers and chaplains in military settings ranging from the armies of Cromwell the Jacobins the Nazis the Soviets and the United States Despite the stark differences in the political systems of the countries of these disparate armed forces Dale R Herspring argues that there are certain critical functions that must be fulfilled in every military regardless of its ideological orientation Most vital are motivation morale boosting and political socialization In addition Herspring's comparative historical analysis decisively demonstrates that the roles of commissars political officers and chaplains alike have evolved in ways that are crucial yet rarely understood either by policymakers or scholars The German Army Albert Seaton, 1983

**The German Army, 1933-1945** Matthew Cooper, 1984 Provides political and military analyses of the German Army during Hitler's Third Reich **The German Army, 1933-1945** Matthew Cooper, 1978

**Disobedience and Conspiracy in the German Army, 1918-1945** Robert B. Kane, 2008-04-24 This work examines among other topics the personal oath of loyalty that the officers of the German army swore to Adolf Hitler on August 2 1934 It discusses how the majority of officers those who did not become conspirators against him complied with Hitler's orders until May 1945 despite his cruel treatment of soldiers militarily unsound strategy and tactics and the widespread destruction and crimes he and his forces committed The oath taken by the officers had a strong psychological effect among a proud corps with a long history of obedience and honor They followed Hitler to the end even though they knew they were fighting a losing battle The author also examines why and how only a few officers the conspirators began to break away lose trust in Hitler oppose him and finally stage an assassination attempt This history traces the development within the German army from 1918 of the philosophies of loyalty and disloyalty and obedience and disobedience as challenged by the Hitlerian oath of loyalty **German Army 1933-1945** Lowry Cole, Military Press International, 1999

*German Army 1933-1945* Lowry Cole, Military Press International, 1999 **German Army, 1933-1945** Lowry Cole, 1999-04-01 *The German Army 1933-45* M. Cooper, 1978 **The Collapse of the German War Economy, 1944-1945** Alfred C. Mierzejewski, 2017-10-10 In this book Alfred Mierzejewski describes how the German economy collapsed under Allied bombing in the last year of World War II He presents a broad based original study of German wartime industry and transportation and of Allied air force planning and intelligence including the first complete analysis in English of the German National Railway The German industrial economy was extraordinarily dependent on the timely adequate

distribution of coal by railroad and inland waterway The German National Railway in particular was the pivot of the finely balanced armaments production and distribution system created by Albert Speer But Allied strategists did not immediately recognize this Only in late 1944 when Deputy Supreme Allied Commander Sir Arthur Tedder built a new strategic consensus was this vital coal transport nexus severed The result was the rapid paralysis of the Nazi war economy Mierzejewski measures the economic consequences of the bombing by considering broad indices such as armaments and coal production railway performance and weapons deliveries to the armed forces In addition he shows how individual companies in each of Germany's major economic regions fared By drawing on previously unexamined files of private German manufacturing companies the Reich Transportation Ministry and Allied air intelligence agencies Mierzejewski creates a rare combination of economic analysis and military history that provides new perspectives on the German war economy and Allied air intelligence

German Army Order of Battle, 1939-1945, 1981

**German Army, 1933-45** David Westwood, 1998-04-01

*The*

*German Army* Matthew Cooper, 1978

**The Eastern Front, 1941-45, German Troops and the Barbarisation**

**of Warfare** Omer Bartov, 1986-04-28 Based largely upon unpublished sources Omer Bartov's study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler's brutal policies **The German Army 1939-45 (4)** Nigel Thomas, 2012-08-20 In early 1943 the annihilation of the 6th Army at Stalingrad marked the irreversible turning point of the war in the East Despite occasional local successes gained in the face of great odds testimony to the Wehrmacht's extraordinary resilience from now on Germany was on the defensive Despite Hitler's damaging interference the quality of German field leadership and of new weapons remained high but each new Soviet offensive pushed the front line closer to and finally across the borders of the Reich In this fourth title of their sequence author and artist describe and illustrate the developments in unit organization uniforms and equipment during 1943-45 including information on European and Eastern volunteer units text and illustrations are supported by detailed tables Men at Arms 311 316 326 330 and 336 are also available in a single volume special edition titled German Army in World War II

**The German Army and the Defence of the Reich** Matthias Strohn, 2011 An exploration of the development of military theory and doctrine in the German army between the wars The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare O. Bartov, 2001-07-30

Based largely upon unpublished sources Omer Bartov's study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army

Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler's brutal policies

*Retreat to the Reich* Samuel W. Mitcham, 2007-01-23 The story of Western Front from a German perspective ranges from the collapse of the Normandy line in the summer of 1944 until the Germans were able to bring the Allied juggernaut to a halt on the borders of the Reich itself

**The Last Prussian** Charles Messenger, 2012-01-23 The renowned WWII historian's in depth biography of the Nazi military commander who played a key role in the invasions of Poland France and Russia Field Marshal Gerd von Rundstedt was one of the most important German commanders of the Second World War He served on both the Western and Eastern Fronts of World War I and rose steadily through the ranks of the German army before retiring in 1938 Then only a year later he was recalled to help execute Hitler's invasion of Poland He played a leading part in this and the subsequent invasion of France Thereafter he commanded Army Group South in the assault on Russia before being sacked at the end of 1941 Recalled again Rundstedt was made Commander in Chief West and as such faced the 1944 Allied invasion of France but was removed that July He resumed his post in September 1944 and had overall responsibility for the December 1944 Ardennes counter offensive Captured by the Americans he gave testimony as a defense witness at Nuremberg Though he was charged with war crimes he was spared trial due to his ill health

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **The German Army 1933 45**

In a global inundated with screens and the cacophony of fast interaction, the profound energy and psychological resonance of verbal art frequently fade in to obscurity, eclipsed by the constant barrage of sound and distractions.
