

The German Offensives Of 1918

Ian Passingham

The German Offensives Of 1918:

The German Offensives of 1918 Ian Passingham, 2008-09-22 The author of *All the Kaiser's Men* provides a very helpful reference to the battles which finally led to the German Army's defeat in the field. The Western Front Association. Few pivotal years in history are less understood than that of 1918. It was a momentous period which began with Germany's desperate gamble to win the Great War through a sequence of offensives on the Western Front. Ian Passingham's graphic new study draws on a wide range of original German, British and French sources and it features previously unpublished eyewitness accounts and photographs. He boldly reassesses German military doctrine, the strategic thinking behind the offensives and the effectiveness of the stormtroop tactics used. He also considers how the poor state of German military morale and the privations and unrest of the German people contributed to the army's defeat. **1918** John Sheen, 2008-03-21 Serves to illustrate the carnage of battle throughout the three critical months of 1918: March, April and May. An amazing archive. *The Great War Magazine*. In March 1918 the German Army launched a series of offensives that brought them very close to winning the war. Military photographers followed their advance and took many photographs of the operations as they progressed. This is the war seen from the German perspective. British and French soldiers lie dead on the battlefield and Allied prisoners are escorted to the rear as the German Artillery pound away covering the advance of the Feldgrau. These photographs are seldom seen in books dealing with the allied point of view. Many scarce and rare photographs show the carnage of battle throughout March, April and May 1918. The author has also included group photographs of some of the units involved as well as memorial cards of individuals who fell or died of wounds. This book will be a useful reference to anyone with an interest in the German Army during the First World War. Provides a good close up look at soldiers, guns, shells, small arms and other points of interest. Over the Front. It is like watching a well made documentary unfold before your eyes. The whole book is a superb piece of work, highly recommended. *Destructive Music*. Particularly atmospheric. This is an unusual and welcome selection of illustrations. *Military Illustrated*. *The German 1918 Offensives* David T. Zabecki, 2006-09-27 This is the first study of the Ludendorff Offensives of 1918 based extensively on key German records presumed to be lost forever after Potsdam was bombed in 1944. In 1997 David T. Zabecki discovered translated copies of these files in a collection of old instructional material at the U.S. Army Command and General Staff College at Fort Leavenworth, Kansas. He presents his findings here for the first time with a thorough review of the surviving original operational plans and orders to offer a wealth of fresh insights to the German Offensives of 1918. David T. Zabecki clearly demonstrates how the German failure to exploit the vulnerabilities in the BEF's rail system led to the failure of the first two offensives and how inadequacies in the German rail system determined the outcome of the last three offensives. This is a window into the mind of the German General Staff of World War I with thorough analysis of the German planning and decision making processes during the execution of battles. This is also the first study in English or in German to analyze the specifics of the aborted Operation HAGEN plan. This is also

the first study of the 1918 Offensives to focus on the operational level of war and on the body of military activity known as the operational art rather than on the conventional tactical or strategic levels This book will be of great interest to all students of World War I the German Army and of strategic studies and military theory in general **Kaiserschlacht 1918** Randal Gray,2004 This title describes how using new Storm Trooper units and high mobility tactics the German Operation Kaiserschlacht shattered the front line broke into open country and came within a hair s breadth of winning the First World War The German 1918 Offensives in France & Flanders John Sheen,2008 In March 1918 the German Army launched a series of offensives that brought them very close to winning the war Military photographers followed their advance and took many photographs of the operations as they progressed This is the war seen from the German perspective British and French soldiers lie dead on the battlefield and Allied prisoners are escorted to the rear as the German Artillery pound away covering the advance of the Feldgrau These photographs are seldom seen in books dealing with the allied point of view Many scarce and rare photographs show the carnage of battle throughout March April and May 1918 The author has also included group photographs of some of the units involved as well as memorial cards of individuals who fell or died of wounds This book will be a useful reference to anyone with an interest in the German Army during the First World War The German Offensives of 1918 Martin Kitchen,2001 A campaign history of the Kaiser s 1918 Western front offensives attacks that very nearly won the first world war for imperial Germany 1918: the German Offensives Trevor Nevitt Dupuy,Julia Crick,1967 **1918: The German offensives, by T. N. Dupuy and J. Crick** Trevor Nevitt Dupuy,1967 The Paris Gun Henry Willard Miller,1930 **The Meuse-Argonne Offensive 1918** Brian Lane Herder,2020-12-24 This detailed study reveals the history of the Meuse Argonne campaign the US Army s first full scale offensive against German forces in France When the United States declared war on Germany in April 1917 the tiny US Army did not even have a standing division A huge national army worthy of the Western Front was quickly enlisted trained and then transported to France to fight against the Germans In September 1918 the American Expeditionary Force under General John Pershing began its first full scale offensive against German forces in Lorraine in which the US First Army and eventually the US Second Army would drive north between the Argonne Forest and the Meuse river towards Sedan The Meuse Argonne was excellent defensive terrain being hilly steep heavily wooded and fortified by the Germans over a three year period The offensive began on 26 September 1918 A largely inexperienced US First Army with mid level officers including Harry S Truman Douglas MacArthur and George Patton suffered setbacks and heavy casualties during its straight ahead offensive against a still potent but fading German Fifth Army However by early November 1 2 million Americans and several hundred thousand French were engaged at the Meuse Argonne and the Hindenburg Line had been decisively broken The German withdrawal from Sedan approached a rout and the Americans finally had the Germans on the run until the Armistice ended the offensive on 11 November 1918 This engaging book tells the full story of this key offensive illustrating and explaining the troops weapons and tactics of both the

American Expeditionary Force and the German Fifth Army in stunning detail **The Military History of World War One** Trevor Nevitt Dupuy, 1967 **The German Army in the Spring Offensives 1917** Jack Sheldon, 2015-09-21 A detailed and vivid account of the battles on three deadly fronts The research is breathtaking the assembly of the story is masterful The Long Long Trail After the great battles of 1916 the Allied Armies planned to launch massive attacks North and South of the Somme The German withdrawal to the Hindenburg Line in March 1917 forced the new French CinC General Nivelle to rethink and the French embarked on a major attack in the Aisne area and along the Chemin des Dames with the British conducting large scale diversionary operations around Arras The French suffered disastrously and rendered incapable of further offensive operations it fell to the British to step up the pressure which they did albeit at a terrible price This latest work by expert Jack Sheldon describes the event of Spring 1917 from the defenders perspective In particular it reveals the methods the Germans used to smash the French attacks and Oberst Fritz von Lossberg s transformation of the defenses in the Arras front Actions described in detail are the bitter battles around Monchy Le Preun the Roeux Chemical works and Bullecourt as well as the capture of Vimy Ridge This volume of Jack Sheldon s highly detailed series of books on the German Army in the Great War follows his usual effective model employing the clear writing and knowledge learned from dogged detailed research It would be impossible to offer other than the highest recommendation for this book Stand To The Western Front Association Incredibly moving and powerful Pennant *Paris Gun. the Bombardment of Paris by the German Long-Range Guns and the Great German Offensives of 1918* Henry W. Miller, 2003-07 This is the story of a unique gun called by the Germans the Pariskane and mistakenly referred to by our troops as Big Bertha The gun was 210mm calibre with a barrel length of 130 feet an overall weight of 142 tons and a maximum range of about 80 miles It was designed to fire on Paris bringing alarm and despondency to a population which though subject to air bombardment had no reason to suppose they were threatened by enemy artillery The design manufacture the training of the crews and the preparation of the firing sites are all described but the main aim of the book is to describe the four bombardments that were carried out by this weapon and the effects material and morale wise The use of the Paris Gun was incorporated in the planning of the major German offensives of the first half of 1918 March 21st was the first day of the assault and at 7 20 am on 23rd March the first shot was fired The four periods during which the gun was in action were 23 April 1 May 27 May 11 June 15 19 July and 5 9 August on which day the last round was fired The author a Lt Col in the US Ordnance describes each of these bombardments against a background of the ongoing German offensive and the progress of the ground forces There are differing figures as to the total number of rounds fired but it was at least 300 and according to The Times Diary and Index of the War the total casualty figures were 196 killed 417 wounded though how accurate these figures are may be open to question the author doesn t give any that could be found On the whole he appears to admire the Germans in their achievements the last sentence in the book reads And events of the years since the Armistice only prove how wise the

Germans have been in refusing ever to admit defeat The Cambridge History of the First World War: Volume 1, Global War Jay Winter, 2014-01-09 This first volume of The Cambridge History of the First World War provides a comprehensive account of the war's military history An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914 Adopting a global perspective the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order It also charts the moral political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets **German Tactics In The Michael Offensive March 1918** Major Patrick T. Stackpole, 2014-08-15 This study investigates the German spring offensive of 1918 to determine how the Germans achieved tactical success yet failed to reach their strategic objective The study covers the development of new German infantry tactics during limited offensive operations and conduct of the elastic defense on the western front It investigates the development of artillery tactics on the eastern front and the incorporation of these artillery and infantry tactics into larger scale offensives at Caporetto The study describes the preparation of both the infantry and artillery units for the Michael offensive The relationship between the infantry and artillery tactics combined with the British defense is the key to determine the causes for success and failure The German tactical system used in Operation Michael was a brilliant adaptation to the lethality of the World War I battlefield The German techniques were superb tools for conducting a breakthrough of a defensive zone However the lack of German mobility following the breakthrough foiled the German strategic goal to envelop the British Army German techniques and lessons learned in this offensive have direct application to U S Army infiltration doctrine **Violence Against Prisoners of War in the First World War** Heather Jones, 2011-06-02 First in depth comparative study of the treatment of prisoners of war during the First World War **Conquer We Must** Robin Prior, 2022-01-01 A major new account of Britain's military strategy between 1914 1945 including the two world wars and everything between The First and Second World Wars were separated by a mere two decades making the period 1914 1945 an unprecedentedly intense and violent era of history But how did Britain develop its complex military strategy during these wars and how were decisions made by those at the top Robin Prior examines the influence politicians had on military operations in the first history to assess both world wars together Drawing uniquely on both military and political archives and previously unexamined sources Prior explores the fraught relationships between civilian and military leaders from Lloyd George's remarkably interventionist stance on military tactics during the First World War to Churchill's near constant arguments with American leaders during the Second Conquer We Must tells the complex story of this military decision making revealing how politicians attempted to control strategy but had little influence on how the army navy and air force

actually fought *The Myth and Reality of German Warfare* Gerhard P. Gross, 2016-09-16 Surrounded by potential adversaries nineteenth century Prussia and twentieth century Germany faced the formidable prospect of multifront wars and wars of attrition To counteract these threats generations of general staff officers were educated in operational thinking the main tenets of which were extremely influential on military planning across the globe and were adopted by American and Soviet armies In the twentieth century Germany's art of warfare dominated military theory and practice creating a myth of German operational brilliance that lingers today despite the nation's crushing defeats in two world wars In this seminal study Gerhard P Gross provides a comprehensive examination of the development and failure of German operational thinking over a period of more than a century He analyzes the strengths and weaknesses of five different armies from the mid nineteenth century through the early days of NATO He also offers fresh interpretations of towering figures of German military history including Moltke the Elder Alfred von Schlieffen and Erich Ludendorff Essential reading for military historians and strategists this innovative work dismantles cherished myths and offers new insights into Germany's failed attempts to become a global power through military means

ANZACS on the Western Front Peter Pedersen, 2018-02-14 A newly updated lavishly illustrated account of the ANZACs involvement in the Western Front complete with walking and driving tours of 28 battlefields With rare photographs and documents from the Australian War Memorial archive and extensive travel information this is the most comprehensive guide to the battlefields of the Western Front on the market Every chapter covers not just the battles but the often larger than life personalities who took part in them Following a chronological order from 1916 through 1918 the book leads readers through every major engagement the Australian and New Zealanders fought in and includes tactical considerations and extracts from the personal diaries of soldiers Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for anyone who wants to explore the battlefields of the Western Front either in person or from the comfort of home It does far more than show where the lines that generals drew on their maps actually ran on the ground and retrace the footsteps of the men advancing towards them It is a graphic and wide ranging record of the Australian and New Zealand achievements and of the huge sacrifices both nations made in what is still arguably the most grueling episode in their history A complete guide to the ANZAC battlefields on the Western Front featuring short essays on important personalities and events details on relevant cemeteries museums memorials and nearby places of interest and general travel information Carefully researched and illustrated with colorful maps and both modern and period photographs Includes information about the Sir John Monash Centre near Villers Bretonneux in France a new interpretative museum set to open on Anzac Day 2018 coinciding with the centenary of the Year of Victory 1918 Anzacs On The Western Front The Australian War Memorial Battlefield Guide is the perfect book for historians history buffs military enthusiasts and Australians and New Zealanders who want to explore the military history and battlefields of their heritage

Timelines of History DK, 2018-04-03 Humans are a recent event in the planet's history but we've wasted little time in

making our mark The range of our achievements has created a rich and elaborate heritage that we have the unique ability to capture and record meaning we can look back and learn from the road traveled Timelines of History begins with the emergence of our earliest African ancestors and takes the reader through the history of cultures and nations around the world to arrive at the present day the beginning of a new millennium A dynamic layered timeline zooms in and out of time speeding up or slowing down to keep pace with the size and scope of events

Eventually, you will utterly discover a supplementary experience and achievement by spending more cash. nevertheless when? get you recognize that you require to get those all needs considering having significantly cash? Why dont you attempt to acquire something basic in the beginning? The German Offensives Of 1918 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The German Offensives Of 1918 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The German Offensives Of 1918 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The German Offensives Of 1918 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The German Offensives Of 1918 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The German Offensives Of 1918 is one of the best book in our library for free trial. We provide copy of The German Offensives Of 1918 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The German Offensives Of 1918. Where to download The German Offensives Of 1918 online for free? Are you looking for The German Offensives Of 1918 PDF? This is definitely going to save you time and cash in something you should think about.
