including his creation of a nationally recognized private Jewish school and the founding of the precursor to the Central Conference of American Rabbis He also was the first rabbi to preach in a Christian church Even more significantly Ruben argues that Lilienthal created an unprecedented new American model for the rabbinate in which the rabbi played a prominent role in civic life More than a biography this volume is a case study of the impact of American culture on Judaism and its leadership as Ruben shows how Lilienthal embraced an increasingly radical Reform ideology influenced by a mixture of American and European ideas Students of German Haskalah and historians of American Judaism and the Reform movement will appreciate this biography that fills an important gap in the history of American Jewry Guide to Reference Books Robert Balay,Eugene Paul Sheehy,1992 The 10th edition of the Guide 1986 is one of a small core of references essential to the day to day operations of Reference and Research Book News it was enthusiastically reviewed in our May 1987 issue and we trust to librarians and researchers everywhere This Supplement the only one to the 10th edition lists 4 668 titles that cover reference publishing from the end of December 1984 through the end of 1990 As in prior editions the focus continues to be on reference works for scholarly research but representative works intended for general reference are included as well Member price 76 50 Annotation copyright by Book News Inc Portland OR **Monthly Catalog of United States Government Publications** United States.
