Christianity and the Holocaust of Hungarian Jewry Mosheh Y. Hertsel, 1993-07 The tragedy of Hungarian Jewry reached its climax between the 15th of May and the 7th of July 1944 when nearly half a million Jews were expelled from Hungary and sent to death camps The removal of Jews from Hungary except for those of the capital Budapest was absolute and was carried out rapidly and efficiently This dramatic event unusual even against the background of the Holocaust did not take place in a vacuum It grew out of the relationship that had evolved over generations between the expelled people and the larger populace The Christian church in Hungary played a central active part in this relationship and its final devastating outcome The role of the Christian church in Hungary during the Nazis campaign of Jewish mass extermination has been largely forgotten Now Moshe Herczl exposes this repressed and painful episode in the history of the Holocaust Using previously unknown materials and extensive analytical research he recreates the church's actions and disposition toward Hungarian Jewry Drawing on personal correspondence speeches and of ficial platforms he provides a scathing indictment in its own words of the church's lack of compassion toward and even active persecution of Hungary's Jews during this period

The Collected Works of Edward Schillebeeckx Volume 9 Edward Schillebeeckx, 2014-09-25 The Church with a Human Face A New Expanded Theology of Ministry elaborates historically and theologically the main line of his argument It further includes reactions and reflections on criticism he received The work outlines the evolution of ecclesiastical office starting with Jesus Christ and his messianic community followed by a description of the practice and theology of ministry in the early Christian communities and tracing different forms of ministry in the history of the Church Of particular interest is the section on the Complaints of the People which deals with the discontent of many connected with the position of women and married priests As long as women are not allowed to participate fully in the decisions of the Church Schillebeeckx argues they will not be liberated and their complaints will remain a fundamental charge that challenges the church *I Am a Hero, I Am a Survivor* Roxane Christ, 2004-10 There are three factors in this book which should be taken into consideration by the reader Firstly not all Jews are equal the rich ones had the opportunity to survive because they chose to use their wealth to save their lives Secondly Jews are not equal inasmuch as whether they are issued from different backgrounds solidarity is not found amongst them And finally when it comes to avenge their suffering they will do it with only accepting and resenting the pain of their vengeful acts throughout the last episodes of the Second World War What is also evident however is that there are no animosity no remorse no wanting of rewards for heroism on the part of Lou Van Coevorden He is now one of the last survivors of the concentration camps in Germany and when he saw the downfall of Auschwitz his glee couldn't be contained but neither could it be expressed Lou Van Coevorden was spent yet at the age of twenty one he was to fight for his life many times over even though the Second World War had ended After living in hell he couldn't return to life he needed to deny himself the vision of the faces that haunted him at every turn the faces of those who had not been able to survive Ashes to Light Nelly Ben-Or MBE, 2018-01-30 Born into a Jewish family in Lvov Poland in the early 1930s Nelly Ben Or was to experience at a very young age the trauma of the Holocaust This narrative of her life's journey describes the survival of Nelly her mother and her older sister With help from family and friends Nelly and her mother were smuggled out of the Ghetto in Lvov and escaped to Warsaw with false identity papers where they were under constant threat of discovery Miraculously they survived being taken on a train to Auschwitz deported not in fact because they were Jews but as citizens of Warsaw following the Warsaw Uprising against the Nazis After the end of the war Nelly's musical talent was free to flourish at first in Poland and then in the recently created State of Israel where Nelly completed her musical studies as a scholarship student at the Music Academy in Jerusalem Following her move to England she carried out a full concert career and also discovered the Alexander Technique for piano playing which had a profound influence on her Today Nelly Ben Or is internationally regarded as the leading exponent of the application of principles of the Alexander Technique she teaches in the keyboard department of London's Guildhall School of Music and Drama runs Alexander Technique masterclasses and regularly gives talks about

her Holocaust experience This unique memoir is testimony to an extraordinary life and illustrates the strength of the human condition when faced with adversity
