The Ghost Of Happy Tail Wood:

The Ghost of Happy Tail Wood John Gatehouse,1987-01-01 **The Waldgeist of Wanderal Woods** Lisamarie Lamb,2017-03 A little girl has to save Wanderal Woods and her own world from an evil waldgeist *The Cumulative Book Index* ,1989 A world list of books in the English language *A BOOK OF GHOSTS* Sabine Baring-Gould,2015-10-16 The city of Bayonne lying on the left bank of the Adour and serving as its port is one that ought to present much interest to the British tourist on account of its associations For three hundred years along with Bordeaux it belonged to the English crown The cathedral a noble structure of the fourteenth century was reared by the English and on the bosses of its vaulting are carved the arms of England of the Talbots and of other great English noble families It was probably designed by English architects for it possesses in its vaulting the long central rib so characteristic of English architecture and wholly unlike what was the prevailing French fashion of vaulting in compartments and always without that connecting rib like the inverted keel of a ship with which we are acquainted in our English minsters Under some of the modern houses in the town are cellars of far earlier construction also vaulted and in them as well may be seen the arms of the English noble families which had their dwellings above But Bayonne has later associations with us At the close of the Peninsular War when Wellington had driven Marshal Soult and the French out of Spain and had crossed the Pyrenees his forces under Sir John Hope invested the citadel In February 1814 Sir John threw a bridge of boats across the Adour boats being provided by the fleet of Admiral Penrose in the teeth of a garrison of 15 000 men and French gunboats which guarded the river and raked the English whilst conducting this hazardous and masterly achievement This brilliant exploit was effected whilst Wellington engaged the attention of Soult about the Gaves affluents of the Adour near Orthez It is further interesting with a tragic interest on account of an incident in that campaign which shall be referred to presently The cathedral of Bayonne some years ago possessed no towers the English were driven out of Aquitaine before these had been completed The west front was mean to the last degree masked by a shabby penthouse plastered white or rather dirty white on which in large characters was Whitaker's Book List ,1987

Happy Travels with a 'Dodgy' Heart David Cross,2012-08-03 This is not a guidebook though I hope it gives the reader some ideas on places worth seeing accommodation worth considering and decent restaurants worth dining in It does not normally give a list of possible places to stay only places I have experienced myself being included but at the end of each chapter there will be a Practicalities page containing the following 1 Useful websites on places maps and transport In general sites relevant to more than one chapter will be found the first time they are relevant and are referenced in later chapters 2 Accommodation on these pages will be only where I have stayed I go for cheaper places when I travel alone although I nearly always choose en suite rooms as I got older and moderately cheap when I went with Pam In general absence of comment means it is OK bearing this in mind 3 Restaurants are only mentioned on these pages if they are particularly good either absolutely or in terms of value for money or if definitely not recommended 4 Must sees appear in the chapters themselves but will be summarised on these pages The index is based on my historic fury at finding pages only to get a totally uninformative mention of the place in passing Text normal print references are meant to show the first or only page with information about the place Those planning holidays may find it more helpful to go immediately to pages shown in italic print where they will often find helpful URLs I have checked all the multitude of URLs in this book in February 2012 inserting a lot of new ones in place of dead sites Occasionally my comments on a site may be a bit dodgy now but there are some great sites here Im not sure how I overcame temptation to spend ages just looking at some
