The Twelve Gifts of Life Recovery Stephen

Arterburn, David Stoop, 2015 God's hope and strength for your journey cover **The Logic of Desire** Nicholas Emerson Lombardo, 2011 A critical study of Aquinas' account of emotions and its enduring relevance this title considers Aquinas' thought on emotion in its historical context and inner logic and shows how it bears on larger issues in Aquinas' anthropology and ethics Sacred Modes of Being in a Postsecular World Andrew Hass, 2021-09-16 A powerful new exploration of the sacred from many distinguished theologians that speaks to a postsecular context and its challenges Sunshine of Hope William Henry Dawson, 1910 *Theology of Hope* Sang Yun Lee, 2018-08-01 This book digs deep into Yonggi Cho's teaching of the Threefold Blessing: salvation, financial prosperity, and healing, expressing the biblical concept of hope in the Korean Pentecostal context. Ironically, hope always begins in situations where it is lacking. The Threefold Blessing was the most urgent and eager hope in the desperate socio-economical and political situation following the Korean War. Cho's theology successfully contextualized, became deeply lodged in the Korean Pentecostals' lives, which resulted in the growth of strong churches in Korea. But the context has now changed in part due to the gospel's successful penetration of Korean culture, and the Threefold Blessing must be reinterpreted and theologically recontextualized. The original Threefold Blessing emphasized the wellbeing of the individual person. The new Threefold Blessing must expand its theological perspectives to include social and ecological matters. This book suggests ways for its recontextualization for the present and future of Korean Pentecostals.

But it is also about a complex of historical, tumultuous, tragic, and hopeful events that were not only played out in Viet Nam but also on the world stage in which he became a participant from the time of the 1960s. The book is organized into Prologue, eleven chapters, and an Epilogue that relate historical events after which the author then forms conceptions related to hope. At the end of each chapter are codas which emerged as reflections, even meditations, on hope as the author was in the process of writing the book. At the end of the book are sections with a glossary of abbreviations, biographical data on both Vietnamese and foreign persons referred to in
