The Gift Of The Holy Cross:

The Gift of the Holy Cross Lino Leitao, 1999 Leitao's novel brings alive the vanished world of colonial Goa a hybrid creation of Portuguese Catholicism and the Hindu caste system From its beginnings in village rivalries fought out by the bulls of neighbouring Cavelossim and Carmona the sleeping dragon of Goan nationalism awakes But when the Goan people rise up against their Portuguese masters their victory is hollow The fruits of their struggle are plucked by the new commercial elite and their distinctive culture is swamped as Goa is annexed by India Focusing on the tragic figure of Mario Jaques a village leader who wants to preserve the best of the old world in the new but who is isolated by his own confusions and swept away by social forces beyond his control Leitao writes passionately of a popular movement betrayed Whilst the old world is marked by feudal oppression and superstitious ignorance Leitao vividly and often humorously recreates the communal exuberance of Goan village life feiras exploding with firecrackers the dancing harmonies of the violin bandes the aromas of roasting gram and sorpatel the spectacles of the theatre and the processions of the saints In the new world there is only a ruthless competitiveness in which the worst rise to the top Lino Leitao was born in Goa resident in Uganda for some years and now lives in Canada He is the author of three collections of short stories **The Holy Cross Purple**, 1896 Under the holy Cross, addresses on the seven last words Frank Edward Lowe, 1885 The Holy Cross and Other Tales Eugene Field, 1899

The Holy Cross Missal Episcopal Church, 1920 The Holy Cross & Other Tales Eugene Field, 1894 The Chronicle of Glastonbury Abbey James P. Carley, 1985 John of Glastonbury's chronicle represents an attempt to summarise the lore and learning about Glastonbury Abbey and its past available in the fourteenth century a body of knowledge which changed very little before the Reformation The author drew on a large number of sources and edited these skilfully to form his narrative while preserving the earlier text almost intact The result is the fullest medieval account of the abbey and its legends A translation is included which makes the important text available in English for the first time and the whole volume is designed as a companion to John Scott's edition and translation of William of Malmesbury's twelfth century account of the abbey's history *The History of the Congregation of Holy Cross* James T. Connelly C.S.C., 2020-12-15 In 1837 Basile Moreau C.S.C. founded the Congregation of Holy Cross C.S.C. a community of Catholic priests and brothers to minister to and educate the people of France devastated by the French Revolution During the centuries that followed the Congregation expanded its mission around the globe to educate and evangelize including the establishment in 1842 of the Congregation's first educational institution in America the University of Notre Dame This sweeping book written by the skilled historian and archivist James T. Connelly C.S.C. offers the first complete history of the Congregation covering nearly two centuries from 1820 to 2018 Throughout this volume Connelly focuses on the ministry of the Congregation rather than on its ministers although some important individuals are discussed including Jacques Francois Dujari Sr Mary of the Seven Dolors M.S.C. Andre Bessette C.S.C. and Edward Sorin C.S.C. Within a few short years of founding the Congregation Moreau sent the priests

brothers and sisters from France to Algeria the United States Canada Italy and East Bengal Connelly chronicles in great detail the suppression of all religious orders in France in 1903 and demonstrates how the Congregation shifted its subsequent expansion efforts to North America Numerous educational institutions parishes and other ministries were founded in the United States and Canada during these decades In 1943 Holy Cross again extended its work to South America With the most recent establishment of a religious presence in the Philippines in 2008 Holy Cross today serves in sixteen different countries on five continents The book describes the beatification of Basil Moreau C S C on September 15 2007 and the canonization of Andr Bessette C S C on October 17 2010 The book will interest C S C members and historians of Catholic history Anyone who wants to learn about the origins of the University of Notre Dame will want to read this definitive history of the Congregation
