Discover the hidden message behind the Magi's gifts of gold frankincense and myrrh. For centuries theologians have misunderstood this pivotal Bible passage. Now uncover the profound connection to the Mosaic law and Scripture. Learn how Nicodemus a Pharisee and chief ruler of the Jews understood the true significance of the gifts and played a crucial role in the burial of Jesus. Get ready to be astounded by the Magi's knowledge of Scripture and the astonishing details that theologians have missed. The Magi also called the Wise Men offered their gifts of gold frankincense and myrrh to the young Jesus. Recorded in the Gospel of Matthew this is one of the most misunderstood passages in the Bible. Not one theologian or teacher through the ages has discovered the true Biblical meaning until now. Within these pages you will learn the hidden message of their gifts. You will also be astounded by the Magi's profound knowledge of Scripture. Their gifts go to the depths of the Mosaic law. Moreover Nicodemus the chief ruler of the Jews at the time of Christ and a Pharisee knew the meaning. His participation in the burial of Jesus was no coincidence as only one who knew the Scriptures completely could perform the preparation of the Sacrificial Lamb of God. You will not want to miss the discoveries in this book and you will be greatly blessed by all the details presented that theologians have missed through the ages.

Gold, Frankincense, Myrrh, and Spiritual Gifts of the Magi Winston Head,2014-12-06

I am sure you have seen the Magi on Christmas cards and in the nativity scene but not much is mentioned about them in scripture. Only a few verses and then these men who heard from God and followed a star to worship the Priestly King just disappear. I wanted to know where did they come from and where are they now. These questions changed my life. You will never be the same after you learn the teachings of the Magi.

Gifts for a Newborn King Jerri Garretson,2023-11-19

Gifts for a Newborn King brings the story of the gifts of the Magi to life with sixty glorious works of art and photos. It shows how frankincense and myrrh were and are cultivated and how they were transported with camel caravans on the Incense Trail. It explains the historical and current uses of these precious substances from religious to medicinal. It speculates on how the gold was presented and why these gifts were worthy of a king. It explains the traditions that have developed around the travels and gifts of the Magi and the celebrations of their part in the story of Jesus' birth. It is fully documented with a list of illustrations and details about them, a bibliography, and an index. It is a beautiful explanation of the Gifts of the Magi.

The Magi's Gift of Gold Charles A. Sennewald,2019-05-14

Mr Sennewald's first book was a fictional novel about foreign cars, namely a Volkswagen. He was offered a story line buyout because a producer wanted the story for a motion picture. Sennewald declined the generous offer. For years friends, family, and colleagues have talked about the story with its totally surprising ending and have complained about his failure to write more fictional works. The real demand for his work has been in writing textbooks.

on management consulting shoplifting and criminal investigations To satisfy the complainants he s been writing short stories that are fun to read and invariably have surprising and or unexpected endings This book is a collection of those great stories between two covers If the reader likes to or tries to outguess the stories endings he or she will enjoy every page of this book They will agree that this collection is an interesting journey indeed *Holy Gifts* Mark Alan Shields,2015 **The One Year Book of Healing** Reggie Anderson,2016-09-01 This year experience deep healing and refreshment We re all sick and we re all hurting Whether it s a broken arm or a broken heart a chronic illness or wounds from our past the fact remains We are all in desperate need of God s healing In our pain it can be easy to believe God has forgotten about us to believe that he doesn t even care Dr Reggie Anderson author of the acclaimed memoir *Appointments with Heaven* knows it can t be predicted how God s healing work will come to pass in our lives and hearts only that it will As a country doctor who has had remarkable experiences attending people in pain Reggie wants you to see what he sees every day that whatever your sickness whatever your hurt God is alive and active in your life He wants you to be truly well even if that looks different than you might expect Rich in story and inspiration *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting giving you the faith hope and patience to believe that God can do the same in your life

by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socioeconomic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God's eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God's grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted

The Gospel of Matthew and Its Readers Howard

Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew's readers rather than back to the text's composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew's messages since Bible bashing like Bible thumping

is a historically significant part of the experience of reading the Bible Feasting on the Word: Year A, Volume 1 David L. plan of salvation falls into this category It is something most all Christians have said at least once and yet very few have actually sat down and fully thought out what that phrase really means God indeed had a plan a real actual plan for saving us It was a plan that was thousands of years in the making and ultimately flawlessly implemented by Christ
