about in their novel Another interpretation of the title of course is the contrast between an ideal Golden Age and a less worthy Gilded Age as gilding is only a thin layer of gold over baser metal so the title now takes on a pejorative meaning as to the novel's time events and people The novel concerns the efforts of a poor rural Tennessee family to become affluent by selling in a timely manner the 75 000 acres 300 km² of unimproved land acquired by their patriarch Silas Si Hawkins After several adventures in Tennessee the family fails to sell the land and Si Hawkins dies The rest of the Hawkins story line focuses on their beautiful adopted daughter Laura In the early 1870s she travels to Washington D C to become a lobbyist With a senator's help she enters Society and attempts to persuade Congressmen to require the federal government to purchase the land A parallel story written by Warner concerns two young upperclass men Philip Sterling and Henry Brierly who seek their fortunes in land in a novel way They make a journey with a group intent on surveying land in Tennessee in order to acquire it for speculation Philip is good natured but plodding He is in love with Ruth Bolton an aspiring physician and feminist Henry is a born salesman charming but superficial The theme of the novel is that the lust for getting rich through land speculation pervades society illustrated by the Hawkinses as well as Ruth's well educated father who nevertheless cannot resist becoming enmeshed in self evidently dubious money making schemes The Hawkins sections were written by Twain these include several humorous sketches Examples are the steamboat race that leads to a wreck Chapter IV and Laura's toying with a clerk in a Washington bookstore Chapter XXXVI Notable too is the comic presence throughout the book of the eternally optimistic and eternally broke Micawber like character Colonel Beriah Sellers The character was named Escol Sellers in the first edition and changed to Beriah when an actual George Escol Sellers of Philadelphia objected Thomas Nast German born American caricaturist and editorial cartoonist considered to be the Father of the American Cartoon
