The Givers And The Takers:

The Givers & the Takers Cris Evatt, Bruce Feld, 2008-04 ARE YOU MORE OF A GIVER OR MORE OF A TAKER Do you have an unbalanced relationship with your lover kids friends or coworkers Oddly people who give excessively often believe they give far less than they do Why Because giving is so easy for them Likewise people who give far little believe they give more because giving is such a chore Both types are manipulative Learn 30 Giver Taker traits in this provocative book Spot the two personality types more easily By reading THE GIVERS AND THE TAKERS you will find out how to become vastly more assertive and less codependent You will quit enabling Takers to take advantage of you and confuse you by calling you selfish This book is clear quirky powerful and life changing It is a text to be read and reread studied and debated but mostly incorporated into your relationships

The Givers and the Takers Cris Evatt, Bruce Feld, 1987-10-01 Make your love relationship the best it can be with the right balance of giving and taking With helpful self tests and analyses the authors of this practical insightful guide explain why 90% of all relationships are unbalanced In all too many cases one partner constantly initiates conflict the Taker while the other sublimates his her needs to that struggle the Giver Resentment and guilt fester on both sides and these relationships are very likely to fail But yours doesn't have to when you discover Why you fall for the same type of person again and again How you can change the course of your romantic life How to end Taker tricks and disturbing reverse psychology How to teach your partner about the missing side of your personality When to bail out if you must and so much more Determine your type and what you can do about it for a richer better balanced and more satisfying bond with your mate

The Givers and the Takers Cris Evatt, Bruce Feld, 1988-03-01 For years psychotherapists have used the terms to describe the two different parts of the population Now an accessible book assigns the titles of The Givers and the Takers to lovers as an effective way to assess and improve their relationships

The Givers and the Takers Joe Kuttler, 2004-09 The doors of Alcoholics Anonymous AA are opened wide for all to see what actually happens inside The gifted writings of many of the people inside those walls help to explain the wonders of this wonderful program How his beautiful wife coped with the disease of her husband her own health and the problems in the lives of their six children is another story as true as it is ugly and as clear and revealing as the pen can write You may question and you may cringe at some of the things you read but this book is not fiction It is facts pure but not simple and yet honest without exaggeration You will share the heartaches cry with the unfortunate and cherish the many true love stories it reveals You will live and appreciate the author's journey to serenity

For the Most Part Jordan Ron Jordan, Ron Jordan, 2009-11 Spinning yarns and storytelling has been a way of life for many folks living in the American West Here is a returning author whose stories will captivate and remain with you for many years to come Ron Jordan knows the western life up close and personal living it on a daily basis His stories and point of view are unlike anything you've read before Down to earth honesty with the diplomacy of a stampede this author writes it like he sees it

Michel,2020-12-31 If you were to account for your life at this moment are you living up to your own potential Does your present state of affairs give you reason to be disappointed or discouraged Is your job unsatisfying your relationships far from what they could be your spiritual life a mere shadow of what it once was If you answered yes to one or more of these questions then there is a very good chance you like scores of other Americans have been lulled into accepting a life that is simply good enough This is what I term a Mediocre Me Mindset a confining way of thinking about your role in the world that convinces you to settle for the perceived safety of the status quo rather than push outside your comfort zone to try and make tomorrow a little better than you found it today In Mediocre Me you will find a simple yet profoundly powerful approach to rethinking the way you view your role in the world It is a proven means of breaking free from the grasp of mediocrity so you can lead a life of true purpose meaning and significance And perhaps the best part of all it is not a new idea The concepts in Mediocre Me are actually anchored in an over two thousand year old legend One that reminds us we are at our individual and collective best not when we are standing still unwitting prisoners of the status quo but rather when we are unafraid to reject apathy and embrace action by leading the positive change we want to see occur in our surroundings Ralph Waldo Emerson once wrote America is another name for opportunity At a time in our nation's history when we seem more divided than united more fearful than hopeful there can be no more fence sitting It is time to begin writing a different more empowering personal leadership story of your own One that will energize you to do what you can when you can where you can to be a force for good in your part of the world when doing so is needed now more than ever **Bigg's General Railway Acts** Great Britain,1912 The Statutes Great Britain,1909
