*History Of The Future* Allan E. Goodman, 2019-03-04 This book provides a representation of a world in which none of us have lived and of its potential dynamics It looks at the interaction of tendencies such as democratization technological expansion regional integration and the obsolescence of war and discusses U S role in changing world order      **Currents of Thought**

**in African Sociology and the Global Community** Joshua Awosan, 2009 Currents of Thought in African Sociology and the Global Community focuses on research findings further enriched in the realm of the emergent indigenous African sociology within a global context An authentic guide it has potential to expose readers to the intricacy of research in its various ramifications Its uniqueness consists in casting in an explanatory framework what each of the subdisciplines of sociology is all about while simultaneously discussing the theoretical and methodological orientations in which the accompanying research findings are situated The transition of sociology in Africa inextricably tied in with global dimension is its major theme And discussion questions exercises and essays at the end of each chapter constitute a stimulating teaching tool Its theoretical coverage straddles a wide variety of paradigms from structural functional theory and conflict theory to symbolic interactionism ethnomethodology dramaturgy exchange theory etc The book will be of use in courses in sociology anthropology research methods global human issues African and African American studies Third World societies and criminal justice Besides it constitutes an experiential celebration of deivory towerism emphasizing the involvement of the academic citadel with the community      **Global Community** Akira Iriye, 2002-07-06 How did the global community both as an idea

and as a reality originate and develop over time This text examines this concept by looking at the emergence growth and activities of international organizations from the 19th century to the 21st Akira Iriye one of this country s most preeminent historians proposes a significant rereading of the history of the past fifty years suggesting that the central influence on the international scene in this period was not the Cold War but rather a deepening web of international interactions The first systematic study of international organizations by a historian Global Community moves beyond the usual framework for studying international relations politics war diplomacy and other interstate affairs as it traces the crucial role played by

international organizations in determining the shape of the world today      [The Routledge History of World Peace since 1750](#)  
 Christian Philip Peterson, William M. Knoblauch, Michael Loadenthal, 2018-10-10 The Routledge History of World Peace since 1750 examines the varied and multifaceted scholarship surrounding the topic of peace and engages in a fruitful dialogue about the global history of peace since 1750 Interdisciplinary in nature the book includes contributions from authors working in fields as diverse as history philosophy literature art sociology and Peace Studies The book crosses the divide between historical inquiry and Peace Studies scholarship with traditional aspects of peace promotion sitting alongside expansive analyses of peace through other lenses including specific regional investigations of the Middle East Africa Latin America and other parts of the world Divided thematically into six parts that are loosely chronological in structure the book offers a broad overview of peace issues such as peacebuilding state building and or conflict resolution in individual countries or regions and indicates the unique challenges of achieving peace from a range of perspectives Global in scope and supported by regional and temporal case studies the volume is an essential resource for educators activists and policymakers involved in promoting peace and curbing violence as well as students and scholars of Peace Studies history and their related fields      **The Global Community Yearbook of International Law and Jurisprudence 2023** GLOBAL COMMUNITY: YEARBOOK OF INTERNATIONAL LAW AND JURISPRUDENCE., 2024-11-05 The Global Community Yearbook of International Law and Jurisprudence features an annual review of global issues and legal developments from international courts and tribunals The 2023 edition explores threats to democracy and the environment international reparations issues the implications of the Russia Ukraine and Israel Palestine conflicts pertaining to international law and the legality of the ECOWAS s intervention in Niger among other topics      **The Global Community Yearbook of International Law and Jurisprudence 2010 Volume I** Giuliana Ziccardi Capaldo, 2012-03-15 a The set generally Please note that the following description applies to both volumes in the 2010 Yearbook not solely to Volume I The Global Community Yearbook is a one stop resource for all researchers studying international law generally or international criminal tribunals specifically The Global Community Yearbook appears annually in two volume editions of carefully chosen primary source material and corresponding expert commentary The general editor Professor Giuliana Ziccardi Capaldo employs her vast expertise in international law to select excerpts from important court opinions and also to choose experts from around the world who contribute essay guides to illuminate those cases Although the main focus is recent case law from the major international tribunals and regional courts the first volume of each year s edition always features expert articles by renowned scholars who address broader themes in international law themes that appear throughout the case law of the many courts covered by the series as a whole b This particular edition 2010 Beginning with the 2010 edition the Yearbook will include the new section Forum Jurisprudential Cross Fertilization An Annual Overview This section aims to compare and analyze the interconnections between the decisions of international courts and tribunals as a way of exploring and examining judicial dialogue and the development of common legal principles

and concepts in all branches of international law The Yearbook is the first academic journal to present an annual overview of the process of jurisprudential cross fertilization between the courts based on the drafting and systematic classification of legal maxims i e points of law decided by various international courts in the section entitled Decisions of International Courts and Tribunals A comprehensive and complete survey by eminent international law scholars exploring evaluating and documenting this process has the potential to enhance our contribution and thus further guide our understanding of how to reduce conflicts and create an effective exchange of legal reasoning between different courts The aim is to promote a favorable environment for the courts to advance the process of judicial cooperation with a view to the possible harmonization of legal principles governing the global community c Individual volumes Volume 1 The 2010 edition of the Global Community Yearbook presents three categories of material wholly beneficial to any international law researcher International tribunals court opinions excerpted with scholarly skill by General Editor Giuliana Ziccardi Capaldo expert guidance on those cases in the form of commentary by globally recognized luminaries whom Ziccardi has chosen personally and more broadly focused introductory essays by similarly prominent scholars whom Ziccardi has also selected for that purpose In the introductory essays those scholars take on current topics such as global intellectual property law and policy the nature of international law and human development and the legal political connotation of material support to terrorism These incisive and knowledgeable introductory articles help frame the debates currently raging in international law before this edition leads the reader on to expert commentary on the noteworthy cases from this past year s dockets of the following tribunals The International Court of Justice The International Tribunal for the Law of the Sea WTO Dispute Settlement System International Criminal Court International Criminal Tribunal for the Former Yugoslavia International Criminal Tribunal for Rwanda Court of Justice of the European Union Ziccardi has arranged the sections of this volume according to that list of tribunals and she has included a short targeted index for each of those sections making any research in this volume efficient and fruitful The 2010 edition of the Global Community Yearbook also gives researchers an illuminating tour through the varied and dynamic law of regional and organizational courts In the court opinion excerpts and expert commentary that fill this volume researchers will find detailed guidance on a rich diversity of legal topics On these questions and a host of others this volume provides to students scholars and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates The courts covered in this edition include The Court of Justice The European Court of Human Rights Inter American Court of Human Rights International Centre for the Settlement of Investment Disputes

**Global Community**, 2008-01-01 Global security cannot be achieved until people view the world as a global community Until such time differences will continue to be perceived as threatening These perceived threats are the primary threat to global security This volume proposes methods for minimizing the us versus them mentality so that we can build a sense of global community
