The Gnostic Jung:

The Gnostic Jung and the Seven Sermons to the Dead Stephan A Hoeller,2012-12-13 Jungian psychology based on a little known treatise he authored in his earlier years The Gnostic Jung C.G. Jung,2013-11-19 Gnosticism was for C G Jung the chief prefiguration of his analytical psychology In this volume Robert Segal an authority on theories of myth and Gnosticism has searched the Jungian corpus for Jung s main discussions of this ancient form of spirituality The progression in Gnosticism from sheer bodily existence to the release of the immaterial spark imprisoned in the body and the reunion of that spark with the godhead represents for Jung the psychological progression from ego consciousness to the ego s rediscovery of the unconscious and the ego s integration with the unconscious to forge the self Included in this volume are both Jung s sole work devoted entirely to Gnosticism Gnostic Symbols of the Self and his own Gnostic myth Seven Sermons to the Dead The book also contains key essays by Father Victor White and Gilles Quispel whose C G Jung und die Gnosis is here translated for the first time In his extensive introduction Segal discusses the parallel for Jung between ancient Gnostic and contemporary Jungian patients the Jungian meaning of Gnostic myths and of the Seven Sermons Jung s possible misinterpretation of Gnosticism and the common characterization of Jung himself as a Gnostic **The Gnostic Jung** Carl Gustav Jung,1992 Gnosticism together with alchemy was for C G Jung the chief prefiguration of his analytical psychology Jung did not simply interpret Gnostic texts psychologically but also cited them as confirmation of his psychology An authority on theories of myth and Gnosticism Robert Segal has searched the Jungian corpus to bring together in one volume Jung s main discussions of this ancient form of spirituality Included in this volume are both Jung s sole work devoted entirely to Gnosticism Gnostic Symbols of the Self and his own Gnostic myth Seven Sermons to the Dead The book also contains key essays by two of the best known writers on Jungian psychology and Gnosticism Father Victor White and Gilles Quispel whose C G Jung und die Gnosis is here translated for the first time In his extensive introduction Segal discusses Jung s fascination with Gnosticism the parallel for Jung between ancient Gnostics and modern Jungian patients the Jungian meaning of Gnostic myths and of the Seven Sermons Jung s possible misinterpretation of Gnosticism and the common characterization of Jung himself as a contemporary Gnostic

The Gnostic Jung and the Seven Sermons to the Dead Stephan A. Hoeller,2002 The Seven Sermons is a modern age gnostic text that Carl Jung believed was dedicated to him **The Search for Roots: C. G. Jung and the Tradition of Gnosis** Alfred Ribi,2013-07-31 The publication in 2009 of C G Jung s The Red Book Liber Novus has initiated a broad reassessment of Jung s place in cultural history Among many revelations the visionary events recorded in the Red Book reveal the foundation of Jung s complex association with the Western tradition of Gnosis In The Search for Roots Alfred Ribi closely examines Jung s life long association with Gnostic tradition Dr Ribi knows C G Jung and his tradition from the ground up He began his analytical training with Marie Louise von Franz in 1963 and continued working closely with Dr von Franz for the next 30 years For over four decades he has been an analyst lecturer and examiner of the C G Jung Institute in Zurich

where he also served as the Director of Studies But even more importantly early in his studies Dr Ribí noted Jung's underlying roots in Gnostic tradition and he carefully followed those roots to their source Alfred Ribí is unique in the Jungian analytical community for the careful scholarship and intellectual rigor he has brought to the study Gnosticism In The Search for Roots Ribí shows how a dialogue between Jungian and Gnostic studies can open new perspectives on the experiential nature of Gnosis both ancient and modern Creative engagement with Gnostic tradition broadens the imaginative scope of modern depth psychology and adds an essential context for understanding the voice of the soul emerging in our modern age A Foreword by Lance Owens supplements this volume with a discussion of Jung's encounter with Gnostic tradition while composing his Red Book Liber Novus Dr Owens delivers a fascinating and historically well documented account of how Gnostic mythology entered into Jung's personal mythology in the Red Book Gnostic mythology thereafter became for Jung a prototypical image of his individuation Owens offers this conclusion In 1916 Jung had seemingly found the root of his myth and it was the myth of Gnosis I see no evidence that this ever changed Over the next forty years he would proceed to construct an interpretive reading of the Gnostic tradition's occult course across the Christian aeon in Hermeticism alchemy Kabbalah and Christian mysticism In this vast hermeneutic enterprise Jung was building a bridge across time leading back to the foundation stone of classical Gnosticism The bridge that led forward toward a new and coming aeon was footed on the stone rejected by the builders two thousand years ago Alfred Ribí's examination of Jung's relationship with Gnostic tradition comes at an important time Initially authored prior to the publication of Jung's Red Book current release of this English edition offers a bridge between the past and the forthcoming understanding of Jung's Gnostic roots **Gnosticism** Stephan A Hoeller, 2012-12-13 Gnosticism developed alongside Judeo Christianity over two thousand years ago but with an important difference It emphasizes not faith but direct perception of God Gnosticism being derived from the Greek word gnosis meaning knowledge Given the controversial premise that one can know God directly the history of Gnosticism is an unfolding drama of passion political intrigue martyrdom and mystery Dr Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire Blake Yeats Hesse Melville and Jung **Freedom** Stephan A. Hoeller, 1992-06-01 Dr Stephan Hoeller examines the philosophic basis for freedom as expressed in the writings of the Gnostics and Carl Jung He relates this philosophy to that of America's founders and to such recent events as the collapse of Communist regimes throughout the world **Jung and the Lost Gospels** Stephan A. Hoeller, 1989-10-01 The Lost Gospels refer to the Dead Sea Scrolls and the Nag Hammadi Library both discovered in the 1940s The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt These did not appear in English for 32 years because the right to publish was contended by scholars politicians and antique dealers The Dead Sea Scrolls discovered in clay jars in Palestine by a goatherder in 1947 weathered similar storms The first team of analysts were mostly Christian clergy who weren't anxious to share material that frightened church leaders As Dr Hoeller shows they

rightly feared the documents would reveal information that might detract from unique claims of Christianity Indeed the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments

The Modern Revival of Gnosticism and Thomas Mann's Doktor Faustus Kirsten J. Grimstad, 2002 This study explores the reappearance of Gnostic themes across the landscape of European literature and thought and in major works by Thomas Mann

The Gnostic World Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history

White Bird, Black Serpent, Red Book Stuart Douglas, 2018-04-17 This book is principally about what is commonly referred to as Gnosticism and its influence on Jung's analytical psychology It is intended for anyone who are interested in Jungian studies and or Gnosticism both the scholar and the general enthusiast and transpersonal psychology community

The Astrological World of Jung's 'Liber Novus' Liz Greene, 2018-02-21 C G Jung's The Red Book Liber Novus published posthumously in 2009 explores Jung's own journey from an inner state of alienation and depression to the restoration of his soul as well as offering a prophetic narrative of the collective human psyche as it journeys from unconsciousness to a greater awareness of its own inner dichotomy of good and evil Jung utilised astrological symbols throughout to help him comprehend the personal as well as universal meanings of his visions In The Astrological World of Jung's Liber Novus Liz Greene explores the planetary journey Jung portrayed in this remarkable work and investigates the ways in which he used astrological images and themes as an interpretive lens to help him understand the nature of his visions and the deeper psychological meaning behind them Greene's analysis includes a number of mythic and archetypal elements including the stories of Salome Siegfried and Elijah and demonstrates that astrology as Jung understood and worked with it is unquestionably one of the most important foundation stones of analytical psychology and an essential part of understanding his legacy This unique study will appeal to analytical psychologists and Jungian psychotherapists students and academics of Jungian and post Jungian theory the history of psychology archetypal thought mythology and folklore the history of New Age movements esotericism and psychological astrology

The Knowledge That Leads to Wholeness Robert Lloyd, 2007-03-26 The Knowledge that Leads to Wholeness is the first book to specifically illustrate how the major Gnostic myths underlie Jung's theory of individuation It is a compelling and in depth examination of a life changing journey that begins with the author discovering the forgotten secrets of the Gnostics These secrets are gradually unveiled as the author and his loyal dog Gold are initiated each in their own way to put the ancient knowledge into practice Dr Lloyd

explores the esoteric side of Carl Jung and reveals the connections between Jungs pivotal theory of individuation i e the journey to wholeness and the powerful visionary myths told by the pioneers of the psyche the Gnostics He details what happens to a person who is on the road to wholeness how the person will change and how a new divine human identity will be born into the world as a result of undertaking this transformational odyssey KIRKUS DISCOVERIES Review Did Carl Jungs principles of psychology have Gnostic origins A Marine Corps Ph D explores the complex mystical possibilities Lloyd splits his expansive hypothesis of the souls journey into three vital steps preparation undertaking and re birth in discovering Jungs path to wholeness He credits Jung with saving his life by way of unlocking his imagination the souls voice and spiritual mindset The author familiarizes readers with the Gnostic religious movement practitioners of an intensely spiritual inner exploration who believed that humans are not bound to experiences solely of the body and mind His literary gift to Jung is these comparative ruminations all exuding a great amount of imagination and provocative thought Running parallel to the authors spiritually progressive interests is his adventuresome interaction with and imaginal dog named Gold who discovers two seeds of knowledge The first rediscovers the spark of divine life whereby humans are one and the same with God and the second amplifies Jungs individuation theory that the human ego must relate to the unconscious mind to achieve psychological health Unerringly throughout his narrative Lloyd grafts Gnostic myths with Jungian wisdom He focuses on the psychic creator and king of the material world Demiurge in association with second century Gnostic visionary Valentinus whose tragic myth of Sophia tells of a restless female deity who travels outside of herself searching for wholeness rather than looking inward and her ultimate repentance Comparatively Jung also writes of humans who restrict themselves to their five senses rather than tapping into the core strength of their imaginative visions where uncanny experiences might spring forth As Lloyd and Gold survey principles of higher consciousness the self the transformative life cycle process and the concluding Syrian lyrical myth Song of the Pearl as they are juxtaposed against Jungs theories the author also cites Gnostic challenges to contemporary religious beliefs as in the re imagined genesis of Jesus of Nazareth Most interestingly Lloyd inserts Jung into his narrative to quiz his arbiters as to whether they have the desire to discover the mystery of their existence Unfiltered hokum for some but those who are open to it will find much needed nourishment and direction for their searching souls Nielsen Business Media 770 Broadway New York NY 10003 646 654 7277 fax 646 654 4706 discoveries kirkusreviews com Visit www.robertcharleslloyd.com Gnostic Return in Modernity Cyril O'Regan,2001-07-19 Gnostic Return in Modernity demonstrates the possibility that Gnosticism haunts certain modern discourses Studying Gnosticism of the first centuries of the common era and utilizing narrative analysis the author shows how Gnosticism returns in a select b The Apocalypse of the Reluctant Gnostics Stuart Douglas,2018-04-19 This book presents a comparison of the Gnostic worldviews of Carl G Jung and science fiction author Philip K Dick two figures who have done far more than most to revive an interest in the Gnostic tradition in the modern world Despite profoundly different approaches one was a depth psychologist whose unique insights

and approach to psychology forced him to explore the depths of the unconscious in a way that inevitably led him to touch frequently on metaphysical or spiritual matters the other was an author of science fiction there are some striking parallels between their unique Gnostic visions With the relatively recent publication of both Jung's and Dick's personal journals *The Red Book* 2009 and *The Exegesis of Philip K Dick* 2011 respectively in which they articulate their Gnostic visions it seems timely to make this comparison

Jung's Studies in Astrology Liz Greene, 2019-09-04 Winner of the IAJG award for best authored book of 2018 C G Jung had a profound interest in and involvement with astrology which he made clear in virtually every volume of the *Collected Works* as well as in many of his letters This ancient symbolic system was of primary importance in his understanding of the nature of time the archetypes synchronicity and human fate Jung's *Studies in Astrology* is an historical survey of his astrological work from the time he began to study the subject It is based not only on his published writings but also on the correspondence and documents found in his private archives many of which have never previously seen the light of day Liz Greene addresses with thoroughness and detailed scholarship the nature of Jung's involvement with astrology the ancient medieval and modern sources he drew on the individuals from whom he learned his ideas about how and why it worked its religious and philosophical implications and its applications in the treatment of his patients as well as in his own self understanding Greene clearly demonstrates that any serious effort to understand the development of Jung's psychological theories as well as the nature of his world view needs to involve a thorough exploration of his astrological work This thorough investigation of a central theme in Jung's work will appeal to analytical psychologists and Jungian psychotherapists students and academics of Jungian and post Jungian theory the history of psychology archetypal thought mythology and folklore the history of New Age movements esotericism and psychological astrology

Jung on Mythology C. G. Jung, 1998-08-16 Theories of myth differ based on perceptions of its origin and function This volume collects and organizes key passages on myth by Jung and by some of the most prominent Jungian writers after him The book synthesizes the discovery of myth as a therapeutic tool to explore the unconscious

Jung's Answer to Job Paul Bishop, 2014-12-18 Greeted with controversy on its publication *Answer to Job* has long been neglected by many serious commentators on Jung This book offers an intellectual and cultural context for C G Jung's 1952 publication *In Jung's Answer to Job A Commentary* the author argues that such neglect is due to a failure to understand Jung's objectives in this text and offers a new way of reading the work The book places *Answer to Job* in the context of biblical commentary and then examines the circumstances surrounding its compositions and immediate reception A detailed commentary on the work discusses the major methodological presuppositions informing it and explains how key Jungian concepts operate in the text Jung's *Answer to Job A Commentary* unravels Jung's narrative by reading it in the chronological order of the biblical events it analyses and the book to which it refers offering a comprehensive re-reading of Jung's text An original argument put across in a scholarly and accessible style provides an essential framework for understanding the work Whilst taking account of the tenets of

analytical psychology this commentary underlines Answer to Job s more general significance in terms of cultural history It will be invaluable to students and scholars of analytical psychology the history of ideas intercultural studies comparative literature religion and religious studies **Jung's Philosophy** Lionel Corbett,2023-12-14 Jung s Philosophy explores some of the controversial philosophical ideas that are both explicit and implicit within Jung s psychology comparing the philosophical assumptions between this and other psychotherapeutic traditions Within this book Corbett provides a useful introduction to the philosophical issues relevant to the practice of analytical psychology and how these are viewed by different psychotherapeutic traditions Most of the disagreement between schools of psychotherapy and much of the comparative literature centres around differences in theory and technique This book takes a different more fundamental approach by comparing schools of thought based on their underlying philosophical commitments The author discusses the philosophical basis of various worldviews such as idealism and realism beliefs about the nature of the psyche and the unconscious and the mind brain relationship and focuses on the way in which Jung s psychology addresses these and related issues including the possible relevance of quantum mechanics to depth psychology This text will be of value to practising psychotherapists and Jungian analysts individuals undertaking the relevant training and students in depth psychology

Gnosticism and the History of Religions David G. Robertson,2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

The Gnostic Jung Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Gnostic Jung has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Gnostic Jung has opened up a world of possibilities. Downloading The Gnostic Jung provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Gnostic Jung has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Gnostic Jung. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Gnostic Jung. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Gnostic Jung, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Gnostic Jung has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
