Markku Valkonen

The Golden Age Finnish Art 1850 To 1907:

The Golden Age Markku Valkonen,1992 **Modern Finland** Harald Haarmann,2016-10-04 Providing a multifaceted view of modern Finland this book describes its history culture language geography natural history and the mythology of early peoples Topics include Fenno Scandia inhabitants and their environment traditional naturalism and modern environmentalism and the salient features of Finnishness including an analysis of the Finnish educational system and gender equality Finland s art architecture and music are highlighted along with its peace keeping missions worldwide The country s several ethnic groups and their languages are discussed the Saami Finns Finland Swedes Russian speaking peoples Jews and Gypsies The author examines Finland s late but rapid development in commerce and industry with a focus on the history of Nokia Corporation which grew from a 19th century manufacturer of pulpwood and rubber boots to a 21st century international digital communications company *Modernism in Scandinavia* Charlotte Ashby,2017-02-23 Scandinavia is a region associated with modernity modern design modern living and a modern welfare state This new history of modernism in Scandinavia offers a picture of the complex reality that lies behind the label a modernism made up of many different figures impulses and visions It places the individuals who have achieved international fame such as Edvard Munch and Alvar Aalto in a wider context and through a series of case studies provides a rich analysis of the art architecture and design history of the Nordic region and of modernism as a concept and mode of practice Modernism in Scandinavia addresses the decades between 1890 and 1970 and presents an intertwined history of modernism across the region Charlotte Ashby gives a rationale for her focus on those countries which share an interrelated history and colonial past but also stresses influences from outside the region such as the English Arts and Crafts movement and the impact of emergent American modernism Her richly illustrated account guides the reader through key historical periods and cultural movements with case studies illuminating key art works buildings designed products and exhibitions **A Companion to the Classical Tradition** Craig W. Kallendorf,2010-02-01 A Companion to the Classical Tradition accommodates the pressing need for an up to date introduction and overview of the growing field of reception studies A comprehensive introduction and overview of the classical tradition the interpretation of classical texts in later centuries Comprises 26 newly commissioned essays from an international team of experts Divided into three sections a chronological survey a geographical survey and a section illustrating the connections between the classical tradition and contemporary theory *Sibelius* Glenda Dawn Goss,2009-12-15 One of the twentieth century s greatest composers Jean Sibelius 1865 1957 virtually stopped writing music during the last thirty years of his life Recasting his mysterious musical silence and his undeniably influential life against the backdrop of Finland s national awakening Sibelius will be the definitive biography of this creative legend for many years to come Glenda Dawn Goss begins her sweeping narrative in the Finland of Sibelius s youth which remained under Russian control for the first five decades of his life Focusing on previously unexamined events Goss explores the composer s formative

experiences as a Russian subject and a member of the Swedish speaking Finnish minority She goes on to trace Sibelius's relationships with his creative contemporaries with whom he worked to usher in a golden age of music and art that would endow Finns with a sense of pride in their heritage and encourage their hopes for the possibilities of nationhood Skillfully evoking this artistic climate in which Sibelius emerged as a leader Goss creates a dazzling portrait of the painting sculpture literature and music it inspired To solve the deepest riddles of Sibelius's life work and enigmatic silence Goss contends we must understand the awakening in which he played so great a role Situating this national creative tide in the context of Nordic and European cultural currents Sibelius dramatically deepens our knowledge of a misunderstood musical giant and an important chapter in the intellectual history of Europe *Finnish Art Over the Centuries* Markku Valkonen,1999
