THE THIRD EDITION

12-VOLUME SET

J.G. FRAZER

CAMBRIDGE

# The Golden Bough Vol

**Sir James George Frazer**

## **The Golden Bough Vol :**

The Golden Bough James George Frazer,1998 First published in 1890 The Golden Bough is a seminal work of modern anthropology A classic study of the beliefs and institutions of mankind that traces the development and confluence of thought from magic and ritual to modern scientific theory it has been a source of great influence upon such diverse writers as T S Eliot Wyndham Lewis and D H Lawrence This edition restores many of the controversial passages expurgated in the 1922 edition that elucidate Frazer s bolder theories and sets them within the framework of a valuable introduction and notes

**The Golden Bough** James George Frazer,2012-04-26 The greatly revised and enlarged twelve volume third edition 1911 15 of Sir James Frazer s controversial work on classical religion **The Golden Bough** J.G. Frazer,2016-02-19 Sir James George Frazer originally set out to discover the origins of one ancient custom in Classical Rome the plucking of the Golden Bough from a tree in the sacred grove of Diana and the murderous succession of the priesthood there and was led by his investigations into a twenty five year study of primitive customs superstitions magic and myth throughout the world The monumental thirteen volume work which resulted has been a rich source of anthropological material and a literary masterpiece for more than half a century Both the wealth of his illustrative material and the broad sweep of his argument can be appreciated in this very readable single volume **The Golden Bough** J. Frazer,2001-12-20 Sir James George Frazer originally set out to discover the origins of one ancient custom in Classical Rome the plucking of the Golden Bough from a tree in the sacred grove of Diana and the murderous succession of the priesthood there and was led by his investigations into a twenty five year study of primitive customs superstitions magic and myth throughout the world The monumental thirteen volume work which resulted has been a rich source of anthropological material and a literary masterpiece for more than half a century The Golden Bough is an essential reference work for all involved in the intellectual disciplines of anthropology and the history of religion but also on literature and the arts The third edition reprinted here was Frazer s final authoritative statement in which he offered readers a dramatically new way of understanding the religious beliefs and behaviour of the ancient world and their connection to those of the primitive world that then made up much of the British Empire Frazer s three stage evolutionary ladder of magic religion science gave his large readership a clear way of understanding in David Hume s phrase the natural history of religion The third edition is presented with two major works of scholarship enabling readers to understand the origins development and importance of Frazer s landmark work The first extra volume is an out of print biography of J G Frazer by Professor Robert Ackerman first published by Cambridge University Press Professor Ackerman also provides us with an excellent introduction in this volume The second volume contains Dr Robert Fraser s The Making of the Golden Bough These volumes are available as a two volume set as well as being part of the fifteen volume set

*Golden Bough ... Vol. II* James George Frazer, 1980

**The Golden Bough Vol II** James George Frazer, Sir, Alex

Struik, 2012-10-16 *The Golden Bough A Study in Magic and Religion* is a wide ranging comparative study of mythology and religion written by Scottish anthropologist Sir James George Frazer. It was first published in 1890. The work was aimed at a wide literate audience raised on tales as told in such publications as Thomas Bulfinch's *The Age of Fable* or *Stories of Gods and Heroes* 1855. It offered a modernist approach to discussing religion treating it dispassionately as a cultural phenomenon rather than from a theological perspective. The impact of *The Golden Bough* on contemporary European literature was substantial. This is Vol II of the 1922 edition. Sir James George Frazer FRS FRSE FBA OM 1 January 1854 7 May 1941 was a Scottish social anthropologist influential in the early stages of the modern studies of mythology and comparative religion. He is often considered one of the founding fathers of modern anthropology. His most famous work *The Golden Bough* documents and details similar magical and religious beliefs across the globe. Frazer posited that human belief progressed through three stages: primitive magic replaced by religion in turn replaced by science. [The Golden Bough - Volume IV](#) James George Frazer, 2015-05-04 *The Golden Bough Volume IV* from James George Frazer, Scottish social anthropologist 1854 1941. [The Golden Bough, Vol. 1, by J.G. Included in your purchase you have *The Golden Bough* Vol 1 of 2 in EPUB AND PDF format to read on any tablet eReader desktop laptop or smartphone simultaneously. Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside *The Golden Bough* Vol 1 of 2. Look inside the book. At Rome and in other Italian cities there was a priest called the Sacrificial King or King of the Sacred Rites *Rex Sacrificulus* or *Rex Sacrorum* and his wife bore the title of Queen of the Sacred Rites. 17 In republican Athens the second magistrate of the state was called the King and his wife the Queen; the functions of both were religious. 18 Many other Greek democracies had titular kings whose duties so far as they are known seem to have been priestly. 19 At Rome the tradition was that the Sacrificial King had been appointed after the expulsion of the kings in order to offer the sacrifices which had been previously offered by the kings. 20 In Greece a similar view appears to have prevailed as to the origin of the priestly kings. 21 In itself the view is not improbable and it is borne out by the example of Sparta the only purely Greek state which retained the kingly form of government in historical times. In a Samoan village a certain stone was carefully housed as the representative of the rain making god and in time of drought his priests carried the stone in procession and dipped it in a stream. 43 In the Ta ta

thi tribe of New South Wales the rain maker breaks off a piece of quartz crystal and spits it towards the sky the rest of the crystal he wraps in emu feathers soaks both crystal and feathers in water and carefully hides them 44 pg 015 In the Keramin tribe of New South Wales the wizard retires to the bed of a creek drops water on a round flat stone then covers up and conceals it 45 The Fountain of Baranton of romantic fame in the forest of Br cilien used to be resorted to by peasants when they needed rain they caught some of the water in a tankard and threw it on a slab near the spring 46 When some of the Apache Indians wish for rain they take water from a certain spring and throw it on a particular point high up on a rock the clouds then soon gather and rain begins to fall 47 There is a lonely tarn on Snowdon called Dulyn or the Black Lake lying in a dismal dingle surrounded by high and dangerous rocks About James George Frazer the Author When the worm arrived and said that they should dig up the corpse place it in a tree and throw mush at it they were too lazy to do this and so death remained on Earth For those who see Frazer s work as the start of anthropological study in its modern sense the site and the cult of Nemi must hold a particular place This colourful but minor backwater of Roman religion marks the source of the discipline of Social Anthropology remarks Mary Beard in noting the critical reassessment of Frazer s work following Edmund Leach Frazer Leach and Virgil The Popularity and Unpopularity of the Golden Bough Comparative Studies in Society and History 34 2 April 1992 203 224 p

## Unveiling the Energy of Verbal Art: An Emotional Sojourn through **The Golden Bough Vol**

In some sort of inundated with monitors and the cacophony of fast conversation, the profound energy and emotional resonance of verbal artistry often fade in to obscurity, eclipsed by the regular barrage of sound and distractions. Yet, situated within the lyrical pages of **The Golden Bough Vol**, a charming function of literary beauty that impulses with organic emotions, lies an unique journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, that exciting opus guides viewers on an emotional odyssey, softly exposing the latent possible and profound impact embedded within the elaborate internet of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is key subjects, dissect its charming writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
