The Streets of Ascalon Robert W. Chambers, 2021-04-25 In *The Streets of Ascalon* Robert W Chambers crafts a mesmerizing narrative that intertwines elements of the supernatural with rich evocative settings reminiscent of late 19th century Paris The book unfolds through a series of vignettes illustrating the lives of artists and dreamers who are caught between reality and the ethereal possibilities of their imaginations Chambers lyrical prose and striking imagery draw readers into an intricate web of emotions and reflections on existential themes mirroring the Symbolist movement that profoundly influenced him during this era Chambers an American author born in 1865 was a contemporary of the literary avant garde His exposure to European culture and literature would shape his narrative strategies and philosophies *The Streets of Ascalon* reflects his interests in art beauty and the esoteric while the author s own experiences as an illustrator and a member of the theatrical community lend authenticity to his exploration of the artistic psyche This novel is highly recommended for readers who are intrigued by the intersection of art and the metaphysical It invites introspection and challenges one s perception of reality making it a captivating read for those who appreciate depth and disquieting beauty in

literature *The Tricks of the Trade* Dario Fo,1991 A collection of talks workshops lectures and conference pieces which were recorded at the time before being written by Fo s wife and collaborator Franca Rame from introduction **The Silver Mask** Olga Yu Soboleva,2008 A highly significant movement within the Silver Age harlequinade did not surface in Russian high culture until the turn of the twentieth century when it suddenly began to attract the close attention of symbolist authors In the present work an attempt is made to show that the proliferation of the new cultural idiom was indicative of the fundamental concerns of the time and intimately related to the development of artistic thought Although the theme is considered in its cultural totality visual arts literature and drama the work is focused on symbolist poetry It provides a close analysis of the harlequinade verse of Blok and Belyi two leading figures of the movement in whose writings the symbolist theory found its maturity and perfection The poems in question are conceptually centred on the dialectical unity of self and other one of the key notes in the new symbolist outlook This is traced at various levels of poetic representation in the imagery system and the principles of text construction in linguistic features and poetic devices employed by the authors Special attention is given to the sound organization of the poems which heightens considerably the semantic potential of the text

The Spiritual Power of Masks Nigel Pennick,2022-04-19 Reveals how mask rituals are akin to shamanic journeying and allow the mask wearer to personify an ancestral presence spirit deity or power Examines animal guising and shows how mask customs are tied to creation myths and the ancestral founders of a people tribe city or nation Looks at morris dancers and mummers in the UK Krampuslauf and Perchtenlauf in Germanic areas the Gorgon myths of Greece Norse Berserker rituals and the annual Black Forest rite to awaken ensouled masks every spring There is a spiritual power in masks that transports one into realms unseen and gives voice to things unspoken Within the context of ritual putting on a mask places the wearer at the intersection between the present and the past the living and the dead this world and the Otherworld Masks make it possible to activate ancient archetypes with the mask wearer reanimating or personifying an ancestral presence or spirit a deity or power an animal or a being of the eldritch world In this illustrated study Nigel Pennick explores the magical and spiritual aspects of mask wearing from ancient times to the present He examines the many mask traditions around Europe and shows how mask rituals are similar to shamanic journeying and near death experiences and can induce ecstatic states that allow the power signified by the mask to take possession of the individual wearing it He also looks at the practice of dressing up as sacred animals and mask wearing as it relates to ostentatious events that occur suddenly and without warning that are considered a token or sign from the Otherworld Unveiling the sacred power of masks the author shows how masks allow us to transport into realms unseen embody ancestors and otherworldly entities and connect with traditions that stretch back to time immemorial **The Drama of Self in Guillaume Apollinaire's Alcools** Richard Howard Stamelman,1976 This volume closely follows Guillaume Apollinaire s search for self knowledge through eight poems of *Alcools* The study analyzes the dramatic personae and metaphors found in these poems and broaches ideas of the changing nature of the self
