The Gondola Scam:

The Gondola Scam Jonathan Gash,1985-03-05 **The Gondola Scam** Jonathan Gash,2014-04-03 Antiques and women are really the only things that I m interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascination especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying

The Gondola Scam Jonathan Gash,1984-01-01 Lovejoy John Gash,Jonathan Gash,1991 Islands Magazine ,2000-04
Harper's Encyclopædia of United States History from 458 A.D. to 1902 ,1901 **Comic Crime** Earl F. Bargainnier,1987

The actual world of crime is not a subject for laughter but rather for anger or tears The world of fiction however is a different matter Most crime fiction is much nearer the comic than the tragic In the oldest sense of the term comedy that no matter the difficulties misunderstandings or even deaths the evil are thwarted and the good rewarded crime fiction is essentially comic The following eleven original essays cover a wide range in time authors forms of fiction and types of comedy I hope readers will be both informed and entertained by this excursion into British and American humor and homicide comedy and crime

Talking Book Topics ,1986 **Pearlhanger** Jonathan Gash,2014-04-03 I don t much like working for clients It means that I have to follow someone else s instructions and I ve never been too good at that When those instructions came from a spirit guide at a seance I just had to laugh Well you would wouldn t you The rather attractive young woman whose husband the spook had said I should help her to find took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders Situation normal really Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn t laughing any more **British Mystery and Thriller Writers Since 1960** Gina Macdonald,2003 Spans much of the modern history of the mystery genre and along with it many of the political and social changes from the classical detective story the World War II spy story and the Cold War thriller to postmodern detective and spy adventures and the politics of terrorism and confrontation of the twenty first century **The Vatican Rip** Jonathan Gash,2013-11-07 I always think that a genuine friend is like a genuine antique you d go a long way to find one and you d do anything to stop one getting broken When an Italian gentleman made me an offer I couldn t refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don t they But they re well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be

doing it wouldn't they **Prohibition A** Mike Hockney, 2011-09-29 She's their best agent Now they've given her a new mission Sarah Harris must kill presidential candidate Robert Montcrieff on his wedding day in St Patrick's Cathedral in Manhattan There's just one problem Sarah is Montcrieff's bride She has one week to persuade them they've made a terrible mistake Her frantic search for answers will bring her face to face with Sin for Salvation an ancient cult with murderous rituals Its members aspire to commit an ultimate sin known as Prohibition A The cult preaches a hypersexual creed that has seduced Wall Street's highest flyers They enlist recruits in the world's most exclusive nightclub revolving around a sado masochistic fantasy journey through Dante's nine circles of hell But when its wealthy clientele leave the club it's neither lust nor lucre they have on their minds It's murder **Sequels** Janet Husband, Jonathan F. Husband, 1990 A reference book for librarians and users of public libraries which provides easy access to information on good recreational reading This revised edition features expanded coverage of mystery and science fiction New indexes allow access by subject genre and main characters **Faces in the Pool** Jonathan Gash, 2009-12-08 In Jonathan Gash's 24th Lovejoy Mystery Faces in the Pool Lovejoy is released from jail on condition he join the elegant Laura Moon's speed dating agency A divorced millionairess she proposes a temporary marriage of convenience to help her hunt down her former husband Can Lovejoy do what is expected of him without getting killed A picaresque tour de farce If you crave linear plotting Gash will send you screaming for Tylenol but nobody dissembles more brilliantly Kirkus Reviews **Listener and BBC Television Review**, 1984-04 Bowler's Guide to Characters in Fiction 2007, 2008-02 **Library Journal**, 1984 **Firefly Gadroon** Jonathan Gash, 2013-11-07 I don't like to pack too much into an ordinary day and this one had already been pretty eventful two arguments with women a fight in a pub a warning from the Old Bill and a fiasco at auction that lost me an exquisite antique Japanese firefly cage The trouble was somebody wanted that little gem even more than I did It was the key that would unlock a secret they'd do anything to keep under wraps even murder If only they could only have gone about their dirty deeds without involving me or my friends they might have got away with it all but when the master craftsman bravely trying to teach me the art of gadrooning fell foul of them and paid for it with his life they had me to deal with The Oxford Dictionary of Idioms Judith Siefring, 2005-11-10 Did you know that flavour of the month originated in a marketing campaign in American ice cream parlours in the 1940s when a particular flavour would be specially promoted for a month at a time And did you know that off the cuff refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language A major new edition it contains entries for over 5000 idioms including 350 new entries and over 500 new quotations The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme the biggest language research programme in the world The entries are supported by a wealth of illustrative

quotations from a wide range of sources and periods For example Rowling has not been asleep at the wheel in the three years since the last Potter novel and I am pleased to report that she has not confused sheer length with inspiration Guardian 2003 I made the speech of a lifetime I had them tearing up the seats and rolling in the aisles P G Woodhouse 1940 Many entries include boxed features which give more detailed background on the idiom in question For example did you know that taken aback was adopted from nautical terminology and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast The text has been entirely redesigned so that it is both elegant and easy to use Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume **The Bibliography of Regional Fiction in Britain and Ireland, 1800-2000** Keith D. M.

Snell,2017-03-02 Pioneering and interdisciplinary in nature this bibliography constitutes a comprehensive list of regional fiction for every county of Ireland Scotland Wales and England over the past two centuries In addition other regions of a usually topographical or urban nature have been used such as Birmingham and the Black Country London The Fens the Brecklands the Highlands the Hebrides or the Welsh border Each entry lists the author title and date of first publication The geographical coverage is encompassing and complete from the Channel Islands to the Shetlands An original introduction discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction
