## **The Pontius Pilate Papers:**

**The Pontius Pilate Papers** Warren Kiefer,1976-01-01      *Papers from a Viceroy's Yamen* Hung-ming Ku,1923      The Collected Papers of Bertrand Russell, Volume 11 Bertrand Russell,2024-08-01 This volume collects together Russell's philosophical writings during the period from 1947-68. For about half of this period Russell worked steadily at philosophy but after the publication of *My Philosophical Development* in 1959 he retired from academic philosophy for the second time. After that date only the occasional philosophical piece appeared as he was preoccupied with political writings. In this volume there are a handful of papers dated later than 1959 and all of these were certainly written by Russell himself. This volume contains Russell's writings on diverse philosophical interests including autobiographical and self-critical papers, critiques of other philosophers and his controversial opinions on Christianity.

Secret Scrolls Robert M. Price,2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax, will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate and so will *Secret Scrolls*.

**Papers Relating to the Foreign Relations of the United States** United States. Department of State,1866      The Trial of St. John David J. Diamond,2019-02-05 A twelve-year-old Jewish girl is kidnapped by a gang of boys on Good Friday. They tell her the Bible claims all Jews are responsible for the crucifixion of Jesus Christ. They seek revenge and tie her to a cross of Jesus in a church courtyard. She is stripped naked and sexually assaulted. Her father is a history professor and is horrified by what happened to his daughter. He searches for the reasons for the hatred of Jews and finds it in the words of the Gospel of John in the New Testament. He writes a book accusing St. John of lying about the Jews and being the source of anti-Semitism that led to the massacres of Jews throughout the centuries culminating in the

Holocaust An extreme Christian organization does not want a book published that criticizes the Holy Bible Kidnapping and attempted murder are used to stop the publication of the book Embedded in the exciting story is a fictional trial of St John John and others in the story defend the Gospel of John They deny that John s words are responsible for the Holocaust Both sides are fairly represented You decide if John is guilty or innocent of the murder of the Jews since the birth of Christianity This is a provocative story with memorable characters and an intriguing plot This controversial book is destined to trigger an intense national debate     Our Paper ,1897     **The Monthly paper of Sunday teaching** ,1863     **Papers relating to the foreign relations of the United States** ,1866     **Gospel Thrillers** Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible s sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties
