The Two Seeds Fred A. Wilson,2018-11-05 The Two Seeds is an exposition of Genesis 3 And Hashem Elohim said to the Woman Eve What is this you have done And the Woman said The Serpent the Nachash beguiled cheated outwitted and deceived me and I ate And Hashem Elohim said to the Serpent Because you have done this you are cursed above all domestic animals and above every wild living thing of the field upon your belly you shall go and you shall eat dust and what it contains all the days of your life And I will put enmity between you and the Woman and between your seed and her Seed He will bruise and tread your head underfoot and you will lie in wait and bruise His heel Gen 3 13ff After the Fall of Man Adam the war in heaven led by the archangel Michael against the dragon thence the ancient serpent Satan would continue on the earth And the huge Dragon was cast down and out that ancient serpent who is called the Devil and Satan he who is the seducer deceiver of all Humanity the World over he was forced out and down to the Earth and his angels were flung out along with him Rev 12 1ff 19 1ff Isa 14 1ff Ezek 28 1ff Luke 10 1ff John 16 7ff among others The war between the two seeds would be a war of the spirit beings fought through human beings and other living things to the detriment of those who make the wrong choices during the battles to save the world of man How did it begin and how will it end Prophet Daniel 12 8 wanted to know more and wrote And I heard but I did not understand Then I said O my Lord what shall be the issue and final end of these things This is the one question every believer is dying to know literally

Seeds of Destruction Elizabeth Abbott Green,2017-10-13 Elizabeth Abbott Green has written a compelling narrative of the life of a family lived well but not without struggle a life that spans the last half of the 20th Century and into the Millenium a life of equal parts of joy heartache

and faith Even though the rigors of a military life impose unique requirements on the family the added pressures of a foreign war extended absence from the family unit by the military member unexpected and frequent family moves and changes of schools our family seemed to adapt well and for a time to thrive The catalyst for the book Seeds of Destruction was a major incident that almost took the life of our second son Greg The book should be interesting to many audiences young military families trying to cope with the almost constant overseas demands placed on them in today s military people of all ages who love travel and are willing and able to accept the challenge and Christians everywhere who are interested in Bible prophecy Seeds of Destruction is the work of a lifetime not only of the entire family who lived it but especially a work of total commitment for over 30 years by the author and the focused study of Christianity and the signs of our times Elizabeth Abbott Green s analysis of the true path to God s will for us is exemplary and I believe it should be read by all who feel that much of today s world is taking us in the opposite direction

Historical Phases of Prophetic Teaching Volume II Evelyn Theresa Watson,2013-11 The author Evelyn Theresa Watson began her search of the scriptures with Genesis One where a primitive people said what they believed to be true about themselves and a creator named God She unveils the day by day metaphoric prophecy that qualifies the formative process of immortal life and mortal time said of God which became the signs of the times In this second volume of Historical Phases of Prophetic Teaching she distinguishes between two accounts of creation the first created of God and the second made by the LORD God The author presents this scriptural message in chapter verse subdivisions with descriptive headings that denote a statutory code of ethics in a systematic or set discourse of preceptive prophecy Through translated words the reader will gain spiritual insight into scriptural prophecy concerning what was said of the LORD God as God and the covenants he made with Noah Abraham and Moses Are you aware that a primitive account of immortality and mortality begins with THE FIRST BOOK OF MOSES CALLED GENESIS Are you seeking spiritual insight into the metaphoric mystery of biblical prophecy How does the primitive language of soul identify the generations in mortal immortal words of scriptural prophecy This commentary provides a systematic way for you to search the books of Genesis and Exodus for answers to these questions

account of immortality and mortality begins with THE FIRST BOOK OF MOSES CALLED GENESIS Are you seeking spiritual insight into the metaphoric mystery of biblical prophecy How does the primitive language of soul identify the generations in mortal immortal words of scriptural prophecy This commentary provides a systematic way for you to search the books of Genesis and Exodus for answers to these questions The Possessor of the Seed Michelle LaVigne-Wedel,2000-08-01 The pressure between the Corays and the Sheens the two clans who owned most of the world was building up too fast to be vented safely That is why Touchea was alive again She was there to continue a prophecy she had foretold generations ago and to help her people make the transition into chaos *Paul and the Gentile Problem* Matthew Thiessen,2016-02-01 Paul and the Gentile Problem provides a new explanation for the apostle Paul s statements about the Jewish law in his letters to the Romans and Galatians Paul s arguments against circumcision and the law in Romans 2 and his reading of Genesis 15 21 in Galatians 4 21 31 belong within a stream of Jewish thinking which rejected the possibility that gentiles could undergo circumcision and adopt the Jewish law thereby becoming Jews Paul opposes this solution to the gentile problem because he thinks it misunderstands how essentially hopeless the gentile situation remains outside of Christ The second part of the book moves from Paul s arguments against a gospel that requires gentiles to undergo circumcision and adoption of the Jewish law to his own positive account based on his reading of the Abraham Narrative of the way in which Israel s God relates to gentiles Having received the Spirit pneuma of Christ gentiles are incorporated into Christ who is the singular seed of Abraham and therefore become materially related to Abraham But this solution raises a question Why is it so important for Paul that gentiles become seed of Abraham The argument of this book is that Paul believes that God had made certain promises to Abraham that only those who are his seed could enjoy and that these promises can be summarized as being empowered to live a moral life inheriting the cosmos and having the hope of an indestructible life The Incredibly Boring Life of Peter Black Arthur H.
