The Power Of Solitude My Life In The German Resistance:

The Power of Solitude Marion Yorck Von Wartenburg, Claudia Schm"lders, 2000-01-01 Dearly beloved Child of my Heart we are probably standing at the end of our beautiful and rich life together Because tomorrow the People s Court intends to sit in judgment on me and others I hear that we have been expelled from the army They can take the uniform from us but not the spirit in which we acted Peter Yorck von Wartenburg in a letter to his wife Marion Yorck von Wartenburg was involved in the Nazi resistance group known as the Kreisau Circle whose cofounder was her husband Peter The Kreisau Circle participated in the assassination attempt on Adolf Hitler on July 20 1944 Peter s cousin Claus Stauffen berg and other members of the military resistance carried out the attempt When they failed hundreds of people were arrested tried and executed including Peter Marion and other members of the conspirators families were also arrested and spent months jailed under miserable conditions In this memoir Marion recreates the terrifying reality of her life as the wife of a resistance fighter and at the same time conveys the depth of the bond that existed between her and her husband *The Power of Solitude* Marion Yorck Von Wartenburg, Claudia Schm"lders, 2000-01-01 Dearly beloved Child of my Heart we are probably standing at the end of our beautiful and rich life together Because tomorrow the People s Court intends to sit in judgment on me and others I hear that we have been expelled from the army They can take the uniform from us but not the spirit in which we acted Peter Yorck von Wartenburg in a letter to his wife Marion Yorck von Wartenburg was involved in the Nazi resistance group known as the Kreisau Circle whose cofounder was her husband Peter The Kreisau Circle participated in the assassination attempt on Adolf Hitler on July 20 1944 Peter s cousin Claus Stauffen berg and other members of the military resistance carried out the attempt When they failed hundreds of people were arrested tried and executed including Peter Marion and other members of the conspirators families were also arrested and spent months jailed under miserable conditions In this memoir Marion recreates the terrifying reality of her life as the wife of a resistance fighter and at the same time conveys the depth of the bond that existed between her and her husband *Memories of Kreisau and the German Resistance* Freya von Moltke, 2005-01-01 Memories of Kreisau and the German Resistance is the personal account of Freya von Moltke a member of the Kreisau Circle a German resistance group that participated in the attempt to assassinate Hitler on July 20 1944 Freya s husband Helmuth von Moltke was a cofounder of the circle and was executed after the failed assassination attempt Freya recounts both personal details and sweeping historical events She describes the resistance work carried out during the meetings of the circle as well as the last days of Kreisau after many of the members of the resistance were executed for their roles in the failed assassination attempt When the war ended in 1945 Freya was evacuated from Kreisau and the von Moltke estate was given to Poland A World Without Jews Alon Confino, 2014-04-15 A groundbreaking reexamination of the Holocaust and how Germans understood their genocidal project Insightful and chilling Kirkus Reviews Why exactly did the Nazis burn the Hebrew Bible everywhere in Germany on November 9 1938 The perplexing event has not

been adequately accounted for by historians in their large scale assessments of how and why the Holocaust occurred In this gripping new analysis Alon Confino draws on an array of archives across three continents to propose a penetrating new assessment of one of the central moral problems of the twentieth century To a surprising extent Confino demonstrates the mass murder of Jews during the war years was powerfully anticipated in the culture of the prewar years The author shifts his focus away from the debates over what the Germans did or did not know about the Holocaust and explores instead how Germans came to conceive of the idea of a Germany without Jews He traces the stories the Nazis told themselves where they came from and where they were heading and how those stories led to the conclusion that Jews must be eradicated in order for the new Nazi civilization to arise The creation of this new empire required that Jews and Judaism be erased from Christian history and this was the inspiration and justification for Kristallnacht As Germans entertained the idea of a future world without Jews the unimaginable became imaginable and the unthinkable became real At once so disturbing and so hypnotic to read Deserves the widest possible audience Open Letters Monthly

Bonhoeffer the Assassin? Mark Thiessen Nation, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas

Hitler's Shadow War Donald M. McKale, 2006-03-17 In Hitler's Shadow War World War II scholar Donald M McKale contends that the persecution and murder of the Jews Slavs and other groups was Hitler's primary effort during the war not the conquest of Europe According to McKale Hitler and the Nazi leadership used the military campaigns of the war as a cover for a genocidal program that centered on the Final Solution Hitler continued to commit extensive manpower and materials to this shadow war even when Germany was losing the battles of the war's closing years

Michalczyk,2004 Many critics and some historians consider resistance in Nazi Germany as too little and too late Few Germans were willing to take risks and others began to oppose the Third Reich only when the end was in sight However despite the threat of prison concentration camp or death there were many diverse groups from the academic military and spiritual sectors of society that challenged the Reich s harsh unjust policies This book represents the spectrum of these forms of resistance and illustrates the courage of those who dared to confront the Nazi government
