The Presidency Of Theodore Roosevelt:

The Presidency of Theodore Roosevelt Lewis L. Gould, 2011 A comprehensive account of Theodore Roosevelt's important presidency updated to take into account two decades of additional research on the subject **The Presidency of Theodore Roosevelt** Emma Carlson Berne, 2014-07-01 The charming and charismatic Theodore Roosevelt left a legacy that is still strong today When Americans enjoy the country's many national parks eat safe meat or successfully transact business with a company of their choice they have the progressive President Roosevelt to thank Fiercely determined to protect the public good the energetic Roosevelt worked tirelessly on behalf of his fellow citizens *President Theodore Roosevelt* Cindy McKay, 2006 Describes the life of 26th President Theodore Roosevelt and his accomplishments **Theodore Roosevelt - An Autobiography** Theodore Roosevelt, 2018-04-04 Reproduction of the original Theodore Roosevelt An Autobiography by Theodore Roosevelt **The Presidents** Stephen Graubard, 2009-05-07 In this magisterial examination of the Presidency over the course of the 20th Century the author explores the history of the world's greatest elective office and the role each incumbent has played in changing the scope of its powers Using individual presidential portraits of each of the presidents of the past century Graubard asks and answers a wide variety of crucial questions about each President What intellectual social and political assets did they bring to the White House and how quickly did they deplete or mortgage that capital How well did they cope with crises foreign and domestic How much attention did they pay to their election pledges after they were elected How did they use the media old and new Above all how did they conduct themselves in office and what legacy did they leave to their successors Graubard provides original analysis in each case and reaches many surprising conclusions **An Autobiography** Theodore Roosevelt, 1913 The acclaimed autobiography of Theodore Teddy Roosevelt is brought to the reader anew in this well produced edition Written over a course of years and first published in 1913 this lengthy yet unceasingly interesting biography sees one of the United States' finest Presidents recount his own life in his own words Theodore Roosevelt sets out to clarify how he came to possess his beliefs We hear of his love of the great outdoors which resulted in the establishment of America's national parks and the belief in commerce as an engine for progress which led to the state sponsored construction of the Panama Canal during his presidency Seldom straying to dryness or overly technical description of the many and varied events of his lifetime Theodore Roosevelt imbues every chapter with his keynote personality and liveliness Personal letters with influential figures are shared placing the reader deeply into the political world in which the popular and charismatic author was immersed Written with vitality and wisdom verve and passion the autobiographical effort of Theodore Roosevelt has aged well Consistently praised by critics to this day this book remains essential reading for any reader intrigued by American history culture and politics as well as general appreciators of good biography *A Compilation of the Messages and Papers of the Presidents: Theodore Roosevelt* Theodore Roosevelt, 2023-08-12 In A Compilation of the Messages and Papers of the Presidents Theodore Roosevelt readers are treated

to a comprehensive collection of Roosevelt's presidential writings providing valuable insight into the political landscape and significant policies of the time. This meticulously curated compilation showcases Roosevelt's impactful speeches and executive orders in a scholarly and authoritative tone reflecting the literary style of historical government documents. The book presents a literary context that immerses readers in the progressive era of American politics, highlighting Roosevelt's key role in shaping the nation's direction. As a prolific writer and influential figure in American history, Theodore Roosevelt's motivation to compile this comprehensive collection stems from his dedication to transparency in government and historical preservation. His firsthand experiences as the 26th President of the United States provided him with unique perspectives that he wished to pass on to future generations through this seminal work. I highly recommend *A Compilation of the Messages and Papers of the Presidents: Theodore Roosevelt* to readers interested in delving into the political legacy of Theodore Roosevelt and exploring the rich history of the United States presidency. This book serves as an essential resource for students, scholars, and history enthusiasts seeking a deeper understanding of Roosevelt's presidency and its lasting impact on American governance.

101 Things Everyone Should Know about Theodore Roosevelt Sean Andrews, 2014-01-01. The inside story of Teddy's life and presidency. You probably know that Theodore Roosevelt was the 26th president of the United States, but did you also know that he suffered great bouts of homesickness? Or that he carried a vial of morphine at all times in case he ever needed to take his own life? Though the image of President Theodore Roosevelt is one of fringed suede jackets and wire circles of glass framing a serious and scowling face, the man behind this image was a spectacularly intelligent and complex individual. *101 Things Everyone Should Know about Theodore Roosevelt* explores the nuances of his famous life, giving little-known facts that complete the picture of Theodore Roosevelt. From his crippling childhood to his involvement with the Rough Riders, this book celebrates the American icon whose beliefs are still riveting almost 100 years after his death.

The American Presidency Robert Dallek, 2003-01-01. Looks at the strengths and weaknesses of each president as well as at the times in which they served. Examines the office of the president, how it has developed, and how it has shaped the America and the modern world.

Theodore Roosevelt's Presidency Heather E. Schwartz, 2016-08-01. Theodore Roosevelt was thrust into the presidency after William McKinley's assassination in 1901. He led the country into the Progressive Era, which meant stronger government controls over businesses and better protection of workers' rights, women, African Americans, and consumers. Roosevelt worked to spread US influence around the world, and he was instrumental in the construction of the Panama Canal. While he had a mixed stance on civil rights issues, Roosevelt made bold stands for several African Americans. He also advocated for the conservation of national parks and monuments throughout the country. In his two terms as president, Roosevelt's domestic reforms and foreign policies left a lasting legacy.
