The Pretribulation Rapture Of The Church A Joyful Looking For His Appearing:

A Second Look at the Second Coming T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days **BIBLICAL**

EVIDENCE OF A PRE-TRIBULATION RAPTURE Stephen Nielsen, 2017-10-25 Many regard the idea of a pre Tribulation rapture as an escape for cowardly Christians who wish to escape not only the coming Tribulation but the present trials and responsibilities of life This book will help to dispel that idea as the reader will see clear biblical evidence of a pre Tribulation rapture This evidence is God s design to bring us comfort and encouragement in these last days This study in four parts thoroughly investigates the subject of the rapture Part one lays out the groundwork for the rapture in which we focus mainly on a study of Daniel 9 Part two is a short study of the kingdom of God so the reader can better see the significance of the rapture In part three we inspect each reference to His coming and show whether it refers to the rapture or to His glorious appearing In the last section our scope of study is narrowed to showing why the rapture must come before the Tribulation I highly recommend this book to you if you have any doubts about the rapture

The Pretribulation Rapture Theory and Dispensationalism Revisited J. Mike Byrd, 2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the churchs rapture It proposes that a clarifying approach rests in letting Scripture interpret Scripture which yields a simpler more natural and consistent explanation of the pretribulation rapture and dispensationalism Drawing upon thousands of hours of Bible study J Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation defines dispensationalism and the Dispensational Principle examines the scriptural testimony surrounding the day of the Lord and the day of Gods wrath surveys the issues regarding imminence and discusses the rapture the resurrection and Christs second coming If you wonder what Scripture clearly teaches about the this worlds demise the end of human existence and the onset of Gods sure and certain work to establish his reign then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review analysis and explanation you need to understand the Scriptures teachings on these ultimate issues **The End Times Simplified** Jc Alexander, 2003-07

The Second Coming of Christ Greg Hinnant, 2022-08-08 The second coming of Christ is the most anticipated consequential and controversial event since His Ascension For 2 000 years it has been loved hated dreaded and ignored Committed Christians have loved it sinners have hated it carnal Christians have dreaded it and lukewarm Christians have ignored it Thus it has been yearned for mocked feared and yawned at and yet debated ad nauseam But there it is in Jesus own immortal words I will come again John 14 3 Today a turbulent vortex of confusion and controversy swirls around just

what Jesus meant and when He is coming This powerful new book by Greg Hinnant seeks to quell the controversy and clarify the confusion by setting forth God's biblical prophetic plan for Christ's appearing, the rapture and the amazing divinely scheduled events that follow on earth and in heaven It also offers much detailed practical biblical teaching on how to be prepared for the rapture Finally it closes with a very thorough informative concisely written comparison of the major Christian End Times views Many books present biblical prophecies about Christ's Second Coming but offer little or no Christian living instructions Others present excellent Christian living instructions but do not interpret End Times prophecy Rich with abundant prophetic and Christian living instructions this book is truly unique You will not find another like it Described as a comprehensive handbook for the preparation of the bride of Christ it is a must read for pastors leaders and anyone seriously desiring to be ready when Jesus suddenly appears to receive His church

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

Come out of Her My People Tony Kessinger, 2004-01-14 *Come Out of Her My People* is the summons God issues to His people to disentangle themselves from the world Like the web of a spider the world ensnares the people of God with its allure This book is a study of how God continues to issue His call through the

encouragement and exhortation of John the seven churches and to those who will be alive during the Tribulation period Never willing that anyone should perish God uses the Book of Revelation to take hold of mankind and shake his world in order to try and get his attention **Another Look at the Rapture** Roy Hicks,1982-05 The Second Coming of Christ: Study Guide Keith Thomas,2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus *Christian Foundations: Basic Teachings* Willis C. Newman,2010-04-30 The purpose of these foundation to Christian doctrines is to introduce new believers to the evangelical Christian Faith The studies are interdenominational in nature and brief in content The theology is conservative and evangelical reflecting those core teachings held dear by the Bible believing church through the centuries Denominational distinctives have been avoided
