The Whole Story for the Whole Family Michael Kelley, 2021-04-05 The Whole Story for the Whole Family is the family devotional parents need to help their kids grow in their faith Parents are called to be the primary spiritual influence in the lives of their children That means we as parents should help them know and understand the Bible so they can know love and understand God and His Son Jesus But so many parents feel overwhelmed and exhausted at the thought of discipling their children Where to begin The Whole Story for the Whole Family is a step in the right direction In an easy to use and simple format this devotional guide will equip parents to start teaching their children the Bible Rather than seeing the Bible as a mismatched collection of random stories about different characters in history your kids can see the Bible as one story woven throughout space and time with one character standing at the center Jesus Through the use of an object lesson every day digestible sections of Scripture and simple discussion questions The Whole Story for the Whole Family can help kids understand God's ongoing story and find their place in it
