The American Catholic Historical Researches, 1906 **Joining the Revolution in Theology** Sandra Yocum Mize, 2007 A Sheed drawing boundaries fighting battles 1985 1994 Theology in local and global perspective 1985 1994 Negotiating the golden years 1995 2004 Nos quedamos 1995 2004 **The Dissenting Tradition in American Education** James C. Carper, Thomas C. Hunt, 2007 During the mid nineteenth century Americans created the functional equivalent of earlier state religious establishments Supported by mandatory taxation purportedly inclusive and vested with messianic promise public schooling like the earlier established churches was touted as a bulwark of the Republic and as an essential agent of moral and civic virtue As was the case with dissenters from early American established churches some citizens and religious minorities have dissented from the public school system what historian Sidney Mead calls the country's established church They have objected to the orthodoxy of the public school compulsory taxation and attempts to abolish their schools or bring them into conformity with the state school paradigm The Dissenting Tradition in American Education recounts episodes of Catholic and Protestant nonconformity since the inception of public education including the creation of Catholic and Protestant schools homeschooling conflicts regarding regulation of nonconforming schools and controversy about the propositions of knowledge and dispositions of belief and value sanctioned by the state school Such dissent suggests that Americans consider disestablishing the public school and ponder means of education more suited to their confessional pluralism and commitments to freedom of conscience parental liberty and educational justice **American Catholic Traditions** Sandra Yocum Mize, William L. Portier, 1997 American Catholic Traditions gathers together essays that make a new scholarship accessible to a wide audience The contributors recover and reamplify the voices of such American Catholic pioneers as William F Lynch and Francis Gigot Their chorus is joined and enriched by a host of others from Dorothy Day and the Grail women to Black Elk and the film characters of John Ford Indeed the history of American Catholic life and thought holds the kinds of intellectual and spiritual resources needed to renew American Catholic theology and rescue it from abstraction American Catholic Traditions offers stimulating resources for recovering the roots of American Catholicism to theologians teachers scholars and students and all those who want to learn and reflect on the roots of American Catholicism and its meaning today BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
