Clay, 2008-08-19 Now Available Vandermine The Swords Errand 9 CD audio book at www.audiorealms.com Downloadable MP3 file at www.theaudiobookshop.com Contains bonus sample from the sequel Vandermine Children of the Apocalypse Jon Andrews is a fun loving college football player who defies the stereotype by being as well studied and thoughtful as he is physically intense He enjoys studying medieval history almost as much as sacking quarterbacks A trip to a medieval exhibit at a local museum sends a pair of bullets from the gun of a panicked robber his way and brings a stolen broadsword mysteriously into his possession Before he can return it the ancient weapon spirits him away to its own world Gritty pain and true fear soon convince him that he is not simply dreaming when he finds himself in what appears to be medieval Europe Captured by the kings soldiers a wizard of the Holy Order reveals that the stranger carries the legendary sword Vandermine and that it is dead iron in the hands of anyone else Jon is soon pressed into service joining a desperate quest to slay Cravos the would be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magic power that once loosed threatens to bring to pass the prophesied

second apocalypse Jon's companions on the quest are a veritable dream team: the king's champion, the best in their respective disciplines. The further the reluctant hero travels, the more he sees things that seem to have leapt straight out of books of mythology, not history. It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough. Thrust into a life-or-death struggle in a world he can't understand, Jon relies on his faithful comrades to give him the skills he needs to command. Vanderspeigle's full power before the reality of this impossible world catches up with him. The journey for Jon is not merely physically daunting and dangerous but mentally and emotionally taxing as well. Before he was torn out of the world he once knew, he was accustomed to being one of the stronger and more competent members of his team. However, the harsh realities of the ancient world that has called for him soon humiliate him, making him feel like the weakest link. Through training, suffering, and conquering with the king's picked men, as he strives to fulfill the sword's errand, Jon gains the respect due a battle-hardened veteran, earning it the hard way.

Drodden Brad Zane, 2012-05 At thirteen, Kahn Vols is a perfect target for the bullies in the village of Caspin in the Apuseni Mountains near Transylvania. An outcast, tall for his age and overweight, Kahn also struggles with a speech impediment. To avoid the constant torment, he seeks respite in the woods, a dark forest that houses both the castle of Count Drodden and an asylum for the dangerous and insane. No one from the village has ever seen the count or the castle. Although Kahn understands the woods is off-limits, he returns again and again, performing small tasks. One day, he is surprised by Heric, the executor of the castle and its grounds, who pays Kahn to work for him and eventually becomes a friend of sorts. As Kahn grows to manhood, he is invited into the castle and placed in charge of the asylum. With his newfound power, he is finally able to exact some revenge against the villagers now grown to adulthood, who had tormented him in his childhood. Kahn's rise from weakness to power through ruthless violence makes him many enemies, and only time will tell how or when his reign will come to an end.

Master of the Sword K. Hippolite, 2012 Rachel Goldenstein continues to lead her group home, but perhaps Earth isn't as safe as she had thought. It is a time for the newly appointed Lady Goldensword to command armies, a time to forge new alliances and to make war against the children of magic. There will be great loss for Rachel, and perhaps a chance to learn the terrible truth behind her shadow magic. By the light of the gates, she saw her adversaries rise, bearing magical swords and staves. Rachel set down her candle stand and drew her swords. Somewhere during the skirmish that followed, a flying severed leg almost toppled her candle stand. She put out a hand to steady it. Some of the less hardy of them fled at the sight of her. Ever afterwards, there would be a legend of a ghost in a torn white dress, drenched in red blood, with crimson hair and a devilish grin. It was a world that could never be the same. A world that a woman would boldly change.

Sword of Tomorrow Henry Kuttner, 2012-01-17 Trance borne to a far distant age Pilot Ethan Court is plunged into peril and adventure on a strange new world where his courage and idealism are put to a stern test Excerpt It was always easier when he sank into the opium drugged stupor from which not even torture could rouse him At first he clung to two memories his rank and his Army serial number By focusing his pain hazed mind on those realities he was able to keep sane After a while he didn t want to keep his sanity Men can survive a year or two years in a Japanese prison camp They may emerge maimed spiritually sick but alive They remember their own names He used to say it aloud at first in the musty darkness of the

cell Ethan Court he whispered to the black hidden walls Ethan Court And then Times Square Tiffany s Bretano s Staten Island The Yankee Stadium pop corn whisky sours Greenwich Village Presently he noticed that the sound of his voice was different and after that he scarcely spoke The horrible lethargy of inaction closed around him Occasionally though less often now he was taken before Japanese officers who questioned him He was somewhere in Occupied China he knew but since his plane had been forced down he had been shunted for a long distance by a roundabout route He guessed that this was a temporary headquarters probably on the site of some old Chinese town and he suspected that it was in the hill country His savage captors told him nothing of course They just asked questions How much could he disclose in the way of military information the Japanese did not know Hard pressed they were overlooking no bets His stubbornness enraged them The commander of the post a disappointed samurai of a politically unpopular family gradually came to believe that a feud existed between Court and himself It became a contest between the Japanese officer and the American entirely passive on one side ruthlessly active on the other Time dragged on while bombers roared in increasing numbers over Japan and the brown hordes sullenly withdrew from Burma and Thailand and the islands north of Borneo This headquarters was isolated but in a strategic spot The commander saw the tides of war rage past him and recede The radio gave him no comfort The Emperor of Japan was silent upon his throne A transfer required time In enforced idleness the Nipponese commander devoted himself to breaking the will of the American Torture failed and so he tried an ancient Japanese trick opium It was mixed in Court s food and after a while the craving grew in him The Jap officer kept his prisoner saturated with the drug Court s mind dulled
