Garments of Grace Timothy E. Crosby, 2010 *Race* J. Kameron Carter, 2008-08-28 J Kameron Carter argues that black theology s intellectual impoverishment in the Church and the academy is the result of its theologically shaky presuppositions which are based largely on liberal Protestant convictions and he critiques the work of such noted scholars as Albert Raboteau Charles Long and James Cone *The Antiquities of the Christian Church* Joseph Bingham, 2025-08-30 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The History of the Christian Church to the Separation of East and West** Arthur Richard Whitham, 1920 *Christ All and in All. The Second Edition Corrected and Enlarged* Puritan Divine Robinson, 1660 *BE DRESSED* Eric Bardell, 2021-08-05 The times are urgent The end times clock is counting down We must check our spiritual garments and ask ourselves Am I properly dressed Jesus is coming soon and we know neither the day nor the hour He will come when we least expect Him It is the responsibility of the Bride of Christ to maintain her spiritual wardrobe and to be watching dressed and ready for her Bridegroom *The History of Infant Baptism in Two Parts* William Wall, 1889 **Christ's Will** Samael Aun Weor, 2025-01-01 Throughout the aeons fear and the longing for security enslaved the body of will turning it into a

personal defensive barrier Fear and the longing for security have transformed human will into a wretched victim The moment has arrived to liberate your human will from the horrible prejudices and tenebrous ancestral fear and tendencies Rejoice oh buddha since now your human will shall become Christ s will Christ s will is heroic Christ s will only bows and kneels before the will of the Father Samael Aun Weor Those who have completed the first four Initiations of Major Mysteries must begin the fifth the creation of the causal body which is related with willpower Through the first four initiations the initiate raised the kundalini in the physical body vital body astral body and mental body making the Innermost a Buddha Now with the fifth serpent of fire the will of the Human Soul Tiphereth must reflect the will of the Father Chesed so that the will of Christ can be finally emerge As the kundalini rises through each vertebra of the spinal column the initiate must pass tests that are symbolized in the first thirty three arcana of the Tarot When completed the human will becomes Christ s will Then one is prepared for the incarnation of Christ and the entrance into the straight path the path of the bodhisattva upon which as Christ s will one performs great sacrifices for suffering humanity The fundamental objective of our esoteric studies is to reach Christification The inner Christ is what counts Unfortunately people only think about an historical Christ and this is how they separate themselves from reality They forget that Christ is what is which always has been and what will always be They forget that Christ is the life that beats in each atom as it beats in each Sun They forget that Christ vibrates from instant to instant from moment to moment To incarnate Christ is fundamental Samael Aun Weor

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the

we continue to see that what the Bible reveals is not the improvement of our behavior but the salvation of God Man s salvation is God Himself that is God saves us not only by His power and His work but also by coming into us to be our salvation Since God as our salvation comes to us freely by grace we should not bring anything to Him except an empty heart If we come to God we should put ourselves aside contact Him let Him do everything according to the law of the Spirit of life and give thanks and offer praises to Him Then as a result we become one with Him and what we live out will be something not of ourselves but of God s nature We have also included the first six messages of the Crystallization study of Revelation held in the winter of 1999 in Long Beach California Message One covers two crystals the temple with the ark and the principle of the man child The temple with the ark governs what is unveiled in Revelation 12 22 and relates to God s expression through His building The principle of the man child is that God will choose a group of overcomers who will attain to His purpose and fulfill His demand Message Two indicates strongly that the book of Revelation is a book on the overcomers the man child God s dispensational instrument to bring Christ s kingdom to the earth Message Three concerning the firstfruits the harvest and the late overcomers gives a complete view of the coming rapture To be raptured is to be taken into the Lord s presence in order to be taken into the Lord s presence we must be in His presence today Message Four unveils the source and essence of Babylon the Great religious and material and Message Five reveals the principle of Babylon Message Six presents the marriage of the Lamb as the issue of the completion of God s New Testament economy Last of all we include reports concerning the Lord s continuing move through the radio broadcast in London England and a recent conference in Stockholm Sweden Christian Treasury ,1875 **A complete christian dictionary wherein the significations in the holy scriptures** Thomas Wilson, 1661
