The Gathering Storm Robin Bridges,2012 In St Petersburg Russia in 1888 royal debutante Katerina Alexandrovna Duchess of Oldenburg tries to hide a dark secret that she has the ability to raise the dead but when she uses her special skill to protect a member of the Imperial Family she finds herself caught in a web of intrigue *The Gathering Storm* Winston S. Churchill,2019-09-05 It is our immense good fortune that a man who presided over this crisis in history is able to turn the action he lived through into enduring literature The New York Times This book is the first in Winston Churchill s monumental six volume account of the struggle between the Allied Powers in Europe against Germany and the Axis during World War II Told from the unique viewpoint of a British prime minister it is also the story of one nation s heroic role in the fight against tyranny Having learned a lesson at Munich they would never forget the British refused to make peace with Hitler defying him even after France had fallen and it seemed as though the Nazis were unstoppable What lends this work its tension and power is Churchill s inclusion of primary source material We are presented with not only Churchill s retrospective analysis of the war but also memos letters orders speeches and telegrams day by day accounts of reactions as the drama intensifies We listen as strategies and counterstrategies unfold in response to Hitler s conquest of Europe planned invasion of England and assault on Russia Together they give a mesmerizing account of the crucial decisions made as the fate of the world hangs in the balance The Gathering Storm covers the Treaty of Versailles the rise of Adolf Hitler the capitulation of Munich and the entry of Britain into the war This book makes clear Churchill s feeling that the Second World War was a largely senseless but unavoidable conflict and shows why Churchill earned the Nobel Prize in Literature in 1953 in part because of this awe inspiring work *The Gathering Storm* William Empson,1940 **What the Storm Means: Prologue to the Gathering Storm**
