Nonviolence Unbound Brian Martin,2015-04-23 methods of nonviolent action can be used to bring down dictators

Nonviolence Unbound shows how insights into what makes nonviolent action effective can be applied to four completely different arenas: defending against verbal abuse, responding to online defamatory pictures and engaging in the struggles over euthanasia and vaccination. This investigation shows how to analyse options for opposing injustice. **Publishers Weekly Book Publishing Almanac 2022** Publishers Weekly, 2021-11-30. Teaching has long been recognised by researchers as one of the most stressful professions. However, only in recent years has the scale of occupational stress faced by teachers finally been addressed by government policy. In this ground-breaking book, Elizabeth Hartney provides readers with a basic understanding of stress in the context of teaching in schools and its effects on personal and professional well-being. Drawing on recent research into stress in teachers, the latest political changes affecting teachers and stress management effectiveness, she suggests a wide range of strategies and an exhaustive and up-to-date list of resources to assist teachers and trainees in coping with all manners of stress, from stress in the classroom and the requirements of administration to career development and coping with difficult people.
