The German Shepherd Dog Resi Gerritsen,Ruud Haak,2021-08-02 The definitive history of the German Shepherd the most famous working dog in the world Learn Details of the breed standard past and present How and why show and working dog lines developed Key problems with the breed today and potential solutions Countless books have been written about how to train and care for German Shepherds but until *The German Shepherd Dog A Historical View of the Breed s Development Prime and Deterioration* no other book has offered a deep exploration of the breed s history and development Expert trainers Resi Gerritsen and Ruud Haak take fans of the German Shepherd on a fascinating journey from the breed s origins in the 19th century to its spread around the world as one of the top working dog breeds More than 130 pedigree and bloodline analyses and over 400 photos painstakingly document influential dogs in the breed s development including lists and analyses of the Siegers Siegerins Leistungssiegers and VA

class dogs that form the foundation of today's German Shepherds. In recent decades the breed has declined in both health and popularity as a working dog. After highlighting reasons for the breed's deterioration, the authors demand change for the breed they love and look forward to a future when the German Shepherd regains its status as the world's premier working dog. Anyone who breeds or trains this incredible dog needs this book.

The Complete Training Guide to German Shepherd for Beginners Jason Biden, 2020-12-09. The German shepherd dogs are great family dogs exhibiting fierce loyalty, impressive good looks, intelligence, courage, and a highly protective nature. Who can blame you for wanting a German shepherd as your lifelong best friend and protector? Not so fast. While it's true that the German shepherd is a popular, highly valued, and desirable canine companion, the breed, much like all breeds, is not a perfect fit for every person, setting, lifestyle, or family situation. This book is not intended as a training guide. It was created to familiarize you with the German Shepherd's background, main characteristics, dominant traits, and health concerns, with tips on selection and care. Jason Biden kicks off with a fascinating history of the breed, thoroughly explaining how a dog that was originally bred to herd sheep morphed into a drug and cadaver discovery working dog, a service and therapy dog, to the blind, deaf, and disabled, protective family pet, military dog, or police patrol partner. In the second chapter, Jason examines the time, money, energy level, and lifestyle required to meet the needs of a German shepherd so that both the dog and its human companion aren't miserable because of a failure to provide proper food, shelter, exercise, and companionship. To assist in selecting your first German shepherd, Jason Biden compares and contrasts American versus German bloodlines, male versus female, a puppy versus an adult dog, various coat types and colors, and breeder versus rescue adoption. Two must-read chapters concern how to select a breeder and common health problems experienced by the breed. Don't buy a German shepherd without reading those chapters.

The German Shepherd Dog In Word And Picture V. Stephanitz, 2011-03-25. Originally published in Germany in 1923, *The German Shepherd Dog in Word and Picture* is the English translation of what is probably the most important book ever published on this popular breed. This volume is highly recommended for owners and breeders alike, and it would make for a fantastic addition to collections of allied literature. Contents include: The Shepherd dog and Herdsman's dog, their Origin and Relationship; The Nature and Service of the Shepherd Dog; Breeding; Rearing; Judging; Training; Kennels, etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition, complete with a specially commissioned new biography of the author.

A Dog Owner's Guide to German Shepherd Dogs Roy Allan, 1988. [Pet-Specific Care for the Veterinary Team](#) Lowell Ackerman, 2021-03-11. A practical guide to identifying risks in veterinary patients and tailoring their care accordingly. Pet-specific care refers to a practice philosophy that seeks to proactively provide veterinary care to animals throughout their lives, aiming to keep pets healthy and treat them effectively when disease occurs. *Pet-Specific Care for the Veterinary Team* offers a practical guide for putting the principles of pet-specific care into action. Using this approach, the veterinary team will

identify risks to an individual animal based on their particular circumstances and respond to these risks with a program of prevention early detection and treatment to improve health outcomes in pets and the satisfaction of their owners The book combines information on medicine and management presenting specific guidelines for appropriate medical interventions and material on how to improve the financial health of a veterinary practice in the process Comprehensive in scope and with expert contributors from around the world the book covers pet specific care prospects hereditary and non hereditary considerations customer service implications hospital and hospital team roles and practice management aspects of pet specific care It also reviews specific risk factors and explains how to use these factors to determine an action plan for veterinary care This important book Offers clinical guidance for accurately assessing risks for each patient Shows how to tailor veterinary care to address a patient s specific risk factors Emphasizes prevention early detection and treatment Improves treatment outcomes and provides solutions to keep pets healthy and well Written for veterinarians technicians and nurses managers and customer service representatives Pet Specific Care for the Veterinary Team offers a hands on guide to taking a veterinary practice to the next level of care

Dogs For Dummies Gina Spadafori, 2019-06-25 It s a doggy dog world and this easy to use guide will help you navigate it These days people s dogs have become bona fide members of the family Moving from the kennel to the couch they share our beds family rooms and holidays and they are recipients of our kindest and utmost concern A pet partnership is a lifetime commitment Do it right and your dog will become an important and valuable part of the family for many years Do it wrong and you ve broken a sacred covenant between humankind and another living being *Dogs For Dummies* 2nd Edition is for you if you are looking to adopt a dog trying to improve the relationship with the one you have or attempting to come up with fun things to do with your canine companion This book is also for people who want to Choose the right veterinarian Explore the dog breeding business Find breed rescue groups Identify canine health problems Look for a purebred Improve your chances at pet success by knowing how to raise and live with your dog properly Discover which breed best suits your lifestyle and if a puppy or adult dog is best for you *Dogs For Dummies* 2nd Edition also covers the following topics and more Caring for an aging dog Choosing collars harnesses halters and leashes Considering euthanasia Feeding Fido the right way House training puppies and adult dogs Keeping up appearances with good grooming Participating in canine competitions Preparing your dog for a disaster Traveling with your dog Award winning author Gina Spadafori says the lack of accurate information not the lack of effort or concern is often the reason for doomed people pet pairings With her help you can avoid the agony *Dogs For Dummies* 2nd Edition is full of useful tips how to advice illustrations and photographs both color and black and white You deserve a healthy happy and well mannered canine companion and you ll be the owner every pet wants and deserves informed responsible and loving P S If you think this book seems familiar you re probably right The Dummies team updated the cover and design to give the book a fresh feel but the content is the same as the previous release of *Dogs For Dummies* 9780764552748 The book you see here
