America Goes to War Charles Patrick Neimeyer, 2023-11-21 A unique and revealing analysis of the diverse body that made up the Continental Army during the American Revolutionary War One of the images Americans hold most dear is that of the drum beating fire eating Yankee Doodle Dandy rebel overpowering his British adversaries through sheer grit and determination The myth of the classless independence minded farmer or hard working artisan turned soldier is deeply ingrained in the national psyche Charles Neimeyer here separates fact from fiction revealing for the first time who really served in the army during the Revolution and why His conclusions are startling Because the army relied primarily on those not connected to the new American aristocracy the African Americans Irish Germans Native Americans laborers for hire and free white men on the move who served in the army were only rarely altruistic patriots driven by a vision of liberty and national unity Bringing to light the true composition of the enlisted ranks the relationships of African Americans and of Native Americans to the army and numerous acts of mutiny desertion and resistance against officers and government Charles Patrick Neimeyer here provides the first comprehensive and historically accurate portrait of the Continental soldier

American Cassandra: The Life of Dorothy Thompson Peter Kurth, 2019-08-09 Dorothy Thompson 1893 1961 was America s first internationally famous female foreign correspondent Born outside of Buffalo New York she

graduated from Syracuse University in 1914 and honed her writing and interviewing skills in the women's suffrage movement before heading for Europe as a freelance journalist. Reporting from Vienna, Budapest, and Berlin during the rise of Nazism, she was the first western journalist to be expelled from Germany by Adolf Hitler after denigrating him in a profile. Her later columns in the Ladies Home Journal and radio broadcasts for CBS published as *Listen Hans* made her next to Eleanor Roosevelt the most influential woman in the United States. Thompson was married three times; her second marriage was to the American novelist Nobel Prize winner and alcoholic Sinclair Lewis; her third and happiest to Czech artist Maxim Kopf. She also had several lesbian relationships. Avidly interested in everything from sustainable farming to the fine arts, she divided her later years between New York City and her farm in Barnard, Vermont. A skillful exploration of the life and personality of the formidable foreign correspondent, New York Times readers will be pleased to meet a fascinating, driven, and indomitable woman who richly deserves this fine biography. Thomas Griffith, New York Times. Sensationally good. Kurth's vividly detailed and dramatic portrayal of Thompson's life fully compensates for the memoirs she planned but never lived to write. Here was a one-of-a-kind incarnation of energy, honesty, and commitment, a woman we must not forget. USA Today. Kurth guides us through the tumultuous complexities of the time: the rise of Nazism in Germany, isolationism in America, the Second World War, the establishment of Israel, and other issues that Thompson took over as her personal battleground. His daunting task is to show us a mind at work, and he pulls it off. Washington Post. In a day of dime-a-dozen pundits jabbering on the talk shows, Thompson's diligence and influence are worth recalling. Mr. Kurth's compulsively readable account allows us to re-live an age and do just that. Wall Street Journal. Kurth has a surprising grasp of Thompson's emotional makeup, strictly avoiding the kind of supercilious or paternalistic attitude that such a character invites in male authors. His biography is insightful without being sentimental, warm without being sycophantic. Toronto Star. An important asset of this big, solid book is author Kurth's prolific use of Thompson's own words. She left 150 file cases of published and unpublished writings, chunks of private thoughts and musings on her three husbands and her own sexuality; one would have expected her to burn. Kurth has battled through this paper blizzard and emerged with a clear-as-ice-water picture of a turbulent, complex personality. Baltimore Sun. Peter Kurth, author of the haunting *Anastasia: The Riddle of Anna Anderson*, proves once again that he is the equal of Stefan Zweig as a biographer of women. His fairness, his control of his material, and his eye for the revealing quotation are such that he makes us empathize with Miss Thompson even when we feel like strangling her. Washington Times. **Immigrants from the German-speaking Countries of Europe** Margrit Beran Krewson, 1991 **Tony Hulman** Sigur E.

Whitaker, 2014-04-22. Almost unknown when in 1945 he purchased the Indianapolis Motor Speedway and its famous race, Tony Hulman soon became a household name in auto racing circles. He is credited not only with saving the Speedway from becoming a residential housing development but also with reinvigorating auto racing in the United States. Until his purchase of the Speedway, Hulman had not been involved in auto racing; he was the CEO of Hulman Company, a wholesale grocer. An

astute businessman Hulman made Clabber Girl Baking Powder a national brand and successfully led the reorientation of the family fortunes to include a range of businesses including a beer company a Coca Cola franchise a broadcast empire and real estate and gas companies This biography of Hulman covers his many ventures particularly the Indianapolis Motor Speedway and Indianapolis 500 and his philanthropy
