Underwood,1986-11-17 What are the qualities which make an ideal ghost hunter You need to be part detective part investigative reporter a scientist with a measure of the psychologist thrown in In this book which is the first real guide to the hunting of ghosts Peter Underwood manages to cover just about every aspect of this intriguing and mystifying subject Starting from an explanation of the various kinds of ghosts various kinds of hauntings and the many types of location in which ghosts poltergeists and associated phenomena occur He examines in detail methods of investigation the use of specialist equipment including a special section on the photography of ghosts and the associated questionnaires and documentation needed in order to carry out a bona fide and exhaustive research into the haunting At this point he takes the reader through a step by step investigation of a haunting bringing in the above specialist equipment and paying particular attention to the singular problems associated with poltergeists Then having learned the lessons he looks at aspects of ghost hunting in Britain Europe North America Australasia and the Far East ending up with a calendar of ghosts and their hauntings The author's authority and specialist knowledge in this subject makes The Ghost Hunter's Guide a unique and important book in the investigation of those phenomena which we cannot yet fully explain **Ghosthunters** John B Kachuba,2007-07-13 In Ghosthunters John

Kachuba explores some of America's great haunts while he introduces us to the people who actually go searching for ghosts His writing takes the reader on a haunted journey it's like riding shotgun with him while he creeps through haunted asylums abandoned farmhouses and historic battlefields and speaks with some of the biggest names in this field of study If something goes bump in the night have no fear John Kachuba won't be far behind Jeff Belanger founder of Ghostvillage.com and author of The World's Most Haunted Places Why do ghosts fascinate so many people To answer that question writer and paranormal researcher John Kachuba aka The Ghosthunter investigates haunted locations throughout the country and interviews scores

of people who have had paranormal encounters The author discovers a growing interest in ghosts today which has spurred an American pop culture phenomenon based on the supernatural Combining his case reports of actual hauntings discussions with leading figures in the paranormal world and stories about related subjects buying ghosts on eBay buying and selling haunted houses ghost tourism Ghosthunters presents an intriguing and witty look at America s paranormal world Set off down the trail of the paranormal and read about A ghost hunt in a Connecticut coffee shop with lay religious demonologist David Considine Spending the night with the ghost of Miss Lily at St Augustine Florida s historic St Francis Inn Spiritualist minister Rev Rose Vanden Eynden s abilities to talk with the dead The search for the headless inmate on a ghost hunt at West Virginia s Moundsville State Penitentiary [The Ministry of Ghosts](#) Alex Shearer,2016-05-03 When they ring the bell at the house with the dusty windows and tarnished nameplate to inquire about the advertised Saturday Person Thruppence and Tim don t know what they re getting themselves into A Saturday job sounds ideal But had that nameplate been properly cleaned Thruppence and Tim might not have been so keen to enter Pressured by the stern Minister Beeston from the Department of Economies the Ministry of Ghosts has been given three months to prove the existence or nonexistence of ghosts or else it will be shut down As it seems that children are particularly magnetic to ghosts and supernatural beings Thruppence and Tim are hired to join the ministry s ghost catching team And although neither of them is scared by talk of ghosts or monsters they are unprepared for what they re about discover Filled with fun humor and twists and turns this is the perfect book for anyone who loved Harry Potter and who is looking for something similar to Neil Gaiman s The Graveyard Book just not quite as scary
