

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright opening in the trees. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. Some evergreen trees are visible in the background. The overall lighting is soft and natural.

The hint half guessed, the gift half  
understood, is incarnation. Here the  
impossible union of spheres of  
existence is actual. Here the past and  
future are conquered and reconciled.
