The Gift Of A Rose:

The Gift of a Rose Suzanne Beilenson, 1997 **The American Rose Annual** American Rose Society, 1924 **The Gift of a Rose** Sherilyn Alexander, 2005-01-01

Every so often a book will come along that promises answers to some of life's dilemmas and then delivers on the promise. In Sherilyn Alexander's book *The Gift of a Rose* the reader is treated to a journey through spiritual growth and healing with a final destination being a clearer comprehension of Truth based in reality. After a physical illness given a life-altering prognosis rather than accept it, Sherilyn dedicated her hopes for survival on continuing to walk her own path. She healed her body by first healing her soul. Interspersing her own engaging story of healing with unforgettable words of wisdom from Eastern spiritual guide Paramahansa Yogananda and other master teachers, Sherilyn inspires readers to gain knowledge about Truth, the supreme teacher, accept the gift and responsibility of their own intuition, and quietly take a leadership role in their own life.

A Leap of Faith Sherilyn recounts her unconventional journey of surrender from her initial leap of faith through first rounds of healing to the discovery of some critical lessons about how once-lost harmony and balance is regained, not only physically but energetically and spiritually as well. Ms. Alexander knows of what she writes, and the author has been noted for her excellent job of demonstrating the apparent contradictions that make the journey so difficult for so many people.

Walk Silently in a Straight Line The choice was to die at 24 years old or to accept the challenge and start walking, says Sherilyn, and as shared in her book, she chose to walk holding onto the thought, "You were born an original, don't die a copy." The story of her spiritual journey based on unconditional love, compassion, and kindness is her legacy.

Leadership Role in Life A surprise comes when the reader realizes that the purest leader is not one who leads from the front but rather the quiet leader who is able to follow others silently, always observing, always changing to embrace growth, and always perfecting the precious ability to listen and to be heard.

Sacred Intuition As the journey continues forward, Sherilyn's life becomes increasingly actionable to help herself. She grows into providing service to others. The reader begins to realize that spiritual growth is not easy because everything is uncertain; inside, few are naturally shown how to see through intuition. Sherilyn shares the need to not only complete lives externally but internally as well by realizing heaven within through a process of physical energy/spirit integration that leads to creating life as a masterpiece.

True Soul's Purpose Sherilyn's sincerest hope is that these lessons shared in *The Gift of a Rose* will be helpful to the reader in remembering their true soul's purpose and then taking the actions necessary in the creation of a healthy and peaceful life through this simple Truth: Our life and time here on earth is a gift, and we have endless choices on a daily basis as to how to grow our lives by using our best assets—strengths, wisdom, and kindness—to help ourselves and share with others. What finally came into focus for me was remembering my purpose for this life and how I needed to become of one mind with the best weavers of creative actions in the universe.

The Gift of a Rose Within silence, you can hear a place of supreme Truth; high Self is found, and only one rule is followed: The duty of the present moment. To carry on peacefully with our work, leaving God's business to Him, it is

certain that whatever happens in an individual's spiritual life or activities is always for the best God works wonders for those He loves Psalms 4:3 Let Life be One of Service By living with proper use and unfolding soul capabilities planetary consciousness is beneficially influenced This is the utmost service rendered Seeing to our own spiritual education and by doing so God's light shines through every thought word and action *Good Housekeeping ...*, 1917 **CAT - Paper 9 - Tax**

O'Brien,2009-09-03 In this fifth novel in his series Children of the Last Days Michael O'Brien explores the true meaning of poverty of spirit Loosely based on the real lives of a number of native North Americans A Cry of Stone is the fictional account of the life of a native artist Rose WGBos Abandoned as an infant Rose is raised by her grandmother Oldmary WGBos in the remotest regions of the northern Ontario wilderness The story covers a period from 1940 to 1973 chronicling Rose's growth to womanhood her discovery of art her moving out into the world of cities and sophisticated cultural circles Above all it is the story of a soul who is granted little of human strengths and resources yet who strives to love in all circumstances As she searches for the ultimate meaning of her life she changes the lives of many people whom she meets along the way O'Brien takes the reader deep into the heart of a small person There he uncovers the beauty and struggles of a soul who wants only to create to help others to see what she sees The story also explores the complex lies and false images the ambitions and posturing that dominate much of contemporary culture and shows how these have contributed to a loss of our understanding of the sacredness of each human life Once again Michael O'Brien beautifully demonstrates that no matter how insignificant a person may be in the world's eyes marvels and mysteries are to be found in everyone His central character Rose is among the despised and rejected of the earth yet her life bears witness to the greatness in man and to his eternal destiny *Abertwp Awakes* Ray Noyes,2016-08-02 Ardent communist defender of the proletariat and driver of a refuse collection and recycle vehicle a Volvo Mk IV Horatio is convinced he has a calling to transform the small lovely town of Abertwp and wake it from its sleep *The South Western Reporter* ,1926 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas **The Daily Washington Law Reporter** ,1895 Vols for 1902 include decisions of the District of Columbia Court of Appeals and various other courts of the District of Columbia Gardeners' Chronicle ,1911 *Garden of Lies and Thorns of Truth* Eileen Goudge,2013-11-18 Two blockbusters in one from the New York Times bestselling author of The Diary about an act of infidelity and its consequences on one woman's family In Garden of Lies Sylvie wants to be a good wife to Gerald who offers the privileged life she could only dream of When

Travel Tales Manny Hillman, 2000-08-29 Here are eleven stories about the variety of people one might encounter during travel. The author confesses that he has met many of these characters during his own travels. The situations in the stories are sometimes similar to what actually occurred but mostly they are invented combinations or merely total inventions. A Danish woman travels across the whole Aegean Sea to search for her lover on an island in the Cyclades. A photographer of flowers finds a unique inn. The beach at the inn is so beautiful and so isolated that the name of the country must be kept secret. The photographer is fascinated by the other five guests at the inn who are all half his age but mostly by the young and beautiful manager. Two brothers driving across the remote central part of Iceland meet a travel writer an adventurer and hear him tell of one of his most fearful adventures. A young couple vacationing in Egypt hit on a way of translating the hieroglyphs on a wall that no one has ever managed to do before. An elderly man living in Irkutsk Russia stops two tourists from the U.S. and asks them to send him a special gift as a favor. He in turn will send the woman two rings made of a special stone. A young American soldier from Vermont on a train in France traveling home after World War I meets a

young woman on her way home from Rhodesia about to be married in England A man is on a fantastic journey but where he was and what he really did see is a mystery for the reader to solve A middle aged man and his much younger bride who loves to tell stories that she probably creates on the spot are visiting the island of Samos He is having a hard time keeping up with her vigorous pace but the reward of his efforts will be more stories for his wife to tell A journalist wants to interview a wealthy and very generous contessa His search for her takes him to several unusual places I the author do not know if the journalist will ever write an article about her A young American woman a secretary temporarily gives up her job in order to assay a life as a chef on a small yacht in the Caribbean An anxious Hungarian couple is on the way home from their first vacation outside of Hungary The travel restrictions for Hungarians are just beginning to change Before each story is a one page vignette telling of the authors experiences at various border crossings They start with Some borders are easy to cross like the time we drove right through one without even noticing until we were some miles past and end with How should one be greeted on first entering Greece By bolts of lightning thrown by Zeus himself
