## **The Gift Of The Father:**

The Gift of the Father Valuda Stout,2006-01-01 My heart was moved by the Gift of the Father that was given unto me by Jesus Christ I was lost and now I am found because of this free gift The purpose of this book is to sound the alarm to all those that are lost and need a savior I am dedicating this book to my God my loving Father for giving mankind this precious gift which is salvation and a relationship with Jesus Christ

**The Gift of A Father** Leonard E. James,2023-10-10 The Gift of a Father gives specific things that my father Leonard James Jr did throughout my life that were truly gifts and blessings to me He did these things by way of example teaching and mentoring that have been real blessings over the entire seventy five plus years of my existence Key points in his teachings are 1 The sovereignty of God emphasizes that everything that man uses in technology and commerce was created by God We can do nothing apart from our Creator whether we acknowledge Him or not 2 My father set forth God s model for manhood by his example and teaching He emphasized that God set forth the model or pattern in the first two chapters of Genesis 3 He established that my identity must be set by Godly principles and not by the thinking and behavior of the people and culture around me 4 He stressed the importance of having a vision for life and to avoid wandering aimlessly 5 As I entered puberty he impressed upon me the importance of commitment in marriage and a relationship with a female This means there is more that just sex involved He set the example in that he was married to my mother for 59 years before his death 6 Life is filled with traps and snares He taught me to be careful when dealing with temptations and bait 7 Racism was a major issue while I was growing up in Mississippi in the 1950s and 1960s He and my mother emphasized that my success was possible and I had to assume responsibility for it 8 He raised me and my sisters to look to God s unconditional love and His Grace even though we made mistakes

**The Gift of the Father;** Charles. [from old catalog] Battersby,1867 **The Father'S Gift** Rex Veron,2018-02-16 The Person of the Holy Spirit is THE GIFT promised in the book of Joel THE GIFT is also why Jesus commanded the apostles to tarry in Jerusalem until they received Him The Holy Spirit His infilling changed their lives from hiding in fear to boldly proclaiming the gospel and a willingness to give up their lives and He is still given to ALL Seek Him He is THE GIFT He matures the believer and purges the dross from our lives Without His fire in and on our lives we are powerless to live for Him But ye shall receive power when the Holy Spirit is come upon you and ye shall be my witnesses both in Jerusalem and in all Judea and Samaria and unto the uttermost part of the earth Acts 1 8

**The Spirit and the Lake of Fire** Rustin Umstattd,2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God s final judgment The Holy Spirit and God s judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In The Spirit and the Lake of Fire Rustin Umstattd establishes the Spirit s role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God s breath and God s arm Furthermore by examining

Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love. Umstadtd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin.

**On the Holy Trinity; Doctrinal Treatises; Moral Treatises** Saint Augustine, [Giving the Church](#) Michael Moynagh, 2024-05-30 The nucleus of the church's vocation is to join the Spirit in giving communion in Christ to others in the form of new Christian communities for the benefit of the world. But can the church be a welcome gift? In *Giving the Church* leading ecclesiologist Michael Moynagh draws together recent thinking from the worlds of ecclesiology and missiology with significant sociological work on the idea of gift to provide a much needed theological rationale for some of the key missiological and ecclesiological movements in today's church. Part 1 reworks some of the big themes in ecclesiology from this giving perspective: the nature of the church, the four marks, the visible hidden church and inclusion/exclusion. Part 2 meanwhile draws on the extensive literature on gifts to offer an ethical framework for giving the church to others and uses this framework to provide fresh readings of liberationist, herald and eucharistic models of the church. It concludes by arguing that giving the church away can be a route to making the church a more attractive gift.

**Nicene and Post-Nicene Fathers** Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume III of the 14-volume collected writings of the Nicenes and Post-Nicenes first published between 1886 and 1889, readers will find a complete collection of Saint Augustine's writings concerning Christian doctrine and ethics. *On the Holy Trinity* is one of his most important works, and Augustine spent a significant amount of time crafting it. Among the ethical considerations covered in the second half of the book, readers will find essays on virginity, lying, patience, and proper care for the dead.

**Union with Christ** Michael Brautigam, 2016-02-25 *Union with Christ* is the first extensive work on the Christology of Swiss theologian Adolf Schlatter, 1852-1938. It offers fresh insights not only to readers interested in Adolf Schlatter's theology in particular but also to students and professionals from the historical and dogmatic disciplines in general. The first part of the book sets the scene by tracing the biographical context of Schlatter's

Christological thinking It explores Schlatter s evaluation of Kantianism of the revival movement of Ritschl and the Ritschl school and of dialectical theologians particularly Karl Barth Based on this analysis the second part of the work examines the dogmatic shape of Schlatter s relational Christology in more detail From the perspective of Schlatter s theological triad of seeing act thinking act and life act it investigates his relational account of Jesus Christ against the backdrop of a distinct Trinitarian framework According to Schlatter Jesus reveals his divinity on the cross as he is able to maintain fellowship with God in spite of God forsakenness mediated by the Holy Spirit and he reveals his humanity by remaining in close communion with sinners transforming them and gathering them into the new community of faith     *Atlantic Reporter* ,1926     The Northwestern Reporter ,1919     *Father's Day Gifts* Suen,2017-08-01 Easy to follow father s day gift craft instructions for makerspaces home activities and classrooms     **The Australian Law Times** ,1896
