The background of the slide is a warm, golden-hued image. In the lower right, a pair of hands is shown reaching upwards, palms open. Above the hands, a white dove is captured in flight, its wings spread. The sky is filled with soft, golden clouds, and several other birds are visible in the distance, creating a sense of peace and spiritual ascent.

Lauderdale, 2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy trinity some may even know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It is not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4 11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which has led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and

application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership. Once you understand what your gifting is, it will bring a greater sense of pleasure, purpose, and security. In today's Church, the gifts of ministry are needed more than ever; however, we don't see them in action very often. Some people may even have gone their entire life and not see the gifts working. Some may have a general idea of what they are, while others may not know what they are. Most who do know of the Gifts of the Spirit are often confused about them. How often does someone misunderstand how they work and confuse the use of them? Such as the prophet and the gift of Prophecy: both are gifts of the Spirit, but each is different in how they are used. For example, all prophets have the gift of prophecy and can use the gift of prophecy, but not all people who can prophecy are prophets. With the reawakening of the charismatic movement, the gifts of the Spirit have been reawakened and brought back into the church. It is sad to say that in today's church, the use of Spiritual gifts is the source of much controversy and confusion among believers. Some churches and their denominations won't allow them because they don't know them, or they fear them. This is interesting and something of a sad commentary, since these gifts are meant to be graces from God for the edification of the church. Even today, as in the early church, the misuse and misunderstanding of spiritual gifts have brought division, splitting up rather than building up in the church. Here in this book, I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church.

The Healing Gifts of the Spirit Agnes Sanford, 1984-08-15. This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard-won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit. Many years ago, Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer. Subsequently, she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well-being. In *The Healing Gifts of the Spirit*, she shares the simple, practicable ways of self-help she discovered and gives step-by-step advice on how to help others. She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church. She devotes a chapter to the gift of miracles and another, especially interesting, to the gift of tongues. Her exploration of these topics is richly inspiring, offering readers one of the most detailed, informative discussions of the nature, dynamics, and potential rewards of these unique manifestations of God's presence. At the same time, she demonstrates how anyone can draw upon this healing power for good in the world. As evidence of how these gifts can and do reveal themselves, the author cites many examples from observation and personal encounters with the healing power of the Spirit.
