physician surgeon and career military officer Colonel was built upon a spiritual foundation dating as far back as he can remember or as he puts it at least since a toddler on my mother s lap in devoted church life Doubting that he ever did consciously not believe in God and Christ as his Savior he does note his public formal declaration as early as around the age of twelve already well into a Christian life of worship Growing up in the projects of Bradenton Florida afforded the early honing of prayer skills and spiritual warfare And his subsequent migration through various Protestant denominations and Catholicism helped him develop a mature view of the commonality of true worship as well as an appreciation of the divisiveness of bias within the body of Christ He credits non biblical doctrine and tradition as a severe stumbling block until God finally rescued him from it Now as he makes his rounds through non denominational fellowships his grey haired perspective advances into senior mentoring and blessing of his brothers and sisters in his love for the Kingdom of God Long ago recognizing his calling into the office of Teacher he has pursued his studies and support intermixed with his secular careers always devoted to staying attuned to God s next mission for him He partners with a devoted wife of 36 years who wears a mutually beneficial gifted intercessory prayer calling as well as being blessed by gifted callings upon his children equally beneficial and mutually supportive His only pursuit today is to Be Still hear his Father s voice and then move out I was born into death I died into birth and now I live in immortality to serve my Father
